Eastern PA Conference of The United Methodist Church

Join us in welcoming the Rev. Romal Tune, a compelling, popular young speaker who voices his passion, intellect and faith in fresh ways. He challenges listeners to see a new intersection of faith and public life.

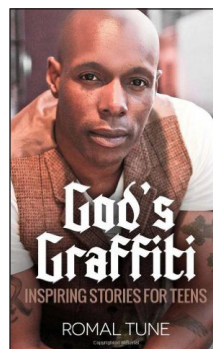

Sharing his own provocative life journey--from gang member to pastor and community leader--Tune illustrates the redemptive power of authentic engagement that is too often lacking in church outreach and evangelism efforts.

An award-winning author and graduate of Duke University's Divinity School, this **visionary orator and organizer** inspires people to seek positive transformation in the church and the world.

**Come hear him. Bring your friends, colleagues or a team of church leaders.**

**Learn ideas and ways to make real discipleship and real change happen in your church and community.**
