

**Eastern PA Conference, The United Methodist Church**  
***Congregational Development Team (CDT)***

*Evangelism in the midst of COVID...*

*Psalm 89:37 reminds us of the faithful witnessing of the moon, the most visibly celestial reflector of light God created. The church is the same in the eyes of God. Our light--the light of the church--is to be a reflective witness of the love and grace of God.*

The Eastern Pennsylvania Conference is now accepting nominations for the 2021 Harry Denman Evangelism Award., which honors United Methodists engaged in the exceptional ministry of Evangelism.

*...Evangelism is expressed in Word (what), Sign (why) and Deed (how). It is the very act of bringing people into life-transforming relationship with Jesus Christ.*

Our conference joins the Foundation for Evangelism in recognizing

- *one Youth member,*
- *one Clergy member,*
- *one Lay member.*
