

Do your students need help to pay higher education costs?

Then they should apply for EPAUMC Education Society Grants from May 1 to May 13!

Investing in higher education for students is important to our local churches and to our denomination's Wesleyan heritage.

Scholarships and grants are especially significant to our mission to develop educated, faithful and committed leaders—leaders who know their church supports them in their aspirations for achievement and for serving others.

From May 1 to May 13 our EPA Conference's Education Society will accept applications to help qualified students pay their higher education costs for the 2023-2024 school year.

The "Grants to Defray Higher Education Costs" application form is available on the Conference website at WWW.EPAUMC.ORG/ADMINISTRATION/FINANCE/HIGHER-EDUCATION-SCHOLARSHIPS.

The Grants, ranging from \$500 to \$1,000, are for undergraduate education programs and for qualified career preparation programs in vocational, technical, professional and business fields.

Please share this opportunity with eligible students in your church who plan to attend an institution of higher learning in the fall of 2023. And please urge them to apply. All applications will be considered.
