## Reflecting on UMNS History

United Methodist Neighborhood Services was incorporated in 1973 and we reflected on the history of the agency with Rev. Bob Coombe, pastor of First United Methodist Church of Germantown. Rev. Bob was a board member in the 1980's and love to share his stories relating to his involvement with the United Methodist Churches and the agency supporting the communities.

Rev. Coombe & Millicent

First United Methodist Church of Germantown has been serving the community since 1976 and have been a blessing to UMNS since relocating to the Germantown area. The agency has been receiving weekly non perishable food items which have been donated by the members to support the food pantry for those in need.

Over the years their have been many churches providing food, clothing, household items and monetary donations to support our vision and the mission..

## Mission Statement

United Methodist Neighborhood Services (UMNS) is a mission agency related to the Eastern Pennsylvania Conference. It's purpose is to service the needs of the poor and the marginalized inner city Philadelphia people, especially women, children and the youth.

The Mission is to meet immediate personal needs to produce a positive impact on the whole community. This is accomplished by involving community members in making decisions and by empowering individuals to become self-sufficient.
