# Behind Closed Doors

## Clergy spouses want you to know the bricks they carry and the breaks they need.

### Come to a 90-minute session exclusively for SE District SPRCs
### Saturday, September 24 • West Grove UMC • 11:15 a.m.

You will walk in the shoes of clergy spouses as you play the Sabbath Game and discuss how to support the well-being of your pastor's spouse.

**The Sabbath Game** was conceived for the new clergy spouse retreat, "Sabbath: Break ... or Brick?" now being offered by Artos Retreats. Participants enthusiastically requested that church leaders play the game to sensitize them about common clergy spouse issues and inspirations.

**Space is limited** to 32, so register online today on the EPA Conference website. Registering enters you in a drawing for an Artos Bread Bucks gift certificate to give to your clergy spouse. You must be present to claim the Bread Bucks certificate.
