General Information

The purpose of the Local Pastor Licensing School is to foster the spiritual growth and skill development of persons called into ministry. Our school emphasizes practical preparation for ministry, and the development of attitudes that will lead to future growth in ministry. Our focus is on understanding and leading the local church: Worship and preaching, sacraments, weddings, funerals, pastoral leadership, education, and pastoral care.

Courses are taught by qualified persons from the Eastern Pennsylvania Conference. Each faculty member is selected on the basis of their competency and their familiarity with the character, style, resources and the diversity of churches in our conference.
