

2018 Annual Conference Mobile App: Getting Started

1. Download the free app **UMCmeet** onto your mobile device. Find the app in the Google Play store, or IOS app store (not available in Windows app store, or Amazon Kindle app store).
2. At the top there is a search bar. Enter **epaumc18**
3. Click the blue “+” button
4. Our event will open, showing you the login screen:
 - a. Username: **your email address** (used to register for conference)
 - b. Password: **epaumc18**
5. You will be prompted to change this default password to one of your choice.
6. You will be asked to define your privacy settings:
 - a. Whether or not you want people to see your profile in the app (you will not show up on the “attendees” list if profile visibility is turned off.)
 - b. Whether or not you want to receive direct messages from other users within the app.
 - c. Do you want your email address or phone number to be visible to other users within the app?
7. Click ‘Continue’ to enter the app!

Access will be available on Thursday, June 14.
