**"With God, all things are possible."
Jesus, Matthew 19:26**

Friends in Christ,

In 2023, the Eastern Pennsylvania Conference stood at the intersection of challenges and opportunities, demonstrating resilience and hope in the face of adversity. As we reflect on all God has made possible this year, we celebrate the collective achievements and reaffirm our commitment to advancing the mission of Christ in our communities. God has blessed us as we live into our mission to make disciples and grow vital congregations for the transformation of the world. Thank you for being a part of God's good work and good news in EPA and beyond.

In 2023, together we accomplished the following.

- **Collaborative Partnerships:** EPA strengthened its collaboration with the Greater NJ Annual Conference to maximize mission and ministry impact. By pooling our resources and expertise, we expanded our reach and effectiveness in addressing the needs of our communities.
- **Expanding Hurricane Ida Recovery Efforts:** We leveraged an additional \$400,000 from partners to aid in our Ida Recovery, expanding our recovery into Philadelphia and working closely with over 50 families to support their journey towards recovery, even years after the disaster.
- **Camp and Retreat Ministry Growth:** Our camp and retreat ministry centers welcomed over 21,000 guests to come together to connect with God, grow in their faith, and continue their leadership journey.
- **Prayerfully completed the process of disaffiliation,** supporting congregation with guides and a discernment process, and blessed those congregations leaving as they transition into their next missional opportunities. Over 95% of EPA congregations continue with the United Methodist Church.

We do more together than we can do alone.

As we compile the stories of discipleship and service within these pages, we honor your faithfulness and call, recognizing your contributions to the life of our Church. Looking ahead, we remain steadfast in our commitment to God's mission, united to continue God's work among us.

Let us continue to embrace bold action and unwavering faith, knowing that God's presence guides us. Together, we embark on this journey with strength and courage, fueled by the boundless possibilities that lie ahead.

2023-2025 Strategic Ministry Plan

God has plans for your future, a future with hope.

-Jeremiah 29:11 (paraphrased)

*Christ gave to the church leaders their responsibility, to equip God's people
for the work and ministry of building up the church, the body of Christ.*

- Ephesians 4:11-12 (paraphrased)

Jesus said when you serve others through mercy and justice ministries, you serve me.

Matthew 25:35 (paraphrased)

EPA&GNJ Strategic Direction

Recruit and Develop Transformational Leaders

Purpose/Mission of EPA/GNJ Elected Leadership and Staff

Recruit and develop transformational leaders to make disciples of Jesus Christ and grow vital mission congregations for the transformation of the world.

(Based on the mission of The United Methodist Church)

The elected leadership and staff of EPA/GNJ serve the congregations by developing transformational leadership.

*Christ gave to the church leaders and their responsibility is to equip God's people
for the work and ministry of building up the church, the body of Christ.*

Ephesians 4:11-12

Purpose/Mission of A United Methodist Congregation

Make new and deepen the faith of all disciples to be loyal to Christ through their prayers, presence and participation in the church, and to engage in ministries of witness, mercy and justice in the world.

(Based on the membership vows of The United Methodist Church)

A congregation builds up the body of Christ to serve in the world.

Goals

1. Create a culture of call to pastoral ministry.
Outcome – 40 new potential full-time appointees¹ by 2026.
2. 1,500 leaders per year participate in the Leadership Academy.
Outcome – 60% of our congregations will meet the vitality markers² by 2026.
3. Train 150 facilitators to assist congregations to end the sin of racism.
Outcome - 250 congregations engaging to end the sin of racism (Journey of Hope³) by 2026.
4. Equip 100 leaders to lead their congregations into the community.
Outcome – 35 Hope Centers⁴ by 2026.
5. Equip 300 leaders to lead their congregations to financial health.
Outcome – financially healthier congregations and connectional shared ministry giving to 91% and billings to 95% by 2026⁵.

Strategies to meet our goals.

1. Comprehensive Leadership Development that deepens faith, increases understanding, equips for the practice of ministry and nurtures healthy leaders.
 - a. Pathways - planning that assists a congregation to develop a plan in one or more of the following – vitality, sustainability, ending the sin of racism, community engagement.
 - b. Engage – a staff person assigned to every lead pastor and every congregation for planning, coaching, consultation and cohort groups
 - c. Leadership Academy - develop the core competencies and skills of congregational leaders and clergy for leading congregations and ministries to make disciples and grow vital mission congregations for the transformation of the world.
2. Developing young leaders
 - a. Grow the faith and number of youth in our congregations through camping, retreats, IGNITE and youth leader training.
 - b. Provide opportunities for young leaders to develop their gifts.
3. Regional approach that creates superintending teams to relate, support and coach clergy and congregational leaders to health and vitality and reach our goals.
4. Grow congregational giving through stewardship campaigns and communication.
5. Affiliate ministries and administration that will help EPA&GNJ to recruit and develop more transformational leaders.

Values that guide our leadership and ministry

- *Christ-Centered*: the unbreakable and unifying source of our faith and hope.
- *Compassionate and Just Servanthood*: a shared expression of our Wesleyan heritage.
- *Diversity, Equity and Inclusion*: a true reflection of the all-welcoming reign of God.
- *Innovative and Risk-Taking*: a bridge to what is next.
- *Excellence*: a gospel imperative for greater impact in the world.
- *Collaborative*: Wesleyan connectionalism that recognizes we are stronger together.

Cultural Shifts that create a healthier EPA&GNJ

- FROM a church that focuses inward on its members and clergy
TO a relevant mission that connects with the people in the community, particularly younger and more diverse generations of new disciples of Jesus Christ.
- FROM maintaining congregations and their buildings
TO working with congregations to strategically utilize buildings for regenerative mission.
- FROM depending exclusively on Shared Ministries (apportionments) for mission and ministry
TO cultivating new sources of income to grow mission and ministry.

Defining Who and What of The Mission

- *Transformational leader*: Whole, resilient disciple leading from our values to greater outcomes.
- *Disciple*: Committed follower of Jesus living in personal and social holiness
- *Vital Mission Congregation*: Builds up the body of Christ to serve the world.
- *Transformed World*: Just, inclusive communities reflecting the reign of God on earth.

(Endnotes)

1 A potential appointee is an individual who has responded to a call to be a clergy person in the church as a local pastor, provisional member or full member and is in process with a district committee on ministry or the board of ordained ministry.

2 Presently 25% of EPA congregations have met the markers for vitality and 43% of GNJ congregations. Vital congregations cultivate a deeper relationship with God and meet people's deepest need through five vitality ministries.

1. Worship cultivates a deeper relationship with God and births hope for living. Marker – grow by one worshiper over a 3-year period.
2. Small groups cultivate growth and deeper relationships with God and one another. Marker – 50% of worshipers in a small group experience.
3. Mission through hands on justice and mercy ministries cultivates purpose. Marker – 60% of the worshipers participate in hands on mission in the community.
4. Witness and faith sharing demonstrate our meaning and significance through Jesus Christ. Marker – 1 new profession/reaffirmation of faith for every 25 worshipers in a given year.
5. Giving generously, extends our purpose, significance and making a difference for God. Marker – 18% of a congregation's budget is giving to mission.

3 Journey of Hope is a plan and process to assist the EPA&GNJ and congregations to ACT (Aspire, Comprehend, Transform) to end the sin of racism. Presently 100 facilitators are trained in EPA&GNJ. Congregations are just beginning to develop plans.

4 A Hope Center is a robust community outreach ministry in partnership with community organizations and the people of the community to develop the community and meet human need. Presently EPA&GNJ have 27 Hope Centers. Hope Center models include the following,

- Camp Y.D.P., a licensed childcare, after-school enrichment program, and summer day camp, serves low-income families.
- The Crisis Room provides food, clothing, emotional support, and rent and utility assistance to marginalized families.
- Pathways to Prosperity works to eliminate generational poverty through job training and financial education.

5 Generous giving sustains the mission of congregations, EPA&GNJ and the global mission of The United Methodist Church. Presently EPA is giving at 83% shared ministry apportionments and 92% billings, and GNJ at 90% and 94% respectively.

Annual Conference Minutes

Eastern Pennsylvania 237th Annual Conference Session
May 18-20, 2023
Oaks Expo Center
Oaks, PA

Possibility

THURSDAY, MAY 18

The clergy executive session adopted the report and recommendations of the Board of Ordained Ministry.

Kent Kroehler moved that “The Board of Ordained Ministry and the cabinet shall create a task force on: 1) warning about viewing inappropriate, harmful online materials; 2) policies surrounding reinstating conference members following criminal conviction; and 3) expansion of care for clergy and their families.” The motion was adopted.

Bishop John Schol opened the Annual Conference with an episcopal address on possibility.

Following the address, Bishop Schol invited people to share their hopes and concerns for conference.

Rev. Jacqueline Hines made the opening motions (agenda, bar of conference, rules of order).

Rev. Jason Perkowski moves to amend Article X, item d of the rules, to allow for calling for a written ballot and offering a mechanism for requesting and having a written ballot. A change in rules cannot be voted on for 6 hours, so it will be revisited on Friday.

Conference Committee on Leadership nominations report is presented by Rev. Dave Piltz and Mrs. Mary Ann Griffith. With additional amendments, and nominations from the floor, the report passed.

Resolution 2023-1 (Equitable compensation) presented by David Koch. Amendment offered by Deacon Greg Ellis to delete “Years of service are determined by number of full-time years (or a combination of part-time equivalent years)” and amend previous line to “each year of full- or part-time service.” Amendment approved. Resolution passed.

Resolution 2023-2 (Advanced specials) presented. Mission First – Pottstown added to the list of specials. Resolution passed.

Resolution 2023-03 (church closures) presented by DS Rev. Evelyn Kent Clark. Pottstown: Salem added to list. Matthew Morley (conference chancellor and delegate) offers amendment related to supporting the bishop, cabinet, and conference committee on buildings and church location in applying specific Disciplinary means to secure conference property in the case of congregations that have ceased communicating with the conference. After debate, and without a vote, the amendment is withdrawn. Resolution as presented is passed.

FRIDAY, MAY 19

Resolution 2023-04 (acceptance of the disaffiliation of 5 churches) presented by Rev. Dr. Maryann Catherine Miller, president of conference board of trustees. A correction is made to the name of one of

the churches: it should be Wind Gap: First UMC. Corrections are also made to a couple of the figures in the accompanying exhibit. 2 speeches in favor, 1 opposed. Resolution passes.

Resolution 2023-17 is presented on the screen. This is the proposed amendment to Resolution 2023-03, now presented as its own resolution, supporting bishop, etc. to implement Para. 2549.3(b) when dealing with congregations that refuse to engage with the conference in either an ecclesial or civil process. Vote to suspend the rules is called for, so that the resolution might be considered (by our rules, this should have been the last resolution of the conference). Vote passes (rules are suspended). Resolution passes.

Amendment to rules allowing for written ballot voting when requested and supported by the body is considered and passed.

Connectional Table and other leaders gave a report about Strategic Direction. During the report there was a motion to call the question and adopt Resolution 2023-05. Bishop Schol indicated the motion was out of order because the legislation had not been moved for action. Bishop Schol indicated once the resolution was moved he would return to the member who wanted to call the question. Another member asked the resolution be referred a fall special session. Bishop Schol ruled this motion out of order because the resolution was not before the body. Following the report, the chairperson of the Connectional Table moved Resolution 2023-05. The member called for a suspension of the rules and call the question. The suspension of the rules passed and the Resolution passed.

Rev. Timothy Fisher asked for a rule of order from the Judicial Council.

“Re: Eastern PA Annual Conference Resolution 2023-05

Maker of the motion: Timothy Fisher

Re: Eastern PA Annual Conference Resolution 2023-05

I appeal ruling of the Bishop when a motion to call the question was presented. He ruled it out of order because the resolution 2023-05 had not been

presented. Nelson Alleman moved that the resolution be referred to a fall session, which the Bishop said was permitted, but would need to be made at the appropriate time. The resolution was moved by Lenora Thompson. The call for the vote was then made to suspend the

Rules of Order, adopted without discussion or speeches for or against the resolution. (Traditionally 3 for; 3 against must occur before question can be called.) Nelson Alleman’s motion to refer was therefore denied.

This I respectfully appeal to the Judicial Council.

The question was submitted in writing.

Resolution 2023-08 (Board of Pensions adoption agreement to Clergy Retirement Security Program) – Passed.

Resolution 2023-09 (Rental/Housing Allowance for Retired or Disabled Clergy) – Passed.

Resolution 2023-10 (Safe Sanctuaries) – Passed.

Resolution 2023-11 (Vulnerable Adults Policy) – Passed.

Resolution 2023-16 (EPA Conference Building deferred maintenance and upgrades) – Passed.

Resolution 2023-07 (Disaffiliation Disbursements) – Passed.

Resolution 2023-06 (Budget) is introduced, but only pages 142-144 in the addendum (not the EPA Fund Policies, Processes and Procedures). A substitute budget is proposed, conference adjourns at previously agreed upon 5:00 p.m. in the midst of debate.

SATURDAY, MAY 20

Because of the ordination service at 10:30, which cannot be moved, Bishop opens business session by taking vote on extending Annual Conference: Option 1 is to resume business after ordination service; Option 2 is to hold a special session at a later date. The vote is in favor of a special session. However, the vote on whether to hold it in person or via Zoom is inconclusive. The bishop postpones making that decision.

Returning to the budget debate, the bishop rules the substitute budget out of order, because it is incomplete. The bishop explains that according to the discipline, the Annual Conference must be presented and must approve a budget for all of the financial workings of the conference, not just relating to the CMF (Connectional Ministries Fund). Representatives from CF & A are invited to the podium to respond with information only to some of the questions that have been raised about the budget.

A motion to hold an in-person special session to discuss the budget is made by Rev. Mandy Miller. It does not pass. A standing vote is requested by Rev. Johnson Dodla. The bishop determines that time has run out for business. There is concern that it isn't clear how delegates are supposed to express their preference for an in-person or online special session. An online poll will be sent out. The service of Ordination concludes the Annual Conference session.

Special Session Minutes

A special session of the Eastern Pennsylvania Annual Conference of the United Methodist Church convened on September 9, 2023 at 9:00 a.m. at the Lititz United Methodist Church.

The session began with worship.

Praise was led by dancers from New Life UMC and music in both English and Spanish. Welcome was offered by host pastor the Rev. Jerry McGrath. Mark 8:22-25 was read by Conference Secretary the Rev. Jacqueline Tilford and Bishop John Schol preached on "Jesus Is Adjusting the Vision."

Call to order came at 9:35, with the bishop assisted by the Secretary and by Associate Lay Leader Suzette James (Christ Servant Minister at Mt. Zion UMC: Philadelphia). The Secretary outlined the bar of conference and rules of order, which were approved by the body. The bishop noted that business would be limited to the agenda items noted in the workbook and any directly-related items.

At 9:42, Conference Committee on Finance and Administration (CCFA) presented Resolution #2023-6.

The budget printed on page 4 and following was reviewed by the Rev. Steven Cherry (CCFA vice-chairperson), the Rev. Jennifer Freymoyer (West District Superintendent), Lawrence Lee (Finance Manager), and Jo Fielding (CFO/Treasurer).

Rev. Cherry spoke to the budget format and rationale.

In May, approval had been deferred for clarification. Since then, fine-tuning had been done following meetings and listening sessions. Transparency and accountability have been sought by all who have worked on the budget. Ongoing oversight on implementation is to be done by two working committees: Investments and Funds.

Rev. Freymoyer provided explanation of various funds noted on page 10 of the workbook and of goals found on page 15 and responded to specific concerns raised in listening sessions.

The Camping Fund received its full request and its current procedures remain in place. Funds from any sale of camp properties stay within the camping programs.

Lawrence Lee and Jo Fielding presented specific items to note within the budget.

An increase within apportionment from 9.5% to 9.8% is included in order to pay EPA's portion of the denominational settlement with the Boy Scouts during 2023. The increase provides for replacement of the funds over a three-year period. The EPAUMC Conference obligation for the Boy Scouts of America settlement was \$590,000.

Conference staffing is being addressed. Both conference regions are to have a full-time Regional Administrator, with part of the duties of each including tasks pertaining to the overall Conference. Conference office staff salaries are under review to allow adequate funds to retain staff and to provide appropriate cost-of-living adjustments.

The budget takes concerns about equity into consideration.

Direct billings will continue.

Work is ongoing to migrate financial information to an integrated platform.

As previously, payment to General Church Funds will be proportionate to payments received on local church apportionment. As funds allow, support for the Black College Fund and for the Africa University will be paid in full before other areas.

Figures in the budget summary (workbook, page 6) include a \$1.7 million shortfall due to uncollectable amounts in direct billings and unpaid or partially-paid apportionments. One aspect of current renewal efforts is to assist local churches fund their overall ministries sustainably.

A numerical mistake in the Trustees' column as presented in May has been corrected.

Adoption of the entire resolution was moved by Rev. Cherry on behalf of CCFA.

A speech in opposition came from Mike Vincent (laity: Hempfield UMC). He maintained that the BSA settlement funds should come from EPAC reserves. He suggested that apportionments should be reduced to 6.9% overall due to the projected financial effects of disaffiliations.

An amendment came from the Rev. Robin Hynicka (Philadelphia: Arch St.), addressing procedures to authorize emergency use of funds and borrowing of funds. This was accepted by CCFA as a friendly amendment, but required clarification.

The stated intent was to ensure that decisions for such uses would require a 75% approval from all members of CCFA and the Trustees (which could mean polling the full board in case of absences at the meeting where such a request would be made), and that “the names of the members of the investment committee and the charter polices be published on the conference website.” Wording around this was requested by Rev. Kevin Kresge (Marticville) and proposed by Rev. Lloyd Speer (Fairless Hills: Christ) [on file]

The Speer amendment to the Hynicka amendment was voted and passed. In that form the entire Hynicka amendment was then voted and passed.

No further speeches were offered from the floor, either for or against the entire resolution.

The full resolution was voted and passed as presented and amended.

Bishop Schol expressed thanks to CCFA and to all who participated in this process over the past weeks.

Special thanks went to Jo Fielding, honoring her for 25 years of service to the conference. She was warmly applauded for her ministry among us, serving at the Conference office in several key capacities.

Bishop Schol announced that three resolutions remaining from May were to be ruled out of order and spoke to the process that would be followed upon his rulings, with their affirmation or rejection by the body of conference.

Resolution #2023-12, “Relating to Jury Justice”

The resolution was submitted by “Fight for Floyd and Beyond Policy Committee,” which the group, the bishop announced, had never seen it.

The presenter of the motion, Dr. Roger Thomas (Orwigsburg: Salem Equalizing Lay Delegate – North District) rose to respond. He claimed authorship of this resolution and #2023-13, “Relating to Human Trafficking Study,” saying it had been sent to the group, convened by now-retired Deacon Susan Worrell, for submission to annual conference.

The Rev. David Piltz (St. Andrews: Warminster) replied that he was part of the committee and remembers discussion of the resolutions by that group but does not recall their approval for submission.

Bishop Schol further noted that line 46 of the resolution would specifically authorize the presenter to deliver the resolution to the state General Assembly. During the regular session of conference earlier this year, however, he had become violent and police had had to be called to remove him from the Expo Center. Accordingly, it would be out of order to endorse him to represent the United Methodists of Eastern Pennsylvania.

There was no further discussion and the vote to uphold the bishop’s ruling passed.

Resolution #2023-13, “Relating to Human Trafficking Study”

There was no challenge to the ruling-out of this resolution on the same grounds as #2023-12 and the decision to do so stood without vote.

Resolution #2023 (Pre-conference workbook page 103) “Relating to a Revised 2023 Process and Terms for Eastern PA Congregations Seeking to Disaffiliate under Paragraph 2553”

Bishop Schol ruled this out of order on grounds that the resolution's use of "shall" means that it would not be aspirational. It would enable local churches to reconsider votes on disaffiliation even though the deadline to do so is past, and would circumvent the approved procedures for disaffiliation.

Challenge to the ruling was made by the Rev. Joan Trout (retired). She contended that delays arose from not voting on the resolution at the regular conference session and that the financial requirements of the process for disaffiliation were impossible for many small churches to meet.

The bishop's reply was that General Conference has specified that terms for disaffiliation must be developed by annual conference Trustees and that such terms have already been determined and applied with the approval of the Eastern PA Annual Conference.

The vote to uphold the ruling passed.

Resolution #2023-14, "In Support of Creating a US Regional Conference"

The resolution was presented by the Rev. Robin Hynicka (Philadelphia: Arch St.).

Speech in opposition was given by Susan Ezzard (Laity: Hempfield UMC). She based her opposition on the universality of God's law and word, making this a "blasphemous division."

Speech in support was given by the Rev. Jason Perkowski (Faith UMC Lititz), on the grounds that he believes that creating a US Regional Conference would promote parity on a worldwide scale and be a step away from racism.

Speech in opposition was given by the Rev. Kevin Kresge (Marticville), who expressed concern that a Regional Conference would remove United Methodists in this country from the influence and shared decisions of those in current Central Conferences, essentially as a move to retain power on a national basis without reference to worldwide United Methodism.

Speech in favor was given by the Rev. Darryl Stephens (Deacon, Lancaster: Otterbein UMC), who agreed with Rev. Perkowski that this polity would simply put the US conferences on a par with others, but for the reason that the US is the only area under General Conference that lacks a regional forum.

A vote was taken and the resolution passed.

Listening session updates and learnings were offered by Bishop Schol.

It is clear that technological updates have not gone smoothly, but a firm has been hired to assist. This also applies to financial platforms. Integration of different formats will take several months. 2024 should start off with reporting procedures on a better footing.

Conference finances are not bad, but could be better. The policies adopted today in connection with the CCFA recommendations will help.

Three main areas demand attention.

In the spiritual area, we suffer from divisiveness and need to learn better to cooperate with one another and with other ministries. The level of general trust among us has grown low. The current leadership team is working hard to maintain transparency and to heal suspicions.

In technical matters, data needs to be reliable and information needs to be accessible. A better pay scale for staff will help by reducing turnover and holding personnel.

Becoming more adaptive is necessary. We have a clergy shortage, with few recruits and many retirees. Collaboration and consolidation within the Episcopal Area are ways to adapt but face the same resistance and tensions that come about within and among local churches that find themselves working together more closely and more often. This is complicated, too, by the way that the Eastern Pennsylvania Annual Conference has trouble maintaining a single, conference-wide focus.

Bishop Schol reaches mandatory retirement age next year, and will not be on-hand to see all of the necessary changes through. He will use his remaining time with us to work on the administrative,

technical matters so that the incoming bishop will be freed to address the other matters more extensively.

Final remarks that there is much anxiety on all sides, but that anxiety only leads to paralysis or infighting when hope is absent, and that people of the resurrection are by definition people of hope, led directly into the celebration of the Lord's Supper, with which the session closed.

Respectfully Submitted,

Conference Secretary – Rev. Jacqueline Tilford

Associate Secretaries – Rev. Mark Terry, Rev Mark Young

Article XIV – Attendance

Punctual and regular attendance of the members of the Conference is expected except in cases of emergency. Those requesting to be excused must make the request in writing to the Conference Secretary. In the case of anticipated absence of lay members, arrangement should be made to have the alternate lay member seated. Every charge should be represented at all business sessions. 5. After five such ballots have been taken, a motion to discontinue balloting shall then be in order, requiring a simple majority. Any persons who have received the requisite 2/3 majority shall be considered the endorsed Episcopal nominee(s) of the Eastern Pennsylvania Conference. If no person has obtained the required 2/3 majority, then no person shall be considered to have been endorsed by the Eastern Pennsylvania Conference.

COKESBURY SUMMER READING AND LUNCH PROGRAM\$3,000

Applicant: Sandra M. Cislo
307 Market Street, Marcus Hook, PA 19061
610-416-5112. smcislo@yahoo.com

This is a ministry of Cokesbury UMC, which provides FREE lunch and educational support, and educational resources for children who live in the high poverty areas of Marcus Hook, Trainer, and Lower Chichester.

Research shows that while all students experience educational setbacks over the summer break, those setbacks are more challenging and have a more devastating, long-term impact for economically disadvantaged children. For many children in poverty, free school breakfast and lunch are their most secure and substantial meals during the school year. The summer months, without school meals, leave children who are food insecure, hungry. Our program provides 4 weeks of Monday to Thursday educational programming along with free lunch for children from pre-k through grade 5, with older children welcome to attend as helpers. Participants also receive free books to start or expand home libraries, and bookbags with school supplies at the end of the program.

HAZLETON ENLARGED MINISTRY..... \$10,000

Applicant: Graham Truscott, Chair of HEM Council

411 Main St. Conyngham, PA 18219

Program Director: Donna Burchess, 215-622-4066, donnaburchess@gmail.com

We seek to provide a safe environment for children to play, learn, and grow physically and in their faith. We believe that many children in poverty and low-income situations may not see positive role models, may not have a safe environment or access to nutritious food, and may not have the ability to grow in their faith because of the economic condition of their parents, who may work multiple jobs and are unable to pay for childcare. We seek to meet these needs through our 6 weeks of summer Day Camp that runs Monday to Friday from 8:30-3 for children aged 5-12 years. The charge to families is \$25 per week to help them maintain dignity, and camperships are available for those unable to pay. The program includes games, crafts, nutritious meals, Bible lessons, as well as community professionals teaching important lessons. The Day Camp seeks to counteract the segregation bubble in which many live by having Caucasian, Hispanic, and African American children from many ethnic groups come together and play, eat, learn, and grow together in faith. A clothing depot has been opened in downtown Hazleton, and families can fill an 18 gallon bag with clothes for only \$2 each Wednesday from 10-11 am. The Hazleton Enlarged Ministry also supports Your Sisters' Closet in nearby Ringtown to provide women what they need to feel confident in themselves for getting back into the workforce. Because there is no longer a United Methodist Church in the city of Hazleton, HEM brings together for ministry the various UMC's in the greater Hazleton area to make Hazleton Enlarged Ministries programs our missionary presence in the city of Hazleton.

Pomeroy United Methodist Church

Pomeroy United Methodist Church was founded in 1867 in an old store building owned by William R. Leach and has a faithful history of ministry within the community through worship, fellowship, outreach, and fun. Pomeroy United Methodist Church had a Sunday School which taught persons of all ages, sharing the Word of God in new and relevant ways. Pomeroy also had active fellowship groups for Youth, Women, and Men. Sunday Morning Worship, Bible Study, Vacation Bible School, and creative activities such as Kid's Nights, 50's Dinners, Easter Egg Hunts, Halloween Station, and Christmas Bazaars enabled the congregation to serve for more than one hundred and fifty years. The pastors and members of Pomeroy United Methodist Church were dedicated to serving God and their neighbors with faithfulness and commitment, Pomeroy United Methodist Church discontinued effective June 30, 2023 and gathered together for the last worship service on Sunday, August 28, 2022.

Pottsville: Evangelical UMC

The Evangelical United Methodist Church has a rich history dating back to the 1830s, originating in Orwigsburg, Pennsylvania as an Evangelical United Brethren Church. Prior to its use as a place of worship, the former Evangelical United Methodist Church of Pottsville, PA served as an armory during the Civil War. In the late 19th century, it was transformed into a United Brethren house of worship. In 1895, it was relocated to its current location in Pottsville, PA. In 1968, the United Brethren merged with the Methodist Episcopal church, solidifying the Evangelical church's identity. Throughout its existence, the Pottsville Evangelical United Methodist Church was dedicated to family and missions, undertaking missions to West Virginia, Georgia, and the Caribbean. However, in the 1990s, the church experienced a decline as members who grew up in the church relocated away from Pottsville. By the end, the active membership had dwindled to 15 members and only 3 members remained on the board. Sadly, the church ceased its use as a place of worship on July 10, 2022.

Frankford Memorial United Methodist Church

Frankford Memorial United Methodist Church is located at 1300 Dyre Street, Philadelphia, PA 19124-1933 and has a proud history of ministering to the neighborhood of Frankford. Originally formed as a branch of the Rehoboth Church to accommodate its overflowing Sunday School program in 1868, the nucleus of a new congregation met in the Lyceum building at Frankford Avenue near Sellers Street and later in Wright's Institute. During the autumn of 1869, the congregation decided to launch a church building project. On November 25th, the Quarterly Conference of Rehoboth Church elected the following board of trustees for the new church enterprise: President John Shallcross, Treasurer John Wilcock, Secretary R.T. Williams, Garrett De Bow and Peter Otto. A site on Foulkrod Street between Frankford Avenue and Salem Street was purchased. On July 5, 1870, the building committee accepted the plans of Benjamin D. Price for a two-story, stone chapel located in the middle

of the block. Work was started on August 19th, and the cornerstone was laid on September 15th. The building was dedicated on July 16, 1871 and used as a place of worship until 1912.

Green Hill UMC

Beginning in 1887, Green Hill UMC started out as a Bible study group. Not long after, the building was constructed, and eventually the church became part of The United Brethren Church. For many years, the church was the center of the community. The little congregation grew until the building was expanded to its current size. In 1968, Green Hill became a United Methodist Church. Through the 60's, 70's, and 80's Green Hill was a vital growing congregation. Much emphasis was put on Missions and faithfully supporting missionaries. Weekly Bible study and prayer meetings were constant. The word of God was the foundation on which the church would stand. In the last two decades the congregation slipped into a slow but steady decline. The younger generations moved on to other places and other churches, and we've had more funerals than Baptisms. While we are sad that Green Hill is closing, we know that The Church isn't brick and mortar. The people are The Church. We are being called to continue in the work, to further God's kingdom, just in a different place.

St. James UMC

Two hundred years ago 4 women and 3 men banded together as a church organization in 1816. This was farming country. St. James became the first church in Olney and, of course, remains today Olney's oldest church.

In the early days churches were part of a circuit and shared a pastor in common. St. James was originally part of the Bristol Circuit. In 1832 it was placed on the Germantown Circuit and in 1844 the Milestown Circuit. Finally in 1863 St. James was no longer part of a circuit and had its own pastor.

This is the fourth building on this property and the cornerstone was laid in 1910. The Sunday School building was opened in 1911 and this church opened in 1912. And in 1924 these beautiful stained glass windows were installed. That same year the parsonage was built and there have been 12 parsonage families who have lived there. That home will now be used as a mission house.

Boy scouting began in 1913 and cub scouts in 1940. Intermediate girl scouts started in 1944, Brownie Girl Scouts in 1950 and Senior Girl Scouts in 1954. Interested girls and boys could go to summer camp beginning in 1929.

The Sunday school peaked in 1937 at a membership of 1,470. And in 1952 church membership peaked at 1,782.

In the 200 years of St. James, the church has had 82 pastors and many assistant pastors and directors of education. More than 25 devoted souls from St. James have entered full-time Christian service. Today St. James is being reimagined in many ways and continues to be a church that loves God and loves people.

WHEREAS, Local Church has held a church conference, in compliance with ¶¶ 246.8, 248, and 2553.2-.3 of *The Book of Discipline of The United Methodist Church* (“*Discipline*”), at which at least two-thirds (2/3) of the professing members present at the church conference of Local Church voted to disaffiliate from The United Methodist Church (the “UMC”) “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.”

WHEREAS, pursuant to ¶ 2501.1 of the *Discipline*, Local Church holds its real and personal, tangible and intangible property “in trust for The United Methodist Church and subject to the provisions of its *Discipline*.”

WHEREAS property subject to ¶ 2501.1 “can be released from the trust, transferred free of trust or subordinated to the interests of creditors and other third parties only to the extent authority is given by the *Discipline*.” (¶ 2501.2)

WHEREAS ¶ 2553 provides a specific circumstance in which property subject to ¶ 2501.1 can be released from the trust imposed by that paragraph.

WHEREAS ¶ 2553.4 requires the terms and conditions of Local Church’s disaffiliation from The United Methodist Church to be “memorialized in a binding Disaffiliation Agreement.”

WHEREAS Local Church and Annual Conference wish to (1) resolve all matters between them, and Local Church wishes to acquire from Annual Conference all Annual Conference’s interest, on behalf of The United Methodist Church, in the real and personal, tangible and intangible property held by Local Church and (2) comply with the requirements of ¶ 2553 and Judicial Council *Decision* 1379.

NOW, THEREFORE, in consideration of the foregoing and all the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Local Church and Annual Conference agree as follows:

1. Conditions Precedent. Local Church and Annual Conference acknowledge and agree:
 - a. *Church Conference Vote*. At least two-thirds (2/3) of the professing members present at a church conference of Local Church have voted to disaffiliate from The United Methodist Church “for reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference, or the actions or inactions of its annual conference related to these issues which follow.” Local Church has provided documentation, to the satisfaction of Annual Conference, which evidences the result of the disaffiliation vote taken at the church conference.
 - b. *Annual Conference Vote*. This Disaffiliation Agreement must be “ratified by a simple majority of the members . . . present and voting” at a duly called session of Annual Conference, as required by Judicial Council *Decision* 1379 and ¶ 2529.1b(3).
 - c. *Continuing Validity of ¶ 2553 of the Discipline*. This Disaffiliation Agreement is conditioned on the validity of ¶ 2553 of the *Discipline* as of the Date of Disaffiliation.

Should either (1) the Annual Conference fail to ratify this Disaffiliation Agreement as provided in 1.b above or (2) ¶ 2553 is invalidated by the Judicial Council or repealed by General Conference action prior to the Date of Disaffiliation, this Agreement shall immediately become null and void.

² This amount is currently «Pro_Rata_Share_of_Unfunded_Pension» USD; however, this figure will be updated thirty days prior to the Disaffiliation Date based on the most recent actuarial calculations prepared by Willis Towers Watson.

³ This amount is currently «Pro_Rata_Share_of_Unfunded_Retiree_Medic» USD; however, this figure will be updated thirty days prior to the Disaffiliation Date based on the most recent actuarial calculations performed by the Annual Conference's service providers.

- c. *Accounting for Payments.* Thirty days prior to the Disaffiliation Date, Annual Conference shall provide Local Church with an accounting of all amounts due under sections 4.a and 4.b above.
- d. *Payments prior to Disaffiliation Date.* Any payments made by Local Church prior to the Disaffiliation Date shall be held in an escrow account by the Annual Conference until the Disaffiliation Date. If at any time prior to the Disaffiliation Date, this Disaffiliation Agreement becomes “null and void” (pursuant to section 1, above, section 10, below, or for any other reason), Annual Conference shall return all funds received from Local Church contained in the escrow account with the exception of apportionments paid pursuant to 4.a.ii and payments pursuant to 4.b above.
- e. *Intellectual Property.* As of the Disaffiliation Date, Local Church shall cease all use of “United Methodist,” the Cross & Flame insignia, and any other intellectual property of either the UMC denomination or the Annual Conference. This shall include the removal of all signage containing such intellectual property.
- f. *Group Tax Exemption Ruling.* As of the Disaffiliation Date, Local Church shall cease to use, and shall ensure that any affiliates of Local Church which have been included in the group tax exemption ruling shall cease to use, any and all documentation stating that Local Church is included in the denomination’s group tax exemption ruling administered by the General Council on Finance and Administration of The United Methodist Church. Local Church and any of its affiliates which have been included in the group tax exemption ruling will be removed as of the Disaffiliation Date.
- g. *Pennsylvania Sales Tax Exemption.* As of the Disaffiliation Date, Local Church shall cease to use Annual Conference’s Pennsylvania sales tax exemption. Local Church shall also ensure that any affiliates of Local Church which have been utilizing Annual Conference’s Pennsylvania sales tax exemption shall cease to use same.
- h. *Right of First Refusal.* Local Church shall execute a Right of First Refusal in favor of the Annual Conference. Such document shall provide that for a period beginning on the Disaffiliation Date and ending 15 years after the Disaffiliation Date, the Annual Conference shall have a Right of First Refusal, which shall permit the Annual Conference to purchase any real property listed in Exhibit A, which is offered for sale by Local Church, at the same price and under the same terms as offered by a bona fide purchaser. This Right First Refusal shall be prepared by the Local Church or its counsel, subject to the review of the Annual Conference Chancellor, and shall be recorded with the appropriate Recorder of Deeds at Local Church’s cost prior to the Disaffiliation Date. The Right of First Refusal shall be in substantially the same form as Exhibit “B” to this Agreement.

5. Organizational Transition. Local Church shall take all steps necessary to modify its current organizing documents, including Amending its Articles of Incorporation, as needed to effectuate its disaffiliation from The United Methodist Church to the satisfaction of Annual Conference. Local Church shall indemnify, defend, and hold harmless Annual Conference and its officers, directors, agents, and employees from any liability or costs (including reasonable attorney fees) resulting from any claim, action, or cause of action for damages to persons or property resulting from Local Church's failure to take all necessary steps as required by this section 5.

6. Property. On the Disaffiliation Date and subject to section 4.h above, Local Church will have full ownership of the property and assets listed in "Exhibit A." The parties shall ensure all necessary transfers or other transactions relating to the above properties are completed prior to the Disaffiliation Date. Any costs resulting from such transfers or other transactions shall be borne by Local Church. Annual Conference shall fully cooperate with Local Church, as needed and applicable, to ensure that such transfers and other transactions convey all Annual Conference's interest – both for itself and on behalf of The United Methodist Church – in the real and personal, tangible and intangible property of Local Church. Upon the Conference's satisfaction that Local Church has made all payments pursuant to section 4.a and 4.b., above and provided those documents in section 4.i, above, Annual Conference shall execute a quitclaim in favor of local church releasing all interest in Local Church's real property (with the exception of those interests established in section 4.h above). The quitclaim shall be in substantially the same form as provided in Exhibit "C" to this Agreement.

7. Release of Claims. Upon the completion of all of their respective obligations herein, Annual Conference and Local Church, for themselves and their agents, representatives, members, trustees, employees, successors, attorneys, and assigns, hereby fully and forever covenant not to sue each other, and release and discharge each other, and their current and former trustees, officers, representatives, employees, and assigns, in both their official and individual capacities, from any liability for any and all causes of action and claims, including any statutory or common law cause of action, tort or contractual claims, any claims for attorneys' fees, expenses and all other damages, whether known or unknown, foreseen or unforeseen, which Annual Conference or Local Church ever had, now has, hereafter may have or claim to have against any of the above-named entities or persons in any way arising out of their relationship with each other. The parties further represent they have no pending lawsuit, charge, complaint, or other action against each other.

8. Mutual Indemnification.

- a. Each party (as "Indemnifying Party") shall indemnify and defend the other party and its managers, officers, directors, employees, agents, affiliates and successors (collectively,

“Indemnified Party”) against any and all losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including professional fees and reasonable attorneys’ fees, that are incurred by the Indemnified Party and/or awarded against Indemnified Party in a final non-appealable judgment, administrative proceeding, or any alternative dispute resolution (collectively, “Losses”), arising out of any third-party claim alleging:

- i. Material breach or non-fulfillment of any representation, warranty, or covenant of this Agreement.
 - ii. Any negligent or more culpable act or omission of Indemnifying Party or managers, officers, directors, employees, agents, affiliates and successors (including any reckless or willful misconduct) in connection with the performance of its obligation under this Agreement.
 - iii. Any bodily injury, death of any person, or damage to real or tangible personal property caused by the negligent or more culpable acts or omissions of Indemnifying Party or its Personnel (including any reckless or willful misconduct).
 - iv. Any failure by indemnifying party to comply with any applicable federal, state, or local laws, regulations or codes in the performance of its obligations under this Agreement.
- b. Notwithstanding anything to the contrary in this Agreement, Indemnifying Party is not obligated to indemnify or defend Indemnified Party against any claim (whether direct or indirect) to the extent that such claim or corresponding Losses arise out of or result from Indemnified Party’s negligence or more culpable act or omission (including recklessness or willful misconduct) or bad faith failure to comply with any of its material obligations set forth in this agreement.
- c. Payments by Indemnifying Party in respect of any Losses are limited to the amount of any liability or damage that remains after deducting any insurance proceeds and any indemnity, contribution, or other similar payment received by Indemnified Party in respect of any such indemnity claim, less any related costs and expenses including the aggregate cost of pursuing any related insurance claims and any related increases in insurance premiums or other chargebacks. Indemnified party shall use reasonable efforts to seek to recover any insurance proceeds in connection with making a claim under this section. Promptly after the realization of an insurance proceeds, indemnity, contribution, or other similar payment, Indemnified Party shall reimburse Indemnifying Party for such reduction in Losses for which Indemnified Party was paid before the realization of reduction of such Losses.

9. Right to Seek Contribution for Claims against Annual Conference. If (a) the Annual Conference becomes subject to liability for a claim based on actions or inactions of the Annual Conference, its managers, officers, directors, employees, agents, and/or affiliates or the actions or inactions of any local church that is a member of Annual Conference, its managers, officers, directors, employees, agents, and/or its affiliates and (b) as a consequence of such liability, passes a resolution, which requires the remaining churches in the Annual Conference increase their remittances to the Annual Conference, then Local Church shall contribute [«Percent_Share_of_Appportionment_Formula»] of the aggregate annual funding

obligation of all local churches combined. This section shall only apply to liability based on actions or inactions which occurred prior to the Disaffiliation Date.

10. Time Limit. Should the Local Church fail to satisfy all of its obligations set forth herein--except for those that are meant to survive the Disaffiliation (sections, 7, 8, and 9)- by the Disaffiliation Date, this Disaffiliation Agreement shall be null and void.

11. Continuing as Plan Sponsor. Nothing in this Disaffiliation Agreement shall prevent Local Church, after the Disaffiliation Date, from continuing to sponsor benefit plans from the General Board of Pension and Health Benefits to the extent permitted by federal law, and provided that Local Church has not expressly resolved that it no longer shares common religious bonds with The United Methodist Church.

12. Non-Severability. Each of the terms of this Disaffiliation Agreement is a material and integral part hereof. Should any provision of this Disaffiliation Agreement be held unenforceable or contrary to law, the entire Disaffiliation Agreement shall be deemed null and void.

13. Recording. This document shall not be recorded with the applicable Recorder of Deeds and, until the Annual Conference signs the quitclaim deed or other release for personal property specified in section 6, above, this document shall not be utilized as proof that Local Churches real or personal property has been released from the trust clause.

14. Governing Law. This Agreement and all related documents including all exhibits attached hereto, and all matters arising out of or relating to this Agreement, whether sounding in contract, tort, or statute are governed by, and construed in accordance with, the laws of the Commonwealth of Pennsylvania, without giving effect to the conflict of law's provisions thereof to the extent such principles or rules would require or permit the application of the laws of any jurisdiction other than those of the Commonwealth of Pennsylvania.

15. Arbitration.

- a. Any dispute, controversy, or claim arising out of, relating to or in connection with this contract, including the breach, termination, or validity thereof, shall be resolved by final and binding arbitration. The arbitrator shall have the sole power to rule on any challenge to its own jurisdiction and all issues regarding arbitrability shall be decided solely by the arbitrator. The place of arbitration shall be Valley Forge, Pennsylvania, or such other location convenient to the arbitrator and agreed to by the parties. The arbitration procedure shall be as follows:
- b. The party seeking arbitration shall commence the arbitration by delivering a notice of arbitration to the respondent party setting out the nature of the claim(s) and the relief requested. Within sixty days of the receipt of the notice of arbitration, the respondent shall deliver to the claimant its answer and any counterclaim(s) setting out the nature of such counterclaim(s) and the relief requested.
- c. Counsel for the Local Church and the Annual Conference Chancellor shall select a mutually agreeable arbitrator. If an agreement to select an arbitrator cannot be reached, Counsel for the Local Church and the Annual Conference Chancellor shall each appoint an arbitrator. Those arbitrators so appointed shall, within thirty days, appoint a third arbitrator. These three arbitrators shall then hear all claims and counterclaims raised as a tribunal. The third arbitrator, who was appointed by the other two arbitrators, shall serve as chair of the tribunal.

- d. The arbitrator/tribunal shall decide the procedures to be followed in the arbitration after consultation with the parties.
 - e. The tribunal shall have the power to grant any provisional or final remedy or relief that it deems appropriate, including conservatory measures.
 - f. The parties expressly waive and forego any right to punitive, exemplary, or similar damages unless any applicable law(s) requires that compensatory damages be increased in a specific manner.
 - g. The parties further agree that judgment may be entered upon the award by any court having jurisdiction.
 - h. Local Church shall be responsible for any and all fees, costs, expenses, or similar items charged by the arbitrator(s) or incurred as part of the arbitration (e.g., facility costs, stenographer, etc.).
16. If any action or proceeding relating to this Agreement or the enforcement of any provision of this Agreement is brought by either party hereto, Annual Conference shall be entitled to recover reasonable attorneys' fees, costs and disbursements, unless a court of competent jurisdiction determines that each of the material assertions made by Annual Conference as a basis for an action initiated by Annual Conference were not made in good faith or were frivolous.
17. This Disaffiliation Agreement, including its exhibits and related documents, supersedes any prior oral and written representations entered into by the parties that relate to its subject matter. Any waiver or delay by any party in enforcing this Disaffiliation Agreement will not deprive that party of the right to take appropriate action at a later time or due to another breach. Captions in this Disaffiliation Agreement are intended for convenience of reference only. Words, regardless of the number specifically used will be construed to include any other number, singular or plural. "And" includes "or." "Or" is disjunctive but not necessarily exclusive.

IN WITNESS WHEREOF, the Parties, intending to be legally bound, have caused their proper and duly authorized officers to execute and deliver this Agreement as of the day and year first written above.

3. To recommend to the annual conference for its action, procedures for dealing responsibly for situations in which budgeted funds, as approved by the annual conference, are inadequate to meet emerging missional needs or unforeseen circumstances;
4. Paragraph 613.12 - To work in cooperation with other annual conference agencies for the design and implementation of a plan by which the annual conference may designate the conference treasury as a central treasury for funds designated for any or all conference agencies participating in conference funds;
5. Paragraph 614.1 (d) - After consultation with the conference board of pensions, the council shall report to the annual conference the amounts computed by that agency as necessary to meet the needs for pensions and benefits programs of the conference. Such amounts need not to be derived solely from the apportionments;
6. Paragraph 614.2 - The council shall recommend to the annual conference estimates of administrative expenses of the annual conference, including its own expenses and those of the conference treasurer's office. It shall also consult with the conference agencies and officers to be included in the administrative budget regarding the estimated budgets of their expenses and base its conference administration budget recommendations on information thus received; and

Whereas the board of trustees is charged in *The Book of Discipline* with the following responsibility:

Paragraph 2512.3 (a) - The board of trustees shall have the following authority with respect to the properties of the annual conference and its agencies: a) The said corporation shall receive, collect, and hold in trust for the benefit of the annual conference any and all donations, bequests, and devises of any kind or character, real or personal, that may be given, devised, bequeathed, or conveyed to the said board or to the annual conference as such for any benevolent, charitable, or religious purpose, and shall administer the same and the income therefrom in accordance with the directions of the donor, trustor, or testator and in the interest of the church, society, institution, or agency contemplated by such donor, trustor, or testator, under the direction of the annual conference. When the use to be made of any such donation, bequest, or devise is not otherwise designated, the same shall be used as directed by the annual conference.

Whereas the annual conference is to approve the EPA designated funds and their use.; and

Whereas EPA regularly sells property and may have budget surpluses that need a uniform disbursement to funds to preserve capital (*Book of Discipline* 613.5) and the long-term health and mission of EPA; and

Whereas EPA has a \$580,000 share of a \$30,000,000 United Methodist settlement with BSA survivors, and

Whereas a consolidated budget of all clergy support, benevolence, program and administration is to be recommended by CFA for approval by the annual conference; and

Whereas the aligning of the EPA budget to advance the strategic direction, mission, goals and strategies of EPA is good stewardship and in the best interest of growing vital mission congregations; and

Whereas EPA must assess shared services and administrative fees to fund its expenses; and

Whereas the composite rate for health care billing was developed to support congregations in lower income communities and has created an increasing complex system that over time has increased the burdened on a smaller and smaller amount of churches to pay a greater share of health care billings, and that the original intent of the composite rate was to address billings in low income communities which the Journey of Hope economic justice plan now addresses; and

Therefore, be it resolved that the Eastern Pennsylvania Annual Conference adopt the 2024 Budget that includes the following:

1. A consolidated budget of all billings to congregations, EPA program ministry and mission, clergy support, administration, property, and general church apportionments.
2. Apportions congregations 7.2% for EPA shared ministry apportionments and 2.6% for general church apportionment.
3. Salary and support for four district superintendents and the two regional superintending teams.
4. The addition of one staff person to work with the southeast region so that both the southeast and northwest regions each have a person to assist congregations and clergy to make disciples of Jesus Christ and grow vital mission congregations for the transformation of the world and that the additional person have expertise in urban ministry.
5. Allocation of designated and restricted funds that follow the EPA fund policy, the conference designation of funds and donor restricted funds so that distributions are **consistent with the preservation of capital** (*Book of Discipline* 613.5, emphasis added).
6. Assess up to a 5% administrative fee for shared services and up to 1% administrative fee for restricted funds and trusts to pay for services EPA provides to agencies that includes but is not limited to EPA staff support, legal support, administration, technology, office space and all other services that must be provided to maintain the programs and operations of the specific ministry/activity and of EPA.
7. Provides qualifying congregations identified according to the Journey of Hope equity legislation that shared ministry apportionments, general church apportionments and billings be assessed according to the community income guidelines as approved in the 2022 annual conference.
8. Over the next 4 years health care billings will move to a single blended rate to provide adequate billing and payment for the cost of clergy and lay employee health care except for Journey of Hope equity congregations who receive a lower billing rate because they are in low-income communities (the blended rate is what each church with enrolled clergy members pay per enrollee. As it is now, the same rate applies whether the clergy person is single, married or has a family. This assists with appointment making and because of the Journey of Hope equity legislation congregations in low-income communities are assessed at a lower rate).
9. Provides a monthly remittance statement to congregations that include the following.
 - a. The total apportionment to the congregation for EPA shared ministry.
 - b. The total apportionment to the congregation on behalf of the general church.
 - c. Direct billings to the congregation from EPA, which includes but is not limited to, blended rate for active healthcare and incremental contributions for self-elected benefits (health, dental, vision, and health reimbursement accounts) for active pastors/lay employees, workers compensation, property insurance and back payments for past billings.
10. The following budget is submitted to accomplish the strategic direction, mission, goals, and strategies of EPA.
11. Historically, total church giving to the General Church funds has averaged 82-85%. As a commitment to Social Justice, and Racial Equity EPA shall ensure the two of the five funds General Conference Funds (Black College Fund and Africa University) are paid to the General Church at 100% if there is a surplus after year-end financial close. The approximate cost is \$26,000 based on current giving rates.

EPA Fund Policies, Processes, and Procedures

The world needs a strong EPA to transform lives and communities as we recruit and develop transformational leaders to make disciples of Jesus Christ and grow vital congregations to transform the world. Key to this mission are strategic funds that help fund present vital ministry and ensure a sustainable future mission and ministry for EPA.

The Board of Trustees and Council on Finance & Administration through an investment committee will ensure funds are invested in accordance with the social principles of the UMC and prudently to maximize gains so that balances keep pace with present AND future ministry needs. Further, the funds are overseen so that funds are only used for the designated or restricted purpose.

Funds are created to sustain the long-term health of the mission and ministry of EPA. By investing wisely and making prudent disbursements, they will continue to grow and provide financial support for the important ministry and mission of EPA. Healthy fund levels spur innovation and longevity of core ministry especially during financially challenging times. Appropriate levels enable EPA to do more with less support from shared ministry apportionment giving. *The Book of Discipline*, 613.5 indicates that CFA's aim is to maximize funds available for mission in a manner **consistent with the preservation of capital**.

Therefore, the Council on Finance & Administration, the Board of Trustees and the investment committee will adhere and ensure all agencies of or affiliated with EPA adhere to the following Designated Fund Policies, Processes and Procedures.

I. Two types of Funds shall be categorized:

- a. Donor *Restricted funds* shall be contributions from an individual, or group of individuals, with a restricted purpose that can only be changed by the individual(s) or their estate when so designated or by a legal process. EPA must use restricted funds for the purpose designated by the donor. Only the donor may restrict funds, not EPA. All restricted funds will be managed and dispersed according to the donor's restriction.
- b. EPA *Designated funds* are designated by the annual conference and are overseen by a designated body. The annual conference session may change the designated purpose as needed.

II. CFA will establish an EPA Fund Committee as follows:

- a. There shall be a nine-member Fund Committee made up of at least three persons from the CFA investment committee, the CFO/Treasurer and one person from each of the following agencies – the Board of Trustees, the Board of Benefits, Camp and Retreat Ministries Board, the Connectional Table, and the Cabinet. The Fund Committee is to report *at least twice a year* to each of the above agencies the state of each EPA designated funds including balances and disbursements made toward approved uses (as defined in this policy), progress towards the fund goal amount, and recommend to the Board of Trustees and CFA policy updates as needed.
- b. Every March and September, the six agencies (CFA, Board of Trustees, Board of Benefits, Camp and Retreat Ministries Board, Connectional Table and Cabinet) and any EPA mission partners who have funds invested shall meet jointly with the investment institution(s) to hear about each fund's short, medium and long-term performance, their expectations for the market based on the trends observed and their economic forecasts and a report on the social impact our funds are making to create a more just and socially responsible world. The names of the members of the investment committee and the charter, policies, and investment guidelines shall be published on the EPA website.
- c. EPA designated funds will have a goal. The goal is a target balance the EPA fund committee sets that should be attained over time. When the goal is reached, CFA, the Board of Trustees and the agency that carries out the ministry and mission of the fund will review the goal and see if it is adequate or if it needs to be adjusted.
- d. The CFA investment committee shall be responsible to make the investment decision for each fund. These decisions should be communicated to the CFO in writing or by email who shall then

be responsible for executing the necessary trades and reporting back the executions to the CFA Investment Committee in a timely manner. The investment committee's charter, policies and investment guidelines are to be incorporated into CFA's policies.

III. Fund Procedures

- a. **Fund Purpose Designation**
The Annual Conference shall identify and state the purpose of each fund. Any proposed changes in purpose shall be submitted as legislation according to the date set by the conference rules. If an amendment is made to the purpose or designation of a particular fund, CFA will have the opportunity to review its impact on the annual conference and/or a particular ministry prior to any vote being taken and make its recommendation to the annual conference session.
- b. **Fund Monitoring**
The Annual Conference shall identify who monitors the use of the fund. The group or individual who is to monitor shall ensure the policies governing the fund are followed and the use of the funds is achieving the desired purpose and impact. The individual or group that is to monitor the fund may designate authority to monitor the fund to another appropriate individual, but the assigned monitor must receive and report progress and any concerns.
Any use outside the fund purpose and policy is to be reported to the chairpersons of CFA and Trustees, and the bishop. For example, in the case of the Congregational Development Fund, the Connectional Table has been currently assigned the monitor of this fund and is to ensure the proceeds of the fund are being used for the stated purpose. The Fund Monitor has no direct access to the investment company to designate investment mix nor to the funds to initiate withdrawals. Only the CFA investment committee can designate investment mix and only the CFO, with approvals outlined in the policy in writing via email or letter, can execute the investment mix and withdrawals. The monitor is also to ensure any funds designated to urban congregations and ministry from the sale of urban property as identified in *The Book of Discipline* is to ensure that the at least the amount from urban property sales go to urban congregations and ministry.
- c. **Fund Disbursements**
In consultation with the fund's monitor(s), in the last quarter of the year, the investment committee of CFA will review market performance of the last year and recommend between a 0-5% disbursement to the Board of Trustees and CFA to be disbursed to the appropriate mission and ministry and used for mission and ministry for the coming year. The Board of Trustees and CFA are each to vote on the recommendation and the CFO/Treasurer is to make the disbursement as approved from the fund by November 15th. No further amounts are to be disbursed during the course of the year unless a need arises and then, as approved in letter "d" in the following paragraph. If a disbursement is not made in a particular year, they cannot be cumulatively disbursed in subsequent years - only the 0-5% set by CFA for that year may be disbursed.
- d. **Emergency Use and Needs of Funds**
Emergency use of designated funds may be approved if there is **insufficient** cash available for critical mission and ministry. An emergency is not defined as poor budgeting or overspending or under raising of income for the budget. These issues must be addressed in the budgeting process. Before taking an emergency disbursement, spending reductions and fundraising shall be applied first.
An emergency use requires a 75% approval of the board of trustees and CFA. The emergency usage is to be reported at the next annual conference session.
To the extent resources become available later, paying back the emergency disbursement should be a priority of the Treasurer, board of trustees and CFA.
- e. **Borrowing from Funds**
Borrowing from EPA designated funds is not recommended but can be considered for capital projects if it is in the best interest of the ministry and mission of EPA.
Only up to 20% of the fund may be borrowed and only with the approval of 75% of the Board of Trustees and CFA. The annual conference must be notified of any borrowings at the next session. These borrowings are to be paid back within five years at the market interest rate.
For example, borrowing may be requested to purchase a new district parsonage. Before approval is given to borrow, careful consideration must be given as to whether borrowing the money

commercially is more advantageous to the mission and ministry of EPA. Specifically, the opportunity cost of not being invested in the market as a result of making the loan should be considered.

BE IT FURTHER RESOLVED that the annual conference adopt the following fund names, descriptions, designations, monitor and purpose, and that the CFO/Treasurer inform the Board of Benefits of modifications to funds stewarded by The Board of Benefits.

SAFE SANCTUARIES

RESOLUTION #2023 - 10

Resolution To Update the Safe Sanctuaries Policy of the Eastern Pennsylvania Conference of the United Methodist Church

WHEREAS, Eastern Pennsylvania Conference of the United Methodist Church is committed to creating safe sanctuaries and

WHEREAS, the current policy having been approved in 2016, there have been changes since 2016 that justify the need to update the policy to meet current legal standards and

WHEREAS, due to COVID-19 and the disruption of face-to-face meetings that spawned virtual meetings, there is also justifiable concern that steps are needed to be taken that all are safe in the virtual space of ministry and the policy now includes application to virtual ministry

THEREFORE BE IT RESOLVED, that the Eastern PA Annual Conference update the safe sanctuary policy as follows below.

Person(s) Responsible for Presenting Resolution: Rev. Jacqueline D. Daniszewski

EASTERN PA UNITED METHODIST CONFERENCE

SAFE SANCTUARIES

INTRODUCTION

It is the responsibility of every local church to take steps to protect the well-being of children, youth, and personnel who work with them in the ministries of the church, as well as to comply with all laws of the Commonwealth of Pennsylvania. All churches safe sanctuaries policies follow the policies established by the Eastern PA Annual Conference policy which reference the Pennsylvania Child Protective Services Law which can be found currently at the time of the writing of this policy at <https://www.dhs.pa.gov/KeepKidsSafe/About/Pages/CPS-Laws.aspx>.

The Commonwealth of Pennsylvania periodically revises its child protective services law. It is the responsibility of every church to keep up to date on any changes to the law. The conference's policy does not quote from sections of the law but instead requires that churches comply with law as it is in force at any given time. All churches will follow the Eastern Pennsylvania Annual Conference in adopting the following as its Safe Sanctuaries: Reducing the Risk of Abuse in the Church Policy, which replaces all previous policies.

Additional information and resources may be found on the Eastern PA Conference website at www.epaumc.org or by contacting the Conference office at 800-828-9093.

SAFE SANCTUARIES

Reducing the Risk of Abuse in the Church Policy

May 2023

PREAMBLE

God has called us to make our ministries safe, protecting our children from abuse and exploitation. God has also called us to create communities of faith where children can be safe and grow strong.

Jesus taught “Whoever welcomes one such child in my name welcomes me,” (Mark 9:37 NRSV) and “If any of you put a stumbling block before one of these little ones...it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea” (Matthew 18:6 NRSV).

The Social Principles of The United Methodist Church state “...children must be protected from economic, physical, and sexual exploitation and abuse.” (Par. 162(D) *2012 Book of Discipline*)

At each child’s baptism, we affirm our responsibility to their safety by our congregational response, pledging:

“With God’s help, we will so order our lives after the example of Christ that this child, surrounded by steadfast love, may be established in the faith, and confirmed and strengthened in the way that leads to life eternal.” (The Book of Worship, Baptismal Covenant, Congregational Pledge II)

Building on these foundations, we recognize that our faith calls us to offer hospitality and protection to all children, as well as those who are committed to ministering to them as volunteers and employees. Every 15 seconds, a child is abused or neglected. Often, abuse occurs in places where children feel safe – homes, schools, camps, and even churches. In over three quarters of reported cases, the victim was related to or acquainted with the abuser. In light of this, the Eastern Pennsylvania Conference of The United Methodist Church has seen fit to establish this policy that can help to 1) prevent such abuse from happening in our churches; 2) make our churches places where children can feel safer in disclosing abuse; and 3) protect the volunteers and employees that minister to our children.

It is the policy of the Eastern Pennsylvania Conference that every church in the conference adopt a Safe Sanctuaries policy that conforms to the standards set forth in this conference policy. It is the policy of the Eastern Pennsylvania Conference that all conference and district ministries with children comply with the standards set forth in this policy.

Notwithstanding anything contained in this policy, it is the responsibility of every church in the conference to ensure that it is in compliance with all aspects of the Pennsylvania Child Protective Services Law (23 PA. C.S.A. 6301) which can be found at the time of this writing at <https://www.legis.state.pa.us/CFDOCS/LEGIS/LI/consCheck.cfm?txtType=HTM&ttl=23&div=00.&chpt=063.&CFID=246217912&CFTOKEN=44782272>. In the event that the law conflicts with this policy, the law shall control.

SCREENING AND SELECTION OF STAFF AND VOLUNTEERS:

Screening Standards:

All applicants for employment and/or volunteer service in which that applicant shall have contact with children in a manner which, under Pennsylvania law currently in force and as enacted and amended in the future from time to time, requires the person to obtain background clearances shall complete the following prior to start of service:

1. Written Application: a written application that shall include at least the following, but not limited to, information:
 - a. Name
 - b. Address
 - c. Phone Number (cell and/or home)
 - d. Email Address
 - e. Work/Volunteer History
 - f. Experience and skills related to the position
 - g. Two (2) personal, non-related references.
 - h. Disclosure that they have been informed of and will comply with Pennsylvania law that requires them to inform the church in writing of any arrest, conviction or child abuse report that would prohibit them from working with children. (23 Pa.C.S.A. 6344.3(g)(1))

2. Background Checks:

All background checks (PA criminal record background, Child Line check, and FBI clearance) required by the laws of the Commonwealth of Pennsylvania currently in force and as enacted and amended from time to time which can be found at the time of this writing at <https://www.dhs.pa.gov/KeepKidsSafe/Clearances/Pages/default.aspx> will be conducted for all employees and volunteers. The current law at the time of this writing is that a minimum of every 60 months (5 years) clearances from the date the of the first clearance are required to be resubmitted. In the case of FBI clearances, for volunteers only, an affidavit can be submitted if the person has been a resident of PA for at least 10 consecutive years. This can be found under **Disclosure Statements** at <https://www.dhs.pa.gov/KeepKidsSafe/Clearances/Pages/default.aspx>

(Every five years both will be conducted for all employees and volunteers.)

3. References: at least two references from persons not related to the applicant shall be obtained and contacted for all new applicants for employment or volunteer service.
4. Relationship with Church: all prospective volunteer workers with children shall have an active relationship with the local church for at least six months before being allowed to be in a supervisory role in activities for children; or twenty-four months of good standing at their previous church. (Documented by the Pastor with a letter from the previous church.)
5. Records: all written records shall be confidential and shall be kept in a secure location with access restricted on a need to know basis, to the Pastor, SPRC chair and/or Ministry Lead. All files (clearances, reference checks, training attendance, letters of recommendations from prior church, etc.) shall be maintained for thirty (30) years after ministry ends with the individuals. Files can be digitized and kept in a permanent online secure environment.

TRAINING:

All persons who have direct contact with children shall participate in training as required under the laws of the Commonwealth of Pennsylvania currently in force and as enacted and amended in the future from time to time which can be found at the time of this writing at <https://www.dhs.pa.gov/KeepKidsSafe/Pages/Trainings.aspx>.

Initial safe sanctuaries training for anyone new to working with children or youth shall occur and at a minimum covers reviewing and agreeing to this policy and the local church's specific policy. This training should occur prior to a person working with children or youth. Every year, some type of review training shall occur.

Those working as ministry leads are to be fully trained and fully cleared before working with any children or youth. Assistants who are not ever placed in charge of the ministry can be in process for training but need to have all clearances before working with children and youth. Training must occur within the first month of working with children and youth for any assistant.

SUPERVISION:

Supervision procedures are designed to reduce the possibility of abuse or exploitation of children, and to protect staff persons and volunteers from unfounded accusations.

Supervision Standards:

Programs and ministries in the church that are licensed or accredited by a licensing or accreditation body or that have formally adopted supervision procedures, and that receive pre-approval from the conference Board of Trustees shall follow their established requirements for the supervision children.

All other programs and ministries of the church shall use the following standards for the supervision of children.

1. The two-adult rule: regardless of the size group, there will always be at least two adults present. This may include the presence of an adult 'roamer' who moves in and out of rooms/ministry activities. These adults are to be non-related.

2. No child will be left unsupervised while participating in a ministry activity/event.
3. All ministry activities should occur in open view. Each room or space where ministry activities/ events occur must be open to public view. For example: enclosed spaces such as classrooms shall have a viewing window, a glass panel in the door, a ½ door configuration or an open door.
4. No person shall supervise an age group unless he/she is at least 18 years of age or older and is at least 5 years older than the children being supervised.
5. Ministry events involving transportation shall require a written consent form signed by the parent or guardian of the child.
6. Registration forms shall be completed and maintained by the ministry lead that lists allergies, medical issues/medications, permission to use photos, etc.

Online Standards:

The current policies and procedures as outlined here are relevant for any physical distancing requirements or virtual ministry activities or events. But also realize the need for best practices and how to apply our current policies in the virtual environment. During times of swift change that are unprecedented it can be easy to forget standing policies and procedures when working with children and youth. During times like these, it is even more important to be diligent and follow all of the screening policies as they may be overlooked when someone offers help in the virtual space.

Unfortunately, those who seek to abuse use times of confusion and change to their advantage. Again, these guidelines are not meant to prevent virtual ministry from happening but to ensure ministry occurs in safe ways in the virtual world.

Towards this end the following resources and guidance in applying safe sanctuaries policies to the virtual world are below. These resources and guidance do not replace legal advice, and are intended to be used in conjunction with this policy.

Three resources we recommend you review and utilize are:

- Discipleship Ministries, Young People's Ministries guidelines and resources can be accessed at <https://www.umcdiscipleship.org/articles/safe-sanctuaries-supporting-a-shift-to-online-youth-ministry-meetings>
- A Guide to Ministering Youth During a Time of Physical Distancing by Rev Angela Gorrell, PH.D. and Paul Gorrell and be accessed at <https://www.angelagorrell.com/resources>.
- "Safe Sanctuaries in a Virtual World." by Joy Thornburg Melton and Michelle L. Foster. Which can be purchased at <https://bookstore.upperroom.org/AdvancedSearch/DefaultWFilter.aspx?searchTerm=safe+sanctuaries+in+a+virtual+world>

Here are the top five best practices to apply our safe sanctuaries policy to the virtual world.

1. Still use the two-adult rule so that there is NEVER one-on-one contact. At no time should one adult be holding any one-on-one conversations with any youth without other adults knowing there are conversations occurring. In addition, online meetings need to begin with two adults, not from the same family, and then allowing youth to join.
2. Still use all selection, screening and training policies. In the virtual world and space, it may feel right to let new volunteers that are untrained and lack clearances to lead discussions. Any online discussion should be considered no different than a face-to-face meeting. Volunteers need to be screened and trained before taking on leadership roles.
3. Use "ministry-based" on-line platform accounts instead of personal accounts. This means the local church should own the on-line account with access by several church leaders and/or staff so there is accountability of meetings.
4. Maintain the same communication with parents and youth about meetings including times and links to access the meeting. This way everyone knows what is going on. With younger children, under sixth grade, syllabus and activities should be shared with parents or caretakers prior to online meetings so everyone is transparent as to what is occurring. For children sixth through twelfth grade, leaders should provide parents

and caretakers with the same outlines of meetings and topics that are typical for your youth group with more transparency being utilized than less.

5. If your current release forms do not give you permission for picture/video sharing either get them updated or do not share pictures/videos of virtual meetings. This includes tagging your youth in the virtual environment. If you do not have permission do not post and tag them.

REPORTING:

Reporting of any allegation of child abuse shall be done in accordance with the laws of the Commonwealth of Pennsylvania currently in force and as enacted and amended in the future from time to time.

It is essential that all employees and volunteers who have contact with children in a manner which, under Pennsylvania law currently in force and as enacted and amended in the future define them as a mandated reporter have a legal responsibility under the law to make a report directly to public child welfare officials any time they have reasonable cause to suspect abuse has occurred. Failure to comply with this requirement can lead to civil and/or criminal penalties for the employee or volunteer.

The Pastor and District Superintendent shall be notified if the alleged perpetrator is a staff person or volunteer of the church. If the alleged perpetrator is the Pastor the Chair of SPRC should be notified immediately and will notify the District Superintendent.

In the event that a member of the clergy becomes aware of suspected child abuse as a result of confidential communication which is protected under 42 PA C.S. 5943 (relating to confidential communications to clergy), the conference legal counsel should immediately be consulted.

PASTORAL RESPONSES FOR REPORTS OF ALLEGATIONS OF ABUSE:

Any allegation of abuse requires a process to address responding to the victim, the alleged perpetrator, and the press. The response must be quick, compassionate and unified. All allegations will be taken seriously.

Pastoral response is NOT an investigation of the alleged abuse. The investigation is the responsibility of public officials (child welfare and/or law enforcement). In all cases of reported abuse, there shall be cooperation with all official investigating agencies.

Response to victims of abuse:

In the instance of any allegation of abuse, there shall be a reaching out to the victim and the victim's family. Pastoral resources shall be extended, and the conference I-Care Team can be contacted to assist in providing this service. The care and safety of the victim shall be considered the first priority. Response to the victim and the victim's family shall be done in a positive and supportive manner.

The parents of the victim shall be notified, and steps shall be taken to address the safety and well being of the child until the parent(s) arrive. However, if one or both of the parents is the alleged abuser, the direction of the child welfare authorities shall be followed concerning notification of others.

Response to all alleged perpetrators of abuse:

In the instance of an allegations of abuse there shall be a reaching out to the alleged perpetrator and the perpetrator's family. Pastoral resources shall be extended, and the conference I-Care Team can be contacted to assist in providing this service. Response to the alleged perpetrator and the perpetrator's family shall be done in a supportive way.

The alleged perpetrator shall immediately, yet with dignity and respect for their sacred worth, be removed from further involvement with children and advised that there has been an allegation of abuse. Details of the allegations of the abuse shall not be discussed with the alleged perpetrator at the time of removal. In any

removal of a staff member or volunteer from any activity/ministry, care shall be taken to handle the removal in a discreet manner.

When it has been alleged that a member of the church staff or a volunteer, has committed an act of abuse, the staff member or volunteer shall be required to refrain from all ministry activities/events with children until the incident has been fully resolved by the appropriate state authorities and/or in accordance with *the Book of Discipline*.

At that time, a meeting shall be held with the employee or volunteer to discuss the incident(s) that led to the report being made. Even if the public agency determines the report to be unfounded, the church has the right to prohibit the volunteer or employee from resuming working in ministries with children based on the facts and circumstances available at that time.

Response to the Media:

In consultation with the presiding bishop, the District Superintendent, the Conference Director of Communications and pastor shall decide on a single spokesperson for contact with the public/media. All media requests for statements shall be directed to that spokesperson.

Building Use Agreements

For any group that is a non-ministry group of the church that enters into a building use agreement with the church and/or trustees of the church and works with anyone under 18 that group needs to:

- Follow this safe sanctuary policy and complete all application, training and background checks before the building can be used and comply with the policy as the building is being used

or

- Provide a safe sanctuary policy of the group that meets the minimum of this policy and is approved by the church's trustees and Pastor Staff.

With either option the building use agreement shall identify which option is chosen.

Resources of samples on the EPA website

Many samples of forms are provided by the conference Safe Sanctuaries Team and can be found at <https://www.epaumc.org/safe-sanctuaries/>.

Compliance: Compliance with this policy shall be a matter of record at each annual Charge Conference.

VULNERABLE ADULTS

RESOLUTION #2023 - 11

Resolution To add a Vulnerable Adult Policy of the Eastern Pennsylvania Conference of the United Methodist Church

WHEREAS, Eastern Pennsylvania Conference of the United Methodist Church is committed to creating safe sanctuaries and

WHEREAS, there is no current policy that covers the safety of vulnerable adults and

WHEREAS, current issues of abuse with vulnerable adults and current legal standards justifies the need to have a policy for vulnerable adults

THEREFORE BE IT RESOLVED, that the Eastern PA Conference adopt the below Vulnerable Adults Policy for use in congregations.”

Person(s) Responsible for Presenting Resolution: Rev. Jacqueline D. Daniszewski

EASTERN PA UNITED METHODIST CONFERENCE SAFE SANCTUARIES Vulnerable Adults Policy

Note: What follows is policy for local churches to utilize in adopting policies to protect vulnerable adults. It is not meant as legal advice, nor is it intended to cover every situation. For example, if a local church operates an “older adult daily living center”, a “personal care home” or other facility as that term is defined in the Pennsylvania Adult Protective Services Act or the Older Adults Protective Services Act, additional requirements may apply.

Additionally, this policy is meant to start the conversation. Safe Sanctuaries is a process, not a product. Allow your congregation the time to analyze how best to do ministry in a manner that is safe for all of God’s children.

Because the tragedy of abuse of Vulnerable Adults is a reality in our world, and because we recognize the spiritual imperative to provide a safe and protect environment, the conference has developed this Vulnerable Adults Policy to realize our commitment to the safety and spiritual growth of Vulnerable Adults in our activities.

The church, at all levels of its organization, is entrusted with the responsibility of providing an emotionally and physically safe, spiritually grounded, healthy environment for activities of Vulnerable Adults, in which they are protected from abuse.

Abuse means the willful infliction of physical pain or injury or mental anguish, unreasonable confinement, or the willful deprivation of services which are necessary to maintain a person’s mental and physical health.

Exploitation means the act or process of illegally or improperly using a person or his resources for another person’s profit or advantage.

Neglect means an act or failure to act which results in the inadequate provision of care or services necessary to maintain the physical and mental health of the vulnerable adult, and which places the vulnerable adult in a situation which can result in serious injury, or which is life-threatening.

Staff Person – Any person employed by the Church who is responsible for overseeing organized activities of Vulnerable Adults. Throughout this document “Staff” will be interpreted to mean each staff person.

Volunteer – A person, eighteen (18) years of age or older, who assists in conducting organized activities of Vulnerable Adults.

Vulnerable Adult means a person, eighteen (18) years of age or older who has a physical or mental impairment that substantially limits one or more major life activities. (Adult Protective Services Act of 2010).

Rules for Ministry with Vulnerable Adults

1. This policy – including reporting procedures – is mandatory for all Staff and Volunteers. Failure to comply with this policy may result in disciplinary action, up to and including termination. Each congregation shall ensure that all staff and Volunteers are provided with a copy of this policy.
2. No Staff Person or Volunteer may engage in any form of neglect, abuse, or exploitation of a Vulnerable Adult.
3. Persons leading any group containing Vulnerable Adults must be 18 years of age or older.

Volunteers and Staff Person(s) will undergo appropriate background checks as stated in the Child and Youth Safe Sanctuaries policy. No individual may serve as a Volunteer or Staff person if such individual has been convicted of an offense that would disqualify them from employment at a facility under the Older Adults Protective Services Act (<https://www.legis.state.pa.us/cfdocs/legis/LI/uconsCheck.cfm?txtType=HTM&yr=1987&sessInd=0&smthLwind=0&act=79&chpt=5&sctn=3&subsctn=0>). Note that this list differs from the list of disqualifying offenses for those who work with Children so both lists need to be checked if volunteers and/or staff are working with both groups.

4. The two-adult rule – Regardless of the size group, there will always be at least two adults present. This may include the presence of an adult ‘roamer’ who moves in and out of rooms/ministry activities. These adults are to be non-related.
5. Attendance, including of Staff Person(s) and Volunteers, should be taken at every church function where a Vulnerable Adult is present records of attendance should be retained as stated in the Child and Youth Safe Sanctuaries policy.

Reporting Procedures

Any staff person or volunteer who suspects incidents of Abuse, Neglect, or Exploitation of a vulnerable adult shall report to the Adult Protective Services hotline at 1-800-490-8505 and to the pastor, who shall notify the appropriate district superintendent. If the pastor is suspected to be involved in the Abuse, Neglect or Exploitation, the staff person or volunteer shall report to the Adult Protective Services hotline and report to the SPRC chair, who shall be responsible for notifying the district superintendent.

Response Procedures

Staff or volunteers should not undertake an investigation of the incident themselves. This is the role of Adult Protective Services and various county protective agencies. However, in all cases of reported Neglect, Abuse, or Exploitation of Vulnerable Adults, all Staff Persons and Volunteers shall cooperate with all official investigating agencies.

Response to the Media

In consultation with the presiding bishop, the District Superintendent, the Conference Director of Communications, and pastor shall decide on a single spokesperson for contact with the public/media. All media requests for statements shall be directed to that spokesperson.

Older Adults

This policy also applies to any adult 60 years or older who experiences abuse, neglect or exploitation as defined above.

When individuals 60 years or older experience any of the listed causes of concern above, follow the response and reporting procedures above. In those cases where ministry is occurring and there is increased risk of abuse,

neglect or exploitation of an individual 60 years or older, church leaders should use this policy to help mitigate that risk.

WHEREAS in November of 2022, and in historic fashion, a resolution in support of a U.S. Regional Conference was adopted at all five Jurisdictional Conferences.

THEREFORE BE IT RESOLVED that the Eastern Pennsylvania Annual Conference supports the expressed intents of the Christmas Covenant and Connectional Table legislation, including the creation of Regional Conferences in Africa, Europe, the Philippines, and the U.S., respectively; and

BE IT FURTHER RESOLVED that the Eastern Pennsylvania Annual Conference recognizes and supports the leadership of our Central Conferences in the creation and furtherance of the Christmas Covenant as well the Connectional Table's future visioning on behalf of our worldwide fellowship; and

BE IT FURTHER RESOLVED that the Eastern Pennsylvania Annual Conference urges the Council of Bishops to expedite the process of voting on the constitutional amendments necessary to enact the regional conferences legislation, calling special sessions of annual conferences where necessary; and

BE IT FURTHER RESOLVED that in line with the intent of the non-disciplinary petition submitted by the Connectional Table, the Eastern Pennsylvania Annual Conference requests the Council of Bishops to immediately appoint a 20-25 member Interim Committee on Organization for a US Regional Conference to develop and propose to the 2024 general conference the structure and organization of a US Regional Conference. In line with the CT's legislation, this body would organize and plan for the establishment and functioning of a new United States Regional Conference comprising the five jurisdictions of the United States. Committee membership should have a minimum of 3 members of each US jurisdiction, 3 central conference members and shall meet standards of racial and gender diversity. The Committee should recommend a structure for the US Regional Conference including considerations such as its membership, committee structure, meeting time, agency, and function; and

BE IT FURTHER RESOLVED that the Eastern Pennsylvania Annual Conference secretary shall send copies of this resolution to all delegates to General and Jurisdictional Conferences, including alternates, to the Commission on the General Conference, and to the Council of Bishops.

Person Responsible for Presenting Resolution: Rev. Robin Hynicka on behalf of the Arch Street United Methodist Church Council

The process of disaffiliation by a local church is not finalized until a simple majority of the annual conference acts to approve the motion for disaffiliation (Judicial Council Decision 1379). Therefore, the EPA Conference calls for a Special Session of the Annual Conference (Pursuant to BOD Par. 603.5.6), in November 2023, in consultation with the Bishop, whose purpose shall be to vote on all pending requests for disaffiliation. The session shall be organized by the Commission on Conference Sessions.

RESOLUTION: EPA CONFERENCE OFFICE BUILDING

RESOLUTION 2023 - 16

Relating to the care and upkeep of the EPA Conference Office Building

**Presented by Irene Dickinson, CFA President and
Mary Catherine Miller, Trustee President**

WHEREAS the Eastern Pennsylvania Conference Center was built in 1976 as a state-of-the-art facility, and

WHEREAS the conference office is owned in full, with no debt, and

WHEREAS the office is exhibiting signs of deferred maintenance such as peeling wallpaper, broken window seals, broken floor tiles, water damage, stained and torn carpet, outdated restrooms and kitchen areas, and

WHEREAS upgrades are needed to key systems: IT, plumbing, electrical service, fire suppression system; and

WHEREAS the office space has been adapted over the years resulting in a heating and cooling system that is no longer efficient and space that does not accommodate the office needs of our growing staff, and

WHEREAS the building does not have up-to-date safety features such as accessible, ADA compliant restrooms, safe sanctuary door glass panes, camera monitoring, and front entry security, and

WHEREAS it is important for the United Methodists of Eastern Pennsylvania to maintain an office center that represents us in the community and offers space for ministry and growth,

THEREFORE, BE IT RESOLVED that the Eastern Pennsylvania Conference use up to \$750,000 of budget surplus from 2022 actual and anticipated 2023 to remodel, address deferred maintenance and upgrade systems at the conference center in Valley Forge, and

BE IT FURTHER RESOLVED that if it provides cost reduction and time efficiency, the office staff will work from home through the duration of the remodel.

REGARDING CHURCHES LEAVING THE DENOMINATION

RESOLUTION 2023 - 17

BE IT RESOLVED, the Eastern Pennsylvania Annual Conference supports and encourages the bishop, district superintendents and district board of church location to utilize paragraph 2549.3(b)'s ad interim procedures to protect any local church's property, for the benefit of the denomination, if that local church takes steps to leave the denomination without following the Disciplinary process. This is not intended to apply to churches that are exploring and/or enforcing their rights under Pennsylvania civil law but have otherwise not taken any action to sever their connection to the United Methodist Church. When it next meets, the annual conference will decide whether to formally close the local church.

REPORT OF THE CABINET

“With man this is impossible, but WITH GOD all things are possible.”

Matthew 19:26 (NIV)

As we ponder where we have been over the past year of this conference, a few things are crystal clear. The COVID-19 pandemic has changed the landscape of the society, impacting our communities and especially our congregations. The life of the congregation is no longer centered around communal gatherings one or more times a week. The familial connections within congregations and our communities have been disrupted in ways that we cannot yet grasp the ultimate result. In a real sense, we are in the process of rebuilding our lives from a time of confusion and chaos which has not been experienced in human history for a long time. And that is only in relation to the pandemic.

While in the midst of a health crisis, the socio-political climate has also experienced unforeseen challenges. These challenges have led to a society in uncertain waters. There is concern about where all of this will lead. Usually, it is during these times that the global human community looks to their faith community for leadership, support, and direction. With the faith community in flux, the society is floundering. It is time that we, the people of God, recommit to the mission which Jesus Christ left for us. (Matthew 28:18-20), and we’re doing just that.

This is a time of possibility, a time of endless opportunities. Renewal can happen now with a vision toward the future not just for the congregation, the church, the denomination, but for the world. The time is now to provide the people of God with the vision, the skills, the training, and the leadership for such a time as this. This has already begun over the past year through the vision and leadership of our bishop, John Schol.

This year EPA and GNJ moved into a state of alignment, being closely affiliated or associated but not merging. Both conferences under the leadership of Bishop John Schol will work in tandem to share ideas, resources, staff, planning, envisioning, strategies, and much more. The benefits of alignment are already evident as we look forward to the new normal.

We have additions to our conference staff and changes within the staff. While we still have four districts and four district superintendents, the districts are grouped into two regions (the South-East region and the North-West region) with one regional administrator for each region, one regional director, and four assisting elders per district. The restructuring is designed to strategically support the work of churches and districts. It also maximizes time, efforts, and resources, while minimizing repetition and duplication.

The Bishop and Cabinet, along with the clergy and lay leadership of the conference have been focusing their efforts on equipping the church to renew itself, its community, and ultimately, the society for the current age. The thought has been to re-equip the Body of Christ for this time of renewal focusing on transformational leadership. There are coaching relationships and mentoring relationships to provide ongoing support for the new mission and ministry opportunities which will emerge. To provide the leadership, support, and guidance for the renewed vision, the Cabinet along with the new assisting elders are receiving specialized training in outward mindset through the Arbinger Institute, as well as on-going coaching training. This training will equip them to provide insights into new ways of supporting pastors and laity to lead their congregations into vitality and growth. The renewal of vision is expanding to the congregations through the new Pathways initiative, which is providing coordination of the lay and pastoral leadership to move with mutual clarity to fulfill the goals for ministry. Pathways has already had more than 50 churches participating with more signing up for the May roll out.

There is a definite need to bring persons together to establish dialogue which will lead toward a new consensus of what it means to be a community of believers. This was facilitated by meetings under the Courageous Dialogue initiative. Clergy and laity met to listen and seek ways to move ministry forward as a renewed unified community leaving behind the differences which have resulted in division.

We relish the benefits of Tools for Ministry and other leadership development events, but we look forward with great anticipation to the beginning of the new Leadership Academy. It will bring a vigor and vitality to leadership development, as well as a more comprehensive approach. The launch of the academy in February was a grand success with the efforts of both EPA and GNJ.

With the discussion of the renewal of our congregations in mind, through the 2022 Annual Conference Economic Justice resolution, EPAUMC has committed to the revitalization of 10 churches of Color; establishing 4 new faith communities & 10 new ministry centers by Dec. 31, 2026 and right-sizing apportionments. Overall, through the COVID-19 years, EPA has offered a myriad of resources, support, seminars, and programming to assist congregations. Grants were awarded to fund eight new Wholeness Centers with additional grants available for congregational development and new initiatives.

In addition to the pandemic, we had other challenges. Moving through the Boy Scouts of America's pending bankruptcy proceedings was difficult, but we were blessed to have Bishop Schol's leadership to guide the denomination. We also faced and are still finalizing Disaffiliation procedures. District superintendents, disaffiliation guides, and conference staff worked efficiently and effectively to address matters of importance.

There have been ups and downs, successes and challenges. When we look at the myriad of concerns that were before us through our natural eyes, victory seemed impossible, but Scripture reminds us that "with God all things are possible." We made it this far climbing mountains, removing barriers, and creating new landscapes, and we're not turning back now.

PATHWAYS: A JOURNEY OF HOPE

A Church for All People Serving All People With Justice & Equity 2023 Report to the Eastern PA Annual Conference from the Economic Justice Team

In 2022, Eastern PA Annual Conference passed legislation “A Path Towards Wholeness.” A Path Towards Wholeness is an urgent calling to our Conference to adopt a comprehensive strategy in order that all of our churches and communities may experience wholeness. We understand that only through a just and equitable church will wholeness be possible for all of our churches. Racial economic justice means building economic/financial systems and processes that enable all people to live more equitably in all areas of life. This requires us to address some of the inherited system inequities within our congregation and the resulting disadvantage of churches of color.

A Path Towards Wholeness continues this work to create ***a more just, inclusive and equitable church***. We seek to act **NOW** by creating:

- **N**ew ministries and revitalized ministries with churches of color;
 - **O**pportunities for advancement with churches of color and clergy of color in leadership and ministry; and
 - **W**itnesses in every local congregation who will work to dismantle racism in our churches and communities
1. **N**ew ministries and revitalized ministries with churches of color:

Transformational Measures and Actions:

- Provide funding and other resources, including but not limited to equitable salary and benefits, technology, training and consultants that will strengthen and increase the vitality of 10 existing congregations of color by Dec. 31, 2027 (Assigned to CCFA & Extended Cabinet)
 - Develop 4 new faith communities of color, including at least 1 new Black faith community, by Dec. 31, 2027 by using new technologies and innovative strategies. (Assigned to Extended Cabinet & CDT)
 - Develop 10 Hope Centers serving racial/ethnic communities with a focus on locally based missions that intentionally connect, engage, and partner with their communities for sustainable transformation. Include Black & Indigenous Persons of Color (BIPOC) and community leaders and representatives to assess community needs and design plans to strengthen and resource identified needs. Foster relationships with local businesses and organizations in order to operate in an asset-based development model. Train congregations and community leaders through the Ministry Center in cultural awareness and to assist congregations to serve the people in their communities. (Assigned to Extended Cabinet, CDT & Urban Commission)
2. **O**pportunities for advancement with churches of color and clergy of color in leadership and ministry:

Transformational Measures and Actions:

- \$300,000 Investment in 2023; \$300,000 Investment in 2024, with a conference goal of 1.5M investment by Dec. 31, 2027, in clergy of color and churches of color through equitable salary; reduced apportionments and targeted development funding. (Assigned to CCFA; Cabinet; CDT & Urban Ministries)
- Using Eastern PA median household income, apportion (Connectional Ministries Fund - CMF) all EPA churches using the following metrics:
 - Communities with median household income \$35,000-40,000 – apportion at 70% of current figures.
 - Communities with median household income \$30,000-34,999 – apportion at 65% of current figures.
 - Communities with median household income \$25,000-29,999 – apportion at 60% of current figures.

- Communities with median household income \$20,000-24,999 – apportion at 55% of current figures.
- Communities with median household income below \$20,000 – apportion at 50% of current figures.

With concern for gentrification, we are using the median household income related to that church's specific race or ethnicity.

Those who believe they should be considered for a greater reduction may petition the Cabinet. (Assigned to CCFA & Cabinet)

- At least 50% of EPA agency chairpersons/co-chairs are People of Color by June 2027 (currently 41%) (Assigned to EPA Conference Committee on Leadership)
 - Increase the total number of African American/Black; Hispanic/Latino & Korean clergy serving in EPA by 20% by 2027 (13 new recruitment) (Assigned to Board of Ordained Ministry and Cabinet)
 - Development of 10 clergy of color transformational leaders measured by increase from ¼-½; ½ - ¾ and ¾-Full-time positions by Dec. 31, 2027. (Assigned to Cabinet)
 - Ensuring accountability to equal pay for equal work by conducting regular administrative compensation reviews and consistent adherence to policies. (Assigned to Human Resources)
3. **W**itnesses in 90 local congregations who are culturally competent to lead EPA and its congregations to dismantle racism and will work to dismantle racism in our churches and communities:

Transformational Measures and Actions:

- Thirty (30) trained EPA facilitators who are actively engaged with 90 congregations that are developing a Dismantling Racism Plan in their local context (Assigned to DCM/Commission on Religion and Race)
- Create an anti-racism audit to be used in pilot local churches as part of the charge conference process by June 2023 and all local churches by June 2027. (Assigned to the Healing the Wounds of Racism Core Team)
- Provide intercultural competence and implicit bias training materials for leaders and congregations by June 2023 (Assigned to CORR; CR/CC Support Team of Companions & Trainers)

As adopted by EPA Annual Conference in 2022, the above measures and actions shall be the priority of the Annual Conference for the next five years and modified as needed to adapt to the changing needs of the conference in order to create a more just, inclusive and equitable church. Each year, the Path towards Wholeness Team, along with the EPA executive staff, shall report to the Annual Conference the progress on the objectives:

1. The number of new clergy of color recruited and in process towards candidacy in EPA and their retention rate:

There are currently 14 clergy of color candidates in process

- Inquiring Candidates 3
- Certified Candidates (Licensed Local Pastors) 4
- Certified Candidates (Deacon track) 2
- Certified Candidates (Elder track) 2
- Provisional 3

Clergy of Color ordained 2022: 1

National Plan Certified Lay Ministers: 6

2. The number of new faith communities of color and how these faith communities are being resourced for future viability. Currently two new faith communities of color are in the development process:

- Mohnton: New Hope New Faith Community: Resourced through the Latino Commission and CDT CDT Grant - \$15,000 for pastor's salary
Latino commission - \$5,000 for pastor's salary
Calvary UMC - \$5,000 for operational expenses
Deweese Grant - \$2,500 for evangelism and outreach
- New faith community newly developed in Fall 2022: Reading: New Shepherd—led by two missionaries and Rev. Manfredo Martines. Resourced through the Latino Commission - \$1,500 for operational expenses

3. The number of ministry centers and plans for future sustainability

6 New Hope Centers have been established and funding has been provided through Urban Commission and The Congregational Development Team. \$41,500 total funding (\$30,000 to churches of color)

- Arch Street UMC
- First Church of Lancaster UMC
- First Church of Media UMC
- Midtown Parish UMC
- Mother African Zoar UMC
- Trinity UMC

4. The number of racial/ethnic churches engaged in a process of revitalization

- South-East Region— 4 churches of color engaged in Pathways
- North-West Region— 1 church of color engaged in a process of revitalization

5. The percentage of congregations in EPA that have taken the step to become Witnessing Congregations

All congregations engaged in Pathways (67) will include a component of intercultural competency training through the 18-month cycle.

Pathways: Journey of Hope congregations – 1 (Sept); 1 (Nov); 3 (Feb.)

EPA trainers are currently trained to provide on-the-ground training to congregations.

6. The number and amount of grants given to African American and other ethnic congregations –

EPA awarded 32 grants totaling \$152,123 from the following granting sources:

- Metro Ministries
- Urban Commission
- Latino Commission
- Equitable Compensation
- Congregational Development Grants

7. The number of racial/ethnic churches that are receiving reductions in apportionments and the percentage of reductions

23 racial/ethnic churches are receiving reductions of 30-45% (Connectional Ministries Fund) Full amount at \$113,531 reduced to \$39,496 with a total reduction \$74,035

The reductions are based on the following formula:

Using Eastern PA median household income, apportion (Connectional Ministries Fund - CMF) all EPA churches using the following metrics:

- Communities with median household income \$35,000-40,000 – apportion at 70% of current figures.
- Communities with median household income \$30,000-34,999 – apportion at 65% of current figures.
- Communities with median household income \$25,000-29,999 – apportion at 60% of current figures.
- Communities with median household income \$20,000-24,999 – apportion at 55% of current figures.
- Communities with median household income below \$20,000 – apportion at 50% of current figures.

8. The number of policies that have been reviewed and edited to ensure equity and consistency

Equitable compensation process has been reviewed. For 2023, the recommendation is for a 4% increase for minimum salary. The economic justice team recommends a review of the racial and ethnic membership of the equitable compensation team, as well as a review of salaries, with particular attention to consider premium pay for clergy serving in urban demographics and analyze salaries to consider compression adjustments for clergy in underserved areas; population centers exceeding 50,000 (BOD) and/or first suburbs.

EPA Committee on Leadership is currently reviewing the number of persons of color in leadership roles (41% persons of color currently serve as chairpersons and vice chairpersons). The Economic Justice Council recommends review of district teams, specifically District Committees on Ministry, ensuring representation of laity and clergy of color, including having Spanish-speaking team members

Through grants, equitable compensation and apportionment reductions, EPA investment in Churches of Color through current Economic Justice Council initiatives total \$267,658.

We are thankful for the work that has happened from June 2022 through the present and know there is much work to be done. We will continue to monitor progress and report to the 2024 Annual Conference the future progress towards economic justice in EPA.

PENSION REPORT

EPA Board of Benefits

The Book of Discipline of the United Methodist Church authorizes The Eastern Pennsylvania Board of Benefits (The “Board”) with the administration of the pensioning and health care of clergy and lay conference and United Methodist local church staff. The board works closely with Wespath Benefits and Investments to implement and interpret denominational and conference policies.

1. Pension

a. Pre-1982 Pension Plan

- i. The 2023 Past Service Annuity Rate for pre-1982 annuitant payment will be \$521.
- ii. The Pre-82 program continues to be funded at 100%. The Board, in conjunction with CFA, continues to bill \$431,919 as a % of the local church AGTP to bring our standing up to 106% funding so that we are prepared for economic downturns in the market. In 2023, we will collect half of an advance payment of approximately \$250,000 to raise the PSR for 2025.

b. CRSP/MPP and CPP

- i. The General Conference’s pension plan, Clergy Retirement Security Program (CRSP) is a hybrid of defined benefit and defined contribution approaches that took effect in 2007. For 2023 churches pay CRSP in three parts.
 1. Clergy receive contributions to CRSP-DB based upon their percentage of appointment. 100% = \$6,000 per year; 75% = \$4,500; 50% = \$3,000.
 2. CRSP-DC is a mandatory 2% of plan compensation.
 3. CRSP-DC also has a mandatory up to 1% match per pastor’s up to 1% contribution to UMPIP. Clergy are encouraged to contribute much more than 1%.
 - a. In 2020, the Conference approved an automatic enrollment at 1% contribution to UMPIP. Participants must waive to decline this enrollment.
 4. CPP, the conference death and disability coverage is paid by a 3% of plan compensation assessment for clergy appointed 100%.
- ii. The 2012 General Conference enacted changes to the Clergy Retirement Security Program. Effective 1/1/2014 for all contributions going forward, the CRSP Defined Benefit component was reduced from 1.25% of DAC to 1.0% of DAC.
- iii. For clergy appointed to 1/4-time appointments, a vote of the Board has made UMPIP available as a pension option for those clergy. Please get in touch with Jo Fielding, Executive Director, Board of Benefits, for more information on this option.
- iv. To maintain clergypersons’ participation in CRSP/UMPIP and CPP, the EPA Conference fully pays delinquent church accounts using reserve funds.

c. Pre-Retirement Seminar

- i. The Board sponsored a retirement education session held virtually via Zoom on March 31, 2022. We intend to hold an in-person meeting on March 31, 2023.
- ii. The pre-retirement seminar focuses on those anticipating retirement within five years, with a special session for those in this year’s class of retirees. Presentations were made by Todd Creviston and Frank O’Brien of Wespath Benefits and Investments, as well as an EY representative.
- iii. An engagement box was sent to each participant, which contained a retirement devotional, a water bottle, exercise bands, and a healthy snack.

2. Health Insurance

a. HealthFlex – Active and Pre-65 Participants

- i. The Board continues to sponsor the HealthFlex Exchange medical plan offered by Wespath Benefits and Investments. The options include six medical plans, three dental and three vision plans. Also available through the HealthFlex Exchange are Flexible Spending Accounts (FSA) and Health Savings Accounts (HSA).

- ii. The medical provider network is Blue Cross/Blue Shield; the pharmacy benefits are provided through OptumRx and Walgreens. Participants pay the actual cost of the premium minus a premium credit. The participant pays any cost exceeding the premium credit approved by The Board each year.
- iii. For 2022, The Board has set the default medical plan as the H3000 with no HSA conference funding. Selection of this plan potentially provides an opportunity for excess premium credit that may be used for qualifying medical expenses (such as co-pays and deductibles) or toward purchasing dental and vision plans. The excess premium credit and any personal HSA contributions are accessed through a MasterCard branded debit card, or via a reimbursement form.

1. The following chart shows the 2023 premium credits set by the Board.

Clergy MONTHLY Premium Credit

P (only)	\$832
P + 1	\$1,571
P + Family	\$2,145

Laity	\$695
-------	-------

2. The following chart shows church premium rates in effect for 2022. These rates reflect a tiered method based upon the local church AGTP, which the Board instituted in 2019 to provide a more equitable method of invoicing local churches for health insurance premiums. A composite rate reduces healthcare costs as a factor in determining clergy appointments. This composite rate funds the premium credit and the stipend given to active clergy in the post-65 plan.

3 Year Average AGTP	2023 Annual Church Composite Rate
Over \$1 M	\$ 17,500.00
Over \$500 K	\$ 16,750.00
Over \$350 K	\$ 15,750.00
Over \$250 K	\$ 14,750.00
Over \$200 K	\$ 13,750.00
Over \$150 K	\$ 12,750.00
Over \$100 K	\$ 11,750.00
Over 75 K	\$ 10,750.00
Under 75K	\$ 9,750.00

3. The Board thanks all churches that fully paid their health insurance premiums in 2022. Overall, churches paid 89% of the total \$2,60141 billed in 2022. Additionally, churches paid \$91,302 of our prior years' deficit of \$1,531,379.

a. Via Benefits – Post 65 Active and Retired Clergy

i. Retired Clergy

1. Beginning in 2015, The Board outsourced retiree healthcare. In 2019 we changed to Via Benefits in conjunction with Wespeth Benefits and Investments, for Retirees, aged 65 and older. Via Benefits offers the retiree Exchange with Willis Towers Watson which includes hundreds of options to supplement the participants' Medicare Parts, A & B, including Part D prescription plans. Participants receive a stipend based on retirement date and years of service. The conference bills local churches \$1 million through the Retired Clergy Pension and health fund to administer this plan and fund the below stipends.
 - a. \$2,550 for each Pre-2003 Retiree with at least 20 years of enrollment in the EPA Plan.
 - b. \$1,870 for each Post-2003/Pre-2015 Retiree with 20 Years of enrollment in the EPA Plan
 - c. \$1,020 for each Post-1/1/2015 Retiree in the Pre-Funding Plan with

contributions paid in full, with 20 years of service in The United Methodist Church once they transfer their contribution balance to the conference.

- d. No contributions will be made for members over the age of 40 who elected not to participate in the prefunding plan, but they will be able to utilize the enrollment assistance of Via Benefits.
- e. \$600 for each age 67 or above Post-1/1/2015 Retiree under the age of 40 as of 1/1/2015, with 20 years of service in the United Methodist Church.
- f. \$335 for each Retiree aged 65-67 with 20 years of service in the United Methodist Church.
- g. Members who retire with less than 20 years in the United Methodist Church, but more than 10 years, will receive 5% less contribution for each year of service less than 20.
- h. No contribution will be made for members who have less than 10 years of service with The Eastern PA Conference, but they will be able to utilize the enrollment assistance of Via Benefits.

ii. Post-65 Active Clergy

- 1. The cost for a Medicare-related plan is usually much less expensive than our HealthFlex plans. There are hundreds of plans on the retiree exchange, and Members can choose anything from a zero premium advantage plan to a more expensive Supplemental Plan G.
- 2. Members must enroll through Via Benefits to receive the monthly stipend. To aid in that cost, the clergy member who is still actively appointed and enrolled in a Medicare Plan, or their spouse, will receive \$333.33 monthly in an HRA (Health Reimbursement Account). This benefit may be used to purchase a health care plan and pay for qualified health care claims including the cost of Medicare Part B.
- 3. This HRA contribution replaces the premium credit that supported HealthFlex participants.
- 4. The over-65 age group has been removed from our claims pool, and the cost of the HRA is significantly lower than the cost of a single premium credit. This has contributed to our slower rise in premium costs over the past two years, going from double-digit annual increases to 1.5% and 2.1% increases in 2021 and 2022.
 - a. Clergy who attain the age of 65 and serve a church with less than 20 employees are required to enroll in Medicare Parts A & B and complete a Small Employer Exemption Application. Upon approval by The Center For Medicare Administration, clergy will be moved to the Exchange administered by Via Benefits.

b. Prefunding Plan

- i. The Prefunding plan closed effective 12/31/2015.
- ii. Those enrolled in the plan continue their prefunding payments until age 60. Funds are contributed on an after-tax basis and are held at Fulton Bank and invested by the MidAtlantic UM Foundation. Upon retirement participants must choose either to:
 - 1. Turn the funds over to the conference, thereby guaranteeing a stipend throughout retirement.
 - 2. Withdraw the funds and receive no stipend in retirement. These members will continue to be able to use the services of Via Benefits.

c. Annuitant Health Care Liability

- i. As of the end of 2020, the Financial Accounting Standards Board FAS 158 liability for annuitant healthcare costs was \$9.6 million. This is a reduction from \$26 million in 2015 and is directly related to the changes we made to the stipend for retirees and outsourcing the retiree healthcare to Via Benefits. The Board has a valuation of this liability performed every other year.

1. The Board of Benefits

- a. The mission of the Board of Pension and Health Benefits is to provide for and contribute to the support, relief, assistance, and pensioning of those individuals who have dedicated their lives to the ministry of Christ as members of the Eastern Pennsylvania Conference of The United Methodist Church and its Local Charges. These individuals include clergy and their families, church workers, and employees of the Annual Conference.
- b. The Board of Pension and Health Benefits is committed to meeting its mission by:
 - i. Administering the pension benefits to retired clergy within the guidelines of The Book of Discipline and the General Board of Pension and Health Benefits;
 - ii. Maintaining health and life disability insurance to provide optimal protection for the participants at a reasonable cost.
 - iii. The responsible investing of monies necessary to meet the requirements of the pension and benefit funds, plans, and programs of the Annual Conference;
 - iv. Providing special grants to meet the basic daily needs of eligible individuals, their families and survivors; and;
 - v. Preparing individuals for retirement by informing them of strategies and opportunities available to manage their savings, income, and pensions.
- c. Current leadership is Rev. Mandy Miller, President; Mr. Al Kingcade, Vice-President and Group Insurance Committee Chair; Rev. Navin Satyavrata, Investment Committee Chair.

Executive Director, EPA Conference Board of Benefits

10. Continued leasing housing for Bishop Schol.
11. Held all required safety committee meetings.
12. Reviewed investments held with the Mid-Atlantic United Methodist Foundation and discussed with the Foundation our concern about the losses the investments have experienced in 2022. More conversations are needed to identify potential investment strategies that may improve our returns going forward.

We greatly appreciate all local churches do to create healthy and safe spaces for ministry. We also thank you for your efforts to pay your direct bill obligations.

COMMITTEE ON NATIVE AMERICAN MINISTRIES

Committee on Native American Ministries (CoNAM) Annual Report 2022

Changes to the Committee on Native American Ministries (CoNAM) occurred with Co-Chair Sherry Wack moving out of the EPA conference area. Barb Revere, who recently joined the committee, agreed to take the position of Co-chair with current Co-chair Sandi Cianciulli. Other new members to the committee are Mike and Paula Shifflet and Bob Coombe.

Conference Events and Programs

Tools for Ministry Workshop on March 5 was a conference-wide virtual event with CoNAM members presenting a workshop on Native American issues of Missing and Murdered Indigenous Women, Boarding Schools, Creation Care, and Voting Rights.

The Spring meeting was held on April 3, on Zoom with guest speaker Halay Turning Heart giving a presentation on her project to restore the Yuchi language. The Fall meeting was held in-person at Camp Innabah with CoNAM member Ron Williams speaking on the Doctrine of Discovery—Enabling Oppression and Exploitation.

CoNAM members participated in the filming of a video of the Land Acknowledgement at West Chester UMC to be shown at the opening of Annual Conference in May.

Northeast Jurisdiction Committee on Native American Ministries

EPA CoNAM supports the Northeast Jurisdiction Committee on Native American Ministries (NEJNAMC) by working with the other annual conferences to focus on education and awareness in local churches, and to participate in other Native American events. CoNAM has also pledged to support the NEJNAMC plan for the preservation of their records and submission to GCAH.

CoNAM members participated in the Annual NEJNAMC Meeting in October, held virtually on Zoom.

Resources were provided for the Week of Prayer and Action for the Children, sponsored by The Boarding School Healing Project, from September 30 to October 6.

Support for Native American ministries and organizations

Financial support was given to the Lakota Law Project in recognition of Ron Williams' work with the Pine Ridge Reservation and to Reflections of Turtle Island, Inc, a 501 (c) (3) organization led by Ron. CoNAM also participated in the Pow Wow sponsored by his organization held annually in May in Pottstown, with a table offering T-shirts and informational materials on Native American issues.

CoNAM also set up a table at the Indian Steps Festival, Airville PA, sponsored by Circle Legacy in June.

A donation was given to the Lumbee Christmas Gift Card Project, an annual project organized by Bob Hinderliter.

A donation was given to the Nanticoke Language Project which is headed by Ragghi Rain Calentine of the Pen-Del Annual conference.

Our relationship with and support for St. John UMC, Bridgeton NJ, continues with visits for worship and donations to their food cupboard organized by Bob Hinderliter.

CoNAM continues to partner with and support the Carlisle Indian School Project as Sandi Cianciulli stepped down from her position as president, and Gwen Carr assumed the position of Executive Director. CoNAM members participated in the Jim Thorpe Sports Day, held annually at Carlisle Army Barracks.

Three CoNAM members were guests at a Dine & Discuss gathering on November 9 at Drexel University hosted by Drexel Indigenous Students of the Americas (DISA) and the Open Door Christian Community, a UM campus ministry of the Wesley Student Foundation of Philadelphia. The group enjoyed a dinner of corn, beans and

squash and heard a presentation on “Debunking Thanksgiving” followed by discussion. CoNAM provided a financial donation to support the student event.

Native American Ministries Sunday (NAMS)

CoNAM continues to support Native American Ministries Sunday with resources to local church Native American Ministries representatives sent through regular email announcements of events and related information as well as providing speakers for Native American Ministries Sunday.

CONGREGATIONAL DEVELOPMENT TEAM (CDT)

Report to the 2023 Annual Conference

The United Methodist Church has four “Areas of Focus” for mission and ministry. They are:

- Developing Principled Christian Leaders
- Creating New Places for New People
- Engaging in Ministry with the Poor
- Improving Global Health

The work of the Congregational Development Team involves the first two of those areas: Developing Principled Christian Leaders and Creating New Places for New People (although the churches and individuals we partner with may be working with the other two areas at times).

Over the last year, the CDT has approached this work in the following ways:

Developing Principled Christian Leaders

- We have sponsored conference-wide book studies over Zoom to increase the understanding and skills of the clergy and laity in our churches, utilizing the authors of those books to lead the studies whenever possible.
- We oversaw the Denman Awards, with the purpose of not only recognizing where individual persons have shown leadership in evangelism, but also providing a model for others to follow.
- We have given grants for training for persons being asked to serve in specialized conference positions to help prepare them for that role by gaining the specialized knowledge they needed to lead others through that role.
- We supported a group that meets on a regular basis to help and train pastors of small congregations in that particular ministry setting.
- We partnered with the East District and the Latino Commission in supporting a new GBGM Missioner in the annual conference.

Creating New Places for New People

- We partnered with numerous churches trying to reach a new target group, or trying to develop a significant new ministry directed at people not currently present in their congregation.
- We oversaw the relationship with MissionInsite to provide interested church leaders with the demographic information they needed to move out into their community in a new way to reach people not currently present.
- We began to work in an additional way this past year with the creation of a joint task force made up of members of CDT and the Urban Commission to partner with churches seeking to develop Wholeness Centers.

While a major part of this work with individual Christian leaders and congregations as a whole is through the awarding of grants, the partnership we establish with them is larger than just the awarding of funds. The CDT tries to meet with these partners on a regular basis to help them in their work, provide accountability

for progress toward their stated goals, and offer additional resources when possible so the kingdom of God is developed “on earth as it is in heaven.”

DUKE DIVINITY

Duke Divinity School has continued in its commitment to form ministers of the gospel who will seek God's justice and mercy.

The Office of Black Church Studies, launched its 50th anniversary year and hosted "Justice Ministry Reimagined: Reentry Simulation" for pastors, students, and lay leaders to learn more about how to support people reentering the community after incarceration. Douglas Campbell, professor of New Testament, and Sarah Jobe, Th.D. student and prison chaplain, launched the Prison Engagement Initiative with the Kenan Institute for Ethics. Warren Kinghorn, Esther Colliflower Associate Research Professor of Pastoral and Moral Theology and associate professor of psychiatry at Duke School of Medicine, and Jan Holton, associate professor of the practice of pastoral theology and care, taught the "Trauma Engaged Duke" seminar and led the project team Developing Best Practices for Trauma-Informed Teaching and Learning. Our faculty have been leaders in the Duke Climate Initiative, with three faculty—Norbert Wilson, professor of food, economics, and community and director of the World Food Policy Center at Sanford School for Public Policy at Duke; Wylin Wilson, assistant professor of theological ethics; and Jerusha Neal, assistant professor of homiletics—participating with colleagues from the Nicholas School for the Environment at Duke in the event "Pastoral Care for Climate Change: Weaving Together Science and Theology for Justice." These programs and events complement the ongoing work that puts DDS students in contexts ranging from rural churches to hospital chaplaincy to farm ministry, and many more.

Several new programs demonstrate Duke's sustained commitment to connecting with churches and ministers. The Ormond Center launched the Community Craft Collaborative to create resources for equipping lay and congregational leaders. The Certificate in Conflict Transformation and Reconciliation (CCTR), facilitated by leading scholars and practitioners in the fields of conflict transformation and reconciliation, provides a timely learning opportunity for pastors and other church leaders seeking theological and practical skills to foster reconciliation in their congregations and surrounding communities. The Clergy Health Initiative supports healthy practices for vibrant ministry. We celebrate the expansion of our connection to UMC colleges through a partnership with Wesleyan College in Macon, Ga., to enable qualified undergraduates to take master's level course through the Duke Accelerated Pastoral Formation Program.

This fall, we welcomed 226 entering students from 35 different states and eight other countries. The Master of Divinity program gained 130 new students, 88 residential students and 42 in the hybrid program. The Master of Arts in Christian Practice enrolled 13 new students; the Doctor of Ministry, 28; Master of Theology, 6; Master of Theological Studies, 22; the Doctor of Theology, 6 students. The Certificate in Theology and Health Care welcomed 4 residential students and 16 in the hybrid program. Across all degree programs, 30 percent of the incoming class identified as a race or ethnicity other than white. Black students made up 18 percent of all students; Latinx students, 6 percent; Asian students, 5 percent; and American Indian students, 1 percent. Fifty-seven percent of students in the incoming class are female.

Dean Colón-Emeric joined by Jung Choi, a consulting professor and senior director of Wesleyan Formation Initiatives, in the Methodist-Roman Catholic International Commission Dialogue to meet with Pope Francis at the Vatican. Peter Casarella, professor of theology, gave the closing address at Continental Ecumenical Congress 2022, which DDS co-sponsored. Student Eliza Love, M.Div.'23, was awarded the Bossey Institute scholarship from the United Methodist Church Council of Bishops to attend the World Council of Church Ecumenical Institute.

Three new associate deans have accepted appointments: Daniel Castelo, William Kellon Quick Professor of Theology and Methodist Studies, as associate dean for Academic Formation; Jung Choi, a consulting professor and director of the Asian House of Studies, as associate dean for Global and Intercultural Formation; and Sangwoo Kim, a consulting professor and senior director of the Methodist House of Studies and the Wesleyan Formation Initiatives, as associate dean for Vocational Formation. Linda Coley has also joined as the executive director for the Ormond Center.

DDS continues to be grateful for our ongoing participation in The United Methodist Church and partnership with this annual conference. To learn more about DDS, please visit our website at www.divinity.duke.edu.

Vision:

The Conference Commission on Religion and Race assists The United Methodist Church in Eastern Pennsylvania to foster intercultural competency and cooperation, live into institutional equity, and engage in straightforward, Christian conversations. We strive to provide practical resources and support to leaders throughout the Church to help them engage and embrace the cultural diversity present in our congregations and communities.

Mission:

To challenge, equip and enable full and equal participation of the racial ethnic constituency in EPAUMC. The mission will be fulfilled by:

- Ensuring inclusiveness as we make disciples of Jesus Christ for the transformation of the world.
- Supporting leaders who are committed to the overall goals of the General Commission on Religion and Race.
- Giving voice to the issues and concerns of racial ethnic people within the bounds of EPAUMC.
- Developing and/or distributing resource materials related to issues of racism, diversity, inclusivity and institutional equity.
- Participating as an active stakeholder in the implementation of the NE Jurisdiction Call to Action.
- Monitoring all levels of the church for equity, and advocating for justice where inequity is found.

Expectations for Members of this Commission:

- Attend all scheduled monthly meetings - either by video, phone or in person. A maximum of 3 unexcused sessions will be granted (discussion will occur concerning your commitment). If you are unable to fulfill your regular engagement with this commission your participation will be discontinued and a replacement made.

- Participate in preparing and sharing a devotion for at least one CORR meeting.
- Represent CORR at other Conference and Church related events and gatherings – especially with groups, churches, Districts, task forces, and connectional ministries and events.

2022 Accomplishments/Met Goals

- **Spring 2022-** Co-Sponsored a study of the Book “The Sun Does Shine” with the EPA Prison Ministry and Restorative Justice Team
- **June 4, 2022-** Annual CR/CC Ministries Intro Workshop using a Zoom format.
- **September 2022-** Orientation for both Companions and Trainers on 9/10 with 28 people attending in-person to work on building relationships between these team members. We used safety covid protocols. In the morning we focused on bonding across both halves of the CR/CC support teams and in the afternoon companions and trainers had separate trainings specific to their work. We discussed vision for CR/CC and an effectiveness survey done in the spring.
- **Fall 2022-** Companions have been assigned to congregations, moving to a team system where 18 companions serve in 9 diverse pairs, similar to the model of the trainers. Each team serves two congregations resulting in 18 congregations still being served.

December 2022- We hosted a Best Practices Workshop for CR/CC Trainers with Keima Sheriff. The training was offered in-person and online simultaneously.

Goals for 2023:

1. Continue to evaluate, improve and implement the pilot program utilizing the strategic plan for supporting CR/CC appointments.

- Organize and support at least one Annual CR/CC Ministry workshop for all new and current CR/CC appointed clergy and congregations. (Typically on first Saturday of June)
 - Organize CR/CC Ministry workshops with Mission Links, with conference level boards and commissions, and local churches facilitated by CR/CC Trainers in 2022-2023.
 - Train and actively engage CR/CC Team of Companions to accompany CR/CC appointments during the first 2 years of a new appointment. Provide continued connection to CR/CC pastors beyond the 2nd year.
2. Continue to support the work of the Economic Justice Council
 3. Co-sponsor CDT book and discussion group
 4. Clergy of Color Retreat- (scheduled for June 2023)
 5. Organize and host another Celebration of Cultures event in 2023

EQUITABLE COMPENSATION COMMISSION

Since the last report the Equitable Compensation Commission experienced a change in leadership. David Koch is now the Chair of the Commission.

The Commission met via ZOOM in November to review grant applications. Twenty-four applications were received. One was not timely submitted, and one was for an individual who was not clergy and therefore not eligible. The total requested in the twenty-two grant requests considered exceeded the budget by about \$13,000, so some churches received less than requested. District Superintendents notified each church of the amount granted.

The Commission met in January (again via ZOOM) to formulate a recommendation to the Annual Conference for minimum salaries for clergy for 2024. The Commission recommends an increase of 4.0% over 2023 minimums. A resolution was drafted and submitted to the Annual Conference for approval.

An analysis of the recent history of grants made found that several churches have requested and received the same grant for three, four, or five consecutive years. The Commission thinks that that is not a good use of equitable compensation funds. The Commission's expectation is that grants are to provide short term assistance to a church while that church develops alternative sources of income. For example, a church might request a grant of \$10,000 in one year, \$7,500 in a second year, \$5,000 in a third year and then by growing the church not need any further assistance. The Commission is working on developing guidelines to implement this approach over time.

Respectfully submitted,

David Koch, Chair, Equitable Compensation Commission

ORDER OF DEACONESSSES

**Report of the Order of Deaconess/Home Missioner (DHM)
Eastern Pennsylvania Annual Conference, May 18-20, 2023
Celebrating 135 Years of Love, Justice & Service**

Our movement¹

The earliest known usage of the term deaconess comes from Paul's letter to the Romans, when he wrote: "I commend to you our sister Phoebe, a deaconess of the church at Cenchreae, that you may receive her in the Lord as befits the saints, and help her in whatever she may require from you, for she has been a helper of many and of myself as well" (Romans 16:1-2). The Methodist deaconess movement in the United States began when Lucy Rider Meyer and her husband started the first deaconess training school in Chicago in 1885. In 1888, the Office of Deaconess was officially recognized by the General Conference of the Methodist Episcopal Church, and the office has remained active ever since. Methodist deaconesses in the late 19th and early 20th centuries are credited with starting schools and hospitals in communities where they did not previously exist, and the need for such ministries was great. Deaconesses often worked under harsh conditions and in cutting-edge ministries of social service on behalf of women, children and youth. They were courageous and set the path for many institutions in social service around the country today. Deaconesses and Home Missioners continue this legacy of serving in cutting edge ministries of love, justice and service today. We serve in a variety of ministry settings including health/wellness, law, education, advocacy and social service.

At the General Conference in 1988, when the category of home missionary was eliminated in The United Methodist Church, there was no place for laity who identify as men to live out a recognized calling to lifetime service. This led to the establishment of the home missionary category of service, the equivalent to deaconesses at the 2004 General Conference. Legislation was passed at General Conference 2016 to make the Office of Deaconess and Home Missioner an official order within The United Methodist Church. The Order of Deaconess and Home Missioner is one of three orders of ministry in The United Methodist Church serving alongside the orders of Elder and Deacon and is the only order for laity. Deaconesses and Home Missioners feel called by God to a full-time vocation in service with those who are marginalized and in need in the world today.

"Deaconesses and Home Missioners function through diverse forms of service directed toward the world to make Jesus Christ known in the fullness of God's ministry and mission, which mandate followers to:

- a) Alleviate suffering
- b) Eradicate causes of injustice and all that robs life of dignity and worth
- c) Facilitate the development of full human potential
- d) Share in the building global community through the church universal." ²

Our Ministries Vary. Our Call to Service Binds Us.

The Order of Deaconess/Home Missioner is continuing to grow! Our current numbers as of February 1, 2023 are:

Deaconesses: Active – 206, Retired – 116
Home Missioners: Active – 16, Retired - 1
Home Missionaries: Active – 5, Retired - 47
D/HM Candidates – 67 (Home Missioner – 17, Deaconess – 50)

As of the writing of this report, in April, we will welcome 16 new DHM and 2 transferring DHM to our Order!

The Eastern Pennsylvania Conference has 6 active Deaconesses serving under appointment and 1 Deaconess in retired relationship. We serve in a variety of ministry settings including health/wellness, law, education, advocacy and social service. Our ministries vary but our call to love, justice and service binds us as a covenant community.

I also serve on the West District UWF team where I compile and edit the Compass newsletter.” Deaconess Barbara Skarbowski, West District

“I’m serving as Parish Nurse, Lay Leader, and Missions/Outreach Team Leader at Havertown UMC (merger of Union & Hope UMC in 2022) as well as Conference Secretary of Global Ministries, and chair of the Global Ministries Team which receives and approves Peace with Justice Grants and Advance Special applications, as well as promoting Abundant Health ministries and support of our UMC missionaries.” Deaconess Barbara Drake, South District

“I serve as the Executive Director of the Center-Philadelphia at Arch Street UMC in Philadelphia. The Center serves our unhoused/unsheltered neighbors as a daytime drop-in center offering health/wellness, healthy meals, hygiene, case management and technology programming. We advocate for systemic changes at the city, state and federal level for policies that make justice a reality in our community and beyond. I also serve as the Vice-Chair of the National Association of Deaconesses, Home Missioners and Home Missionaries supporting and advocating for our order in The United Methodist Church.” Deaconess Darlene DiDomineck, East District

In October of 2022 the order convened its bi-annual convocation with the National Association of Deaconesses, Home Missioners and Home Missionaries in San Antonio, TX and will gather with its ecumenical diaconate body (Diakonia of the Americas and the Caribbean- DOTAC) in Minneapolis in August of 2023 for study, spiritual renewal and fellowship. The order met weekly for spiritual support, convened a racial justice summit, facilitated intersectional justice education training events, met for advent and lenten studies and convened a Building Global Community dialogue with the deaconess movement in the Philippines.

Is this the Call for you?

Is this a Call for you? If so, there is an opportunity to be a part of a supportive community in relationship with The United Methodist Church as a deaconess or home missioner. Discernment Events are held at various times throughout the year. The Deaconess/Home Missioner Discernment event is an opportunity to explore God’s call to vocational ministry. PRISON MINISTRY AND RESTORATIVE JUSTICE

EPA 2022 Prison Ministry and Restorative Justice Team

This year, the Prison Ministry and Restorative Justice Team led several programs to educate congregants and to be in ministry with those who are in prison.

- Undies for Easter Campaign – a tremendous success – thanks to the many who participated! Met and exceeded our expanded goals of providing **2000** men’s briefs, **600** women’s briefs, and **2000** men’s undershirts for Philadelphia Prison System Head Chaplain to distribute to those entering incarceration – who are only provided one brief and no undershirt by the system.
- Conference Book Group – A three-week study was organized based on Anthony Ray Hinton’s book *The Sun Does Shine*, with over 100 registrants. Week 1 featured Mr. Hinton sharing his highly impactful story. For Week 2, Ms Sia Sanneh, Senior Attorney at the Equal Justice Initiative (EJI), described the problematic history of our criminal justice system as well as the efforts of EJI to effect change. Week 3 featured presentations focusing on the criminal justice system in Pennsylvania, including Rev. Greg Holston (Philadelphia DA Office), Rev Dr. Larry Pickens (Executive Director of the Pennsylvania Council of Churches) and Ms Nia Holston (Abolitionist Law Center)
- Christmas Cards for People in Prison – **6960** completed cards were delivered to a total of **12** correctional facilities for distribution to the incarcerated as a sign of God’s love and care. Chaplains have reported to us that this program is greatly appreciated by the recipients of the cards, some of whom do not receive cards from anyone else. Thanks to all who participated in this as well as the unused cards campaign described below!
- Unused Commercial Christmas cards – **3187** cards were collected and delivered to the Philadelphia Prison System Head Chaplain for distribution so that those incarcerated could send cards and messages to their loved ones. Your contributions helped in this important ministry of facilitating the maintenance of connections with supportive friends and family on the outside.

PROJECT RESTORATION

2022 Has been a year of healing for survivors of Hurricane Ida and Hurricane Isaias. Project Restoration has been blessed to work alongside them during this process. We give thanks for EPA commitment to the full restoration of survivors.

EPA has participated in the creation and organization of the SEPA VOAD LTRG (Southeastern PA Volunteer Organizations Active in Disaster Long Term Recovery Group) and the PA Unmet Needs Roundtable Together PA VOAD and these groups have worked with local community organizations, regional groups, statewide organizations and government agencies from the area municipalities, State Agencies, FEMA representatives to collaborate on efforts to aid survivors.

Through these efforts:

- We have provided case management for 20 families
- We have supported family recover plans, helped families attain their goals
- Our construction project manager has assessed over 20 cases.
- We have engaged with over 133 volunteers.
- We have raised \$759,669.76 in funds to support 2022 and 2023 recovery efforts.

While most of our volunteers have been on site installing a lot of drywall, painting, installing flooring and painting. We can't forget those who hauled boxes and help prepare spaces for work to be done and returned the items once we were done and all the jobs in between.

As we look toward the new year our efforts are expanding from Eastwick Pa, Montgomery County and Chester County now to Delaware County and Philadelphia. The work has been a much longer process than expected and we have just scratched the surface. This year to come will be significantly busier for us with clients, construction, and volunteer collaboration. We are so thankful for the efforts of those who have helped us with financial and volunteer support to allow us to provide the aid to those in need. This year we will see even more need for volunteers and continued funding. To become involved with Project Restoration please use our online registration form at <https://www.epaumc.org/connectional-ministries/mission-outreach/disaster/>.

LATINO COMMISSION

See, I'm doing a new thing, can't you see it... Isaiah 43:19

2022 has been a year of new things where we have experienced God's presence among us, giving us the strength, guidance, and vision to continue our mission of serving our Latino communities with our words and deeds. Here are some highlights of our faithful ministry:

- We are developing transformational leaders within our congregations. Eleven Lay members from all four districts took classes in February and May to become Lay Missionaries with the support of The National Plan for Hispanic Latino Ministries (NPHLM). Certificates were awarded during our Holy Convocation on June 4, 2022. As a result, two Lay Missionaries from Cristo Rey UMC have as their goal for 2023, to start an immigration project in conjunction with JFON. Two Lay Missionaries from Espiritu Santo UMC are working in their local church, reaching out to the community, and offering ESL classes and Basic Computer classes to youth and adults, as well as a Food Pantry and Clothing ministry. And a Lay Missionaries couple from Casa del Rey is helping their Pastor, leading a new community of faith in Reading. Praise the Lord!
- On January 7-8, we had the Brown and Black Youth Retreat; twenty-seven young adults attended this retreat whose conversations were about ending racism. They returned to their churches inspired and ready to participate in the next one.
- On September 30, we had a Leadership retreat. We were blessed to have youth from different churches in our district join us for the seminar.
"Although times have changed, although it seems as if the younger generation is drifting further and further away from God, there are still youth who have a desire and a will to rise above and emerge as leaders." These were the words of Bryan Serrano, one of our Youth representatives.
- In March we offered 2 workshops in Spanish at the Tools for Ministry with an attendance of 30 people.
- June 4. Holy Convocation was well attended with more than 45 attended, among them, DS Rev. Foster, Rev. Evelyn Kent-Clark, John Coleman (communications), and Rev. Manfredo Martinez and 2 Lay Missionaries are working hard to reach out to Reading's community, and now they already have a group of 12 adults and 8 kids who worship on Sundays via Zoom and have bible study during weekdays.

AFRICA UNIVERSITY REPORT

United Methodists worldwide celebrated an ‘Ebenezer’ moment in the ministry of Africa University in 2022, marking 30 years of faithfulness, generosity, growth, and impact within and beyond The United Methodist Church.

The Eastern Pennsylvania Conference continues to lead, delivering 84.31 percent of its share of general church giving to support the day-to-day operations of Africa University in 2022. Thank you! At 83.7 percent overall in 2022, giving to the Africa University Fund (AUF) remained resilient in all five jurisdictions of The United Methodist Church in the United States.

Supported by Eastern Pennsylvania United Methodists and others across the denomination, Africa University embraced new opportunities as it emerged from pandemic-related restrictions in 2022.

- **Enrollment:** Africa University achieved a total enrollment at 2,791 students in August 2022. Female students comprised 58 percent of the student population and 23 African nations were represented.
- **Academic Growth:** Africa University launched its first new academic unit in almost twenty years—The School of Law—with a pioneer cohort of 20 students pursuing the Bachelor of Laws (Honors) (LL.B.) degree program. The institution is preparing to launch five new undergraduate and graduate programs with the approval of the Zimbabwe Council for Higher Education (ZIMCHE), the national accreditation and quality assurance agency.
- **Infrastructure expansion:** A new residence hall for female students at Africa University is under construction, funded by the East Ohio Conference’s \$1.5 million *Teach * Reach * Bless* campaign. Once completed, the facility will boost the available on campus housing for students to around 1200 beds.
- **Outcomes:** 712 graduates from 18 African countries became Africa University alumni in June 2022. Africa University’s almost 11,000 graduates to date are making vital contributions as clergy, educators, agriculturalists, health professionals, entrepreneurs, and innovators. Faculty and students are undertaking and sharing research to reduce deaths from malaria and tuberculosis, protect the rights of children, and increase food security in African communities.

Africa University’s year-long 30th anniversary program culminated in October 2022 with a gathering of more than 3,000 people at its main campus in Mutare, Zimbabwe. Amidst the commemoration and joyful thanksgiving livestreamed to the world, the Rev. Dr. Peter Mageto was formally installed as the fifth vice chancellor (president) of the institution.

Mageto, a Kenyan and academician specializing in theological ethics, echoed the gratitude of the students, faculty, staff, trustees, and alumni of Africa University for the many answered prayers represented in the Africa University story. His inaugural address highlighted the optimism and commitment to purpose that drive the university’s unfolding vision.

“Today, Africa University turns thirty. The number 30 is a blessed figure. Thirty was the age of our Lord Jesus Christ when he commenced his ministry here on earth. It gives us great faith to be walking resolutely towards the fourth decade,” Mageto said.

God’s presence and provision in the life of Africa University are evident, thanks to the prayers and generous support of the Eastern Pennsylvania Conference. Thank you, Eastern Pennsylvania Conference, for nurturing change leaders and building an enduring legacy through the ministry of Africa University. Let us continue to journey together—learning, leading, and serving God, all the time, everywhere.

The Rev. Thomas (Tom) E. Anderman was born on September 16, 1927 in Canadensis PA. He was the third son born to the Rev. William Henry Anderman, Sr. and Clara Struntz Anderman.

Tom, as well as both of his older brothers, William H., Jr., and Carl A., followed in their father's footsteps, growing up to become pastors. His sister, Thelma Yvonne, nine years his junior, was adopted as a baby, completing the family's longing and joy for a female sibling. Their joy was short-lived when, in 1938, his mother died at the age of 39 after an extended illness.

One of Tom's most vivid childhood memories was of dragging a bicycle up the stairs to his mother's second floor bedroom in the Emmanuel Church parsonage in Roxborough to show her the prize he had won in a contest sponsored by a local business.

When Tom was 12½, and after his one-parent family of five had moved to Chester PA, his dad married Vida Swartley Kratz in June 1940.

After graduating from Chester High School, Williamsport Dickinson Seminary and Junior College (1947), Lycoming College (1949) both in Williamsport PA, Rev. Anderman completed his education at Westminster Theological Seminary, Westminster MD (now Wesley Theological Seminary, Washington DC).

In 1950, Tom met and married Carol Seltzer Jones, a registered nurse and member of his brother Carl's church in Port Carbon PA. They celebrated 60 years of marriage several months before Carol preceded him in death in 2011. Tom was very proud that he influenced his four children and son-in-law to enroll at and graduate from Lycoming, which is where his son, Mark, met his wife, Doris.

Rev. Anderman served the three-point charge of Cumbola Circuit (Cumbola, New Philadelphia, and Middleport, now closed) for 1½ years beginning in 1950. In 1951, he was appointed to Bethel in Spring City; in 1954 to Cornwells in Cornwells Heights (now Bensalem); in 1962 to Rehoboth in Philadelphia; in 1968 to Centenary in Lebanon (which merged to become Trinity); in 1975 to Community in Lancaster; in 1980 to Juniata Park in Philadelphia (now Espiritu Santo); to retirement in 1992, during which time he served as visitation pastor at Stroudsburg until December 2009.

After his retirement in 1992, Tom and Carol moved to Pocono Summit and, in 2010, to Simpson House in Philadelphia. At Simpson House, Tom spent leisure time on his stamp-collecting hobby (acquired from his father) and rooting for Philadelphia sports teams. A kidney dialysis patient for 14 years, Tom was well-cared for at Simpson House.

Rev. Anderman was survived by four children: Clarita A. Krall of Philadelphia (the Rev. Stanley J. Krall, retired), Mark J. Anderman (Doris Ripley) of Williamsport, PA, the Rev. James D. Anderman of Palmyra PA (pastor of First UMC of Palmyra), and the now late Lynea Anderman; nine grandchildren (including the Rev. Lorelei Krall Toombs, pastor of Willow Grove UMC); fifteen great-grandchildren; and ten nieces and nephews (including the Rev. Timothy C. Anderman, pastor of West Grove UMC).

Always the optimist, Ken never saw a problem so great that hope could not see it through to a positive end. A creative, gifted problem solver, Ken thought long and hard when presented with something needing repair, restoring whatever it was to better than original condition. Doris Melissa Bishop Huddell 1/8/1914 - 5/22/2022

Doris Melissa Bishop Huddell, our Mother, Grandma, Grandma-great, Goo, died at the Odd Fellows at 108 years. She was an inspiration to her family and to many friends and acquaintances. Not just because of her advanced age, but because she remained young in mind, ready for new experiences, ideas and friendships.

Doris was born and raised in Buffalo County, Nebraska. Her parents, Charles and Bertha Hendrickson Bishop, were proud, but poor farmers who endured the drought and the loss of their farm during the Depression. Doris was the first of five children.; followed by Marion, Marjorie, Phyllis and Lorraine. Despite the hardships of life on the farm, Doris, her parents and siblings lived together happily and passed on many delightful stories. Most memorable were those about Old Maude, the aging horse that took the children to school. Doris, during her life, visited and kept in contact with all her siblings and their children.

Education was very important to the Bishops. Doris attended a country, one-room schoolhouse, and graduated from Pleasanton High School in 1931. While attending nearby Kearney State Teachers College she met fellow student, Howard Huddell, and they were married as soon as Doris was 21, a few months before their graduation in 1935.

Howard had quite a romantic appeal for Doris. He was 10 years older than she, handsome, and from the big city of Philadelphia, PA, having traveled to Nebraska to serve as a student pastor. He wrote poetry and had a sensitive nature, wholly unlike most of the local folk Doris knew.

Her marriage to Howard opened up the world to her. She and Howard moved to Pennsylvania where they both began studying at the seminary and Howard also was serving as pastor in Evangelical United Brethren (now the United Methodist) churches. Douglass was born two years after they were married; Sidney, Melissa, and Elaine followed, and Doris was too busy at home to continue her graduate studies.

Doris and the children moved back to Kearney, Nebraska, when Howard entered the Army as a chaplain in August, 1942. He served in Europe, and they were separated for over 2 years. At the end of WWII the family moved back to the East Coast. They lived in Pennsylvania and in Virginia, where Doris began a long teaching career. Because of their frequent moves in military life she was able to teach elementary grades (principally 6th or 8th) in Virginia, Japan, Washington State, New Jersey, and again in Pennsylvania, where she retired in 1976. Howard had retired from the Army and he died in 1967.

During her life Doris traveled as much as she could. Long trips by train or plane, or short trips for shopping in the next town were fun for her. She attended many of the family graduations, weddings, reunions, and concerts. She loved her tours of Europe, South America, and China. Her NEA visit to China in 1979, occurred shortly after that country opened up to the world, and she remarked how fascinated the Chinese were by the visiting teachers from the U.S. She toured Europe 11 times, sometimes with her children or grandchildren, and was always eager to visit Lisa and Giulio Barbin in Italy, and Akio and Uta Miyabayashi in Germany.

In 1985 Doris moved to Walla Walla to be near her daughter's family, Melissa and Jonathan Webster, Andrew and Elizabeth. She became very interested in the community, volunteered at Fort Walla Walla Museum, and was active in two churches, the Presbyterian Church, and First Congregational Church. Doris acquired a computer at age 76 and her grandchildren helped her begin emailing her family and friends. Her computer also enabled her to research and store family records.

She used her computer to write two books, *A Marriage in Wartime* (letters between Doris and Howard,) and *With Love and Prayer* (a memoir.) Her family edited the books and arranged for their publication. Writing in 2011 in *With Love and Prayer* she says, "...the most important and interesting part of my life—then and later and now—is my family! I visited them, prayed for them, listened to them and was happy when they visited me."

Also, she writes at the end of the book and from her advanced age and experience, "Education is important to changing people's ideas. ... I am thinking of the young people who have been teased so much that some of them have committed suicide! Surely that will become unthinkable, as we become more accepting of other people's differences. I pray that time will come soon!"

In addition to losing her husband, Doris endured the deaths from cancer of her oldest child and youngest child. Douglass died in 1991 and Elaine in 1998. She is survived by Sidney Feinstein of Hastings, New York, Melissa Webster (Jonathan) of Walla Walla; and daughter-in-law, Marilyn Huddell of New Orleans. Her grandchildren are: Elana Shinkle of Iowa, Lisa (Giulio) Barbin of Florence, Italy, Brian (Lisa), and Kevin (Denise) Huddell of New Orleans, Andrew (Erin) Webster-Main of Virginia, Elizabeth Webster (Luke Gerwe) of Chicago, Adam Carte (Kimberly Bowron) of Boston and Houston, Katherine Carte (Jeffrey Engel) of Dallas. Doris has 14 great-grandchildren. She has outlived all her siblings except Lorraine. She thought of Akio and Uta Miyabayashi

as part of the family, and also loved her Walla Walla friend, Dr. Connie O'Neil; and her dear Pennsylvania friends, Barbara and Richard Will.

Doris moved into assisted living at Odd Fellows Home in 2011, and made friends with other residents as well as the staff. During her recent years when she needed more care, her family greatly appreciated the caregivers' skill, tenderness and kindness to Doris and to them.

The family attended Voorheesville United Methodist Church and it was there Karen met the Pastor, Dick and his wife, Mary Beth whom she considered her best friends.

Halfway through seminary she decided to seek ordination rather than continue the plan of Christian education. All this of course was done with the advice and blessing of Pastor Dick. In 1989 she was ordained a full Elder in the Church. Her first full-time appointment was at Green Village in 1988. She then served as Pastor at the Rutherford United Methodist Church, before being appointed with a 2-point charge of Port Morris U.M.C. and Teabo U.M.C. In 2003, Karen was assigned just to the Teabo U.M.C. and it was there she would retire in 2007. Karen touched a lot of lives and made a difference. Reinhard Kruse 6/3/1940 - 11/11/2022

Reverend Reinhard Kruse, age 82, passed away peacefully on November 11, 2022. Reinhard was born in Costa Rica, to the late Heinrich and Clara Kruse. He is survived by his wife of 58 years, Sue D. Kruse, and by many beloved cousins in Germany, as well as 3 godsons, 1 goddaughter, several nieces and a nephew, and many friends which he considered family. Reinhard was called to the ministry over 50 years ago and faithfully served many churches in Texas and, finally, in Philadelphia. The churches he served in the Philadelphia area include St Philip's United Methodist Church, Summerfield United Methodist Church, Juniata Park United Methodist Church, and in retirement, Arch Street United Methodist Church

as visitation minister. During the time he served as minister, he touched many people's lives.

Reinhard was born in Costa Rica to German parents. Once World War II started, he was sequestered by the United States in immigrant camps set up in Crystal City, TX. During this time, his father worked on a local tomato farm and brought fresh tomatoes back to the camp. He remained in the camp for 3 years until WWII ended. After the war, he was sent back to Germany and lived for almost a year in a chicken coop because there was no housing available on the family farm. The owners of the tomato farm sponsored Reinhard's parents to come back to the United States. Once he arrived back in the United States, he lived on the farm with his parents and became a U.S. citizen in April 1956. Reinhard went on to attend college at Louisiana Polytechnic Institute, ultimately obtaining his Bachelors degree in Divinity from Southern Methodist University in Perkins School of Theology. It was during his time at Louisiana Polytechnic Institute that he met the love of his life, Sue.

Reinhard's second home was in Germany. He treasured each trip he took back "home" and enjoyed seeing all of his cousins and brushing up on his German language skills. When any of his German cousins came to the United States to visit, Reinhard and Sue took great pride in showing the friends or relatives as much of the United States as the visitors had time to spend. Reinhard's love of travel also included places other than Germany. As a couple, Reinhard and Sue traveled to 49 of the 50 states, took many pictures, and had many adventures wherever they went. They also spent a lot of time overseas traveling through England, France, Italy, and Africa.

Reinhard and Sue moved to Philadelphia because of their love of the Philadelphia Orchestra. Their patronage of the Philadelphia Orchestra continued up until his death. Reinhard was active in the German Society in Philadelphia, had previously been the Secretary for the Retired Ministers, and was involved in several book clubs. His favorite activity was attending concerts by the Philadelphia Orchestra. Later in his life, Reinhard's goal was to take care of Sue and he did that until he passed.

Eastern Pennsylvania Conference (350)

2023 Comprehensive Benefit Funding Plan Summary

INTRODUCTION

The 2012 *Book of Discipline* ¶1506.6 requires that each annual conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to Wespath Benefits and Investments (Wespath) for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from Wespath. This document is only a summary of the information contained in the actual signed funding plan and does not contain all the information required for a comprehensive view of the conference's benefit obligations. You may request the full contents of the 2023 comprehensive benefit funding plan from your conference benefit office.

CLERGY RETIREMENT SECURITY PROGRAM (CRSP)

Defined Benefit (DB) and Defined Contribution (DC)

Program overview:

The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The program is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which had previously replaced the Pre-82 Plan for service rendered prior to January 1, 1982.

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to The United Methodist Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by the annual conferences.

Current funding plan information:

The Clergy Retirement Security Program (CRSP DB) annuities total liability as of January 1, 2021, is \$(2,134,736,431), while total plan assets are \$2,520,654,197, resulting in a current plan funded ratio of 118%. The Eastern Pennsylvania Conference portion of the liability is 1.5622% and the 2023 contribution is \$1,077,711. The conference anticipates that the amount will be funded by Direct Billing. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The Eastern Pennsylvania Conference has elected to cover clergy serving 50%+ under CRSP effective January 1, 2023.

Effective January 1, 2014, the CRSP DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy can earn up to an additional 1% CRSP DC contribution by contributing at least 1% of their plan compensation to UMPIP; therefore, if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3% to CRSP DC. The 2023 CRSP DC contribution is anticipated to be \$483,910 and will be funded by Direct Billing.

MINISTERIAL PENSION PLAN (MPP)

Plan overview:

Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pension Plan (MPP), provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. MPP requires that exactly 65% of the account balance must be annuitized when the funds are to be distributed. The remainder may be rolled over to UMPIP, another qualified plan or an IRA, or it may be paid in a lump sum.

Current funding plan information:

The Ministerial Pension Plan (MPP) annuities' total liability as of January 1, 2021 is \$(3,630,817,808), while total plan assets are \$4,439,554,422, resulting in a current plan funded ratio of 122%. The required contribution for 2023 is \$0. The Eastern Pennsylvania Conference's percentage of the total liability is 1.7060%. PRE-82 PLAN (PRE-82)

Plan overview:

Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. If a clergyperson retires within the Conference (and does not terminate), the minimum benefit payable is based on two factors:

- 1) Years of service with pension credit-approved by each conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and *The book of Discipline*.
- 2) The conference pension rate (past service rate)-the dollar amount chosen by the conference as the amount payable for each approved year of service with pension credit (may change from year to year).

The number of years of service with pension credit is multiplied by the pension rate, and the product is the minimum annual benefit payable to those clergy eligible for Pre-82 Plan benefits. In certain situations, the benefit received from the Pre-82 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-82 Plan. At the time that a participant retires, the DBSM account is converted to a life based benefit and, at that point, the clergy's benefit is the greater of the PSR or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated; but the DBSM-based benefit does not change.

Current funding plan information:

The 2023 PSR recommended to the Eastern Pennsylvania Conference will be \$521, representing a 1% increase from the 2022 rate. The conference expects future annual increases to be approximately 2.00%.
