## **E-ALERT FOR**

### **December 11, 2015**

## **Editorial Policy of the East District E-Alert:**

Because of the recent launch of a redesigned Eastern Pennsylvania Conference Website (<http://www.epaumc.org/>) which has a link, at the bottom of the Home Page, to a new East District website (<http://www.epaumc.org/districts/east/>), articles will appear for only one week, and, if pertinent, will be posted on the District web site. Previously published E-Alerts will be posted to the East District website.

The E-Alert is sent to Pastors and Church Offices on the East District and to lay people who have requested being added to the distribution list. Feel free to clip or copy any article for your church's bulletin or newsletter unless permission has specifically been granted to the East District for publication, in which case, request permission from the source. The District Office requests that pastors forward the E-Alert to church leaders and congregants who might find the E-Alert helpful and informative.

## **NEWS**

### **#BlackChurchesMatter**

The attached flyer was sent as a separate email recently. This is a reminder, if you have not already done so, to read about this important campaign "#BlackChurchesMatter" and respond by publicizing it widely within and outside of your congregation(s).

1. Promote it to your friends via social media, your congregation via announcements, bulletin, inserts, etc., and by word-of-mouth. Please make sure you "like," Share," and "comment" on Facebook posts that you see. The more that these posts are commented on and shared, the more likely the probability of them showing up on someone's Newsfeed.
2. Attached you will find various materials for you to use on social media and also in your bulletins.
3. It is completely INTENTIONAL that there is no "R" on the end of the web address for the GoFundMe page. Due to character restrictions on the GoFundMe page, the "R" had to be left off of the end of the web address. Sorry if there is any confusion. This is the official web address: <https://www.gofundme.com/blackchurchesmatte>. However, there is an "R" while using the #BlackChurchesMatter.

If you need additional information, please contact Bethany L. Amey, Urban Coordinator/Consultant for the Urban Commission of EPA; E-Mail: [bamey@epaumc.org](mailto:bamey@epaumc.org) of phone: 215-878-8054.

**From the Office of Christian Unity and Interreligious Relationships, The Council of Bishops, The United Methodist Church:** The pain of the tragic attacks in Paris, Beirut and Baghdad weigh heavily on our souls. The world is once again shaken by senseless acts of violence and terrorism. We offer our prayers and support to those affected and comfort to all who mourn.

We also renew our commitment to work for Christian unity and to promote interreligious dialogue. We know that healing and peace will only come when we are able to stand together in God's light - no matter our differences we are all God's people. Joining together in Christ's merciful love, we will find the way to peace.

The Office of Christian Unity and Interreligious Relationships is praying and working hard to join with people of all faiths to build understanding and promote peace. It will take all of us, from every faith, working together to end violence. We know we are better together. We know that with our prayers, our unity and hard work, there is hope for peace.
