

## Youth Retreats At Gretna Glen

' † ''  
**February 7-9**

This overnight retreat is a great way for youth to get away for a weekend to spend time in Christian community and in fellowship with each other. The goal of the weekend is to give the youth opportunities to grow in their faith, play some goofy games, worship, experience camp, and hopefully play in some snow! Youth can come individually or with their group. This event is for students in 6th -12th grade.

# Confirmation Camp

## March 20-22

Confirmation Camp at Gretna Glen has a wonderful history, and with great success, has been a standard for thousands of confirmands through the years. The weekend is focused on the five vows of affirmation (prayer, witness, gifts, service, & presence). Each vow comes to life as the confirmands participate in hands on activities, discussions, and reflections that help draw parallels between confirmation and a life of faith. Confirmands will also have the opportunity to participate in a spiritual gifts survey and speak with adults about how their gifts fit into the ministry of making disciples for the transformation of the world. This program is built to supplement any confirmation curriculum no matter what stage of the confirmation process.
