

Dr. F. Willis Johnson to speak at FUMCOG's MLK celebration on Saturday, January 16, 7:00 pm & Sunday, January 17, at the 11:00 am morning worship service!

Rev. Dr. F. Willis Johnson serves as senior minister of **Wellspring Church** in **Ferguson, Missouri**, where thousands have been influenced by his prophetic, faith-filled reflections and strategies on social justice and racial understanding. Johnson captured national attention for his leadership in August 2014 after Michael Brown, an unarmed teenager, was shot and killed in Ferguson.

Following Brown's death, the world was focused on Ferguson and the community's response to the police shooting. As Chairperson of the Ferguson's Human Rights Commission Dr. Johnson played a key role in the community response to Michael Brown's death. Dr. Johnson captured national attention for his leadership and the community was influenced by his prophetic, faith-filled reflections and strategies on social justice and racial understanding. It is with Dr. Johnson's leadership that Black Lives Matter came into being as a vehicle for community action.
