- Determining your launch timeline

JIM GRIFFITH

Jim is the Founder of Griffith Coaching Network. A veteran of 6 church plants, Jim focuses on assessing, training, and coaching new church starts. Since 1996 he's assessed over 1900 church planting candidates, trained over 7,000 planters, and coached over 1500 projects in their efforts to reach the mission field around them. He works with over thirty organizations. Having conducted over 100 "autopsies" on failed new starts, led Jim to put together "The 10 Most Common Mistakes New Starts Make." Jim is a graduate of The University of Florida and Trinity Evangelical Divinity School.
