**Though there are many of us, we are one body in Christ, and individually we belong to each other.**

**Romans 12:5 (CEB)**

Friends in Christ,

In 2024, The Eastern Pennsylvania Conference continued to advance our mission amidst ongoing challenges. The people of EPA are steadfast, resilient, and filled with hope. Together, we have deepened our faith, worked to end the sin of racism, and developed transformational leaders. We have cultivated creative solutions to the new realities of hybrid and in-person ministry and continued to make progress in growing vital mission congregations, providing Ida relief and recovery, and raising the next generation of disciples. God has blessed us as we live into our mission to make disciples and grow vital congregations for the transformation of the world. Thank you for being a part of God's good work and good news in EPA and beyond.

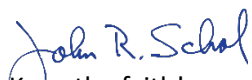

In 2024, together we accomplished the following:

- Launched the Leadership Academy, providing transformative training and development for our church leaders, equipping them to lead with vision and effectiveness in these changing times.
- Hosted over 22,000 guests at our 4 Camp & Retreat Centers, providing year-round discipleship opportunities for children, youth and young adults that includes partnership with NextGEN and IGNITE youth conference.
- Expanded Ida Relief efforts into Philadelphia, celebrating the profound impact on the lives of those affected by the storm. Our collective work has provided much-needed support and rebuilding assistance to communities in need.
- Approved a Memorandum of Understanding with the Eastern Pennsylvania and Greater New Jersey Annual Conferences. This partnership enhances our missional impact, promotes resource sharing, and exemplifies good stewardship and collaborative ministry.
- Enhanced Congregational Vitality through Pathways, supporting churches in becoming more vibrant and missionally effective. This initiative helps congregations to live out their unique callings more fully.

We achieve more together than we could ever do alone.

The pages of this journal contain the stories of those disciples. We celebrate their service, and we lift up those who will lead us in taking the next steps in our ministry together. It also details our commitments to God, our ministry together, and the mission field as we live out our goal to make disciples of Christ for the transformation of the world.

In 2024, we made space for all to belong and for God to move, even in the face of what seemed impossible. I have been blessed to be on this journey with you. God is with you.

  
Keep the faith!

John R. Schol, Bishop

*Christ gave to the church leaders their responsibility, to equip God's people  
for the work and ministry of building up the church, the body of Christ.*

- Ephesians 4:11-12 (paraphrased)

*Jesus said when you serve others through mercy and justice ministries, you serve me.*

Matthew 25:35 (paraphrased)

## **EPA&GNJ Strategic Direction**

Recruit and Develop Transformational Leaders

### **Purpose/Mission of EPA/GNJ Elected Leadership and Staff**

Recruit and develop transformational leaders to make disciples of Jesus Christ and grow vital mission congregations for the transformation of the world.

(Based on the mission of The United Methodist Church)

The elected leadership and staff of EPA/GNJ serve the congregations by developing transformational leadership.

*Christ gave to the church leaders and their responsibility is to equip God's people  
for the work and ministry of building up the church, the body of Christ.*

Ephesians 4:11-12

### **Purpose/Mission of A United Methodist Congregation**

Make new and deepen the faith of all disciples to be loyal to Christ through their prayers, presence and participation in the church, and to engage in ministries of witness, mercy and justice in the world.

(Based on the membership vows of The United Methodist Church)

*A congregation builds up the body of Christ to serve in the world.*

## **Goals**

1. Create a culture of call to pastoral ministry.  
Outcome – 40 new potential full-time appointees<sup>1</sup> by 2026.
2. 1,500 leaders per year participate in the Leadership Academy.  
Outcome – 60% of our congregations will meet the vitality markers<sup>2</sup> by 2026.
3. Train 150 facilitators to assist congregations to end the sin of racism.  
Outcome - 250 congregations engaging to end the sin of racism (Journey of Hope<sup>3</sup>) by 2026.
4. Equip 100 leaders to lead their congregations into the community.  
Outcome – 35 Hope Centers<sup>4</sup> by 2026.
5. Equip 300 leaders to lead their congregations to financial health.  
Outcome – financially healthier congregations and connectional shared ministry giving to 91% and billings to 95% by 2026<sup>5</sup>.

**Strategies** to meet our goals.

1. Comprehensive Leadership Development that deepens faith, increases understanding, equips for the practice of ministry and nurtures healthy leaders.
  - a. Pathways - planning that assists a congregation to develop a plan in one or more of the following – vitality, sustainability, ending the sin of racism, community engagement.
  - b. Engage – a staff person assigned to every lead pastor and every congregation for planning, coaching, consultation and cohort groups
  - c. Leadership Academy - develop the core competencies and skills of congregational leaders and clergy for leading congregations and ministries to make disciples and grow vital mission congregations for the transformation of the world.
2. Developing young leaders
  - a. Grow the faith and number of youth in our congregations through camping, retreats, IGNITE and youth leader training.
  - b. Provide opportunities for young leaders to develop their gifts.
3. Regional approach that creates superintending teams to relate, support and coach clergy and congregational leaders to health and vitality and reach our goals.
4. Grow congregational giving through stewardship campaigns and communication.
5. Affiliate ministries and administration that will help EPA&GNJ to recruit and develop more transformational leaders.

**Values** that guide our leadership and ministry

- *Christ-Centered*: the unbreakable and unifying source of our faith and hope.
- *Compassionate and Just Servanthood*: a shared expression of our Wesleyan heritage.
- *Diversity, Equity and Inclusion*: a true reflection of the all-welcoming reign of God.
- *Innovative and Risk-Taking*: a bridge to what is next.
- *Excellence*: a gospel imperative for greater impact in the world.
- *Collaborative*: Wesleyan connectionalism that recognizes we are stronger together.

**Cultural Shifts** that create a healthier EPA&GNJ

- FROM a church that focuses inward on its members and clergy  
TO a relevant mission that connects with the people in the community, particularly younger and more diverse generations of new disciples of Jesus Christ.
- FROM maintaining congregations and their buildings  
TO working with congregations to strategically utilize buildings for regenerative mission.
- FROM depending exclusively on Shared Ministries (apportionments) for mission and ministry  
TO cultivating new sources of income to grow mission and ministry.

**Defining Who and What of The Mission**

- *Transformational leader*: Whole, resilient disciple leading from our values to greater outcomes.
- *Disciple*: Committed follower of Jesus living in personal and social holiness
- *Vital Mission Congregation*: Builds up the body of Christ to serve the world.
- *Transformed World*: Just, inclusive communities reflecting the reign of God on earth.

(Endnotes)

1 A potential appointee is an individual who has responded to a call to be a clergy person in the church as a local pastor, provisional member or full member and is in process with a district committee on ministry or the board of ordained ministry.

2 Presently 25% of EPA congregations have met the markers for vitality and 43% of GNJ congregations. Vital congregations cultivate a deeper relationship with God and meet people's deepest need through five vitality ministries.

1. Worship cultivates a deeper relationship with God and births hope for living. Marker – grow by one worshiper over a 3-year period.
2. Small groups cultivate growth and deeper relationships with God and one another. Marker – 50% of worshipers in a small group experience.
3. Mission through hands on justice and mercy ministries cultivates purpose. Marker – 60% of the worshipers participate in hands on mission in the community.
4. Witness and faith sharing demonstrate our meaning and significance through Jesus Christ. Marker – 1 new profession/reaffirmation of faith for every 25 worshipers in a given year.
5. Giving generously, extends our purpose, significance and making a difference for God. Marker – 18% of a congregation's budget is giving to mission.

3 Journey of Hope is a plan and process to assist the EPA&GNJ and congregations to ACT (Aspire, Comprehend, Transform) to end the sin of racism. Presently 100 facilitators are trained in EPA&GNJ. Congregations are just beginning to develop plans.

4 A Hope Center is a robust community outreach ministry in partnership with community organizations and the people of the community to develop the community and meet human need. Presently EPA&GNJ have 27 Hope Centers. Hope Center models include the following,

- Camp Y.D.P., a licensed childcare, after-school enrichment program, and summer day camp, serves low-income families.
- The Crisis Room provides food, clothing, emotional support, and rent and utility assistance to marginalized families.
- Pathways to Prosperity works to eliminate generational poverty through job training and financial education.

5 Generous giving sustains the mission of congregations, EPA&GNJ and the global mission of The United Methodist Church. Presently EPA is giving at 83% shared ministry apportionments and 92% billings, and GNJ at 90% and 94% respectively.

9. Nominations will be accepted from the floor provided a nominating petition fulfilling #2 above and an acceptance form are duly presented. Five hundred copies of a biographical profile and statement are required for immediate distribution.
10. Election shall be by majority of valid ballots cast on each ballot, clergy and laity voting separately.
11. Balloting for the specified number of delegates to General Conference will begin first. These persons are elected as delegates to General Conference and Jurisdictional Conference. After their election, the additional

number of persons to be elected as Jurisdictional Conference delegates shall begin. Upon completion of these elections, a final ballot will be taken to elect three alternates to Jurisdictional Conference; the three persons receiving the highest number of votes will be elected.

12. Judges of Elections shall be appointed by the Conference Secretary to oversee the tabulation of ballots, certify the election of delegates, and convey the ballots and report to the Conference Secretary.
13. All Jurisdictional Conference delegates will be alternate delegates to the General Conference in order of their election.
14. The Annual Conference will assume the costs of the first clergy and laity alternates to attend the General Conference. The Annual Conference will assume the costs of the six alternates to attend the Jurisdictional Conference.

### **Article XVII - Nomination of Episcopal Candidates**

1. The Annual Conference shall, in the year preceding the conference session during which Episcopal candidates are to be nominated, solicit potential nominees from all the members both lay and clergy of the Annual Conference. Each member may nominate the number of Elders for which there are vacancies in the jurisdiction to be filled, provided the nominees are Elders in good standing in the Conference. Any Elder who receives at least 10 nominations will have their biographical details and personal statement published and/or distributed through as many means as possible for study prior to the electing conference session.
2. At the EPA annual conference session immediately prior to the next regular session of the Northeastern Jurisdictional Conference, the EPA jurisdictional delegation may present one or more names to the annual conference for endorsement. The jurisdictional delegation may also choose to present no names to the annual conference. If the delegation places one or more names before the conference, annual conference delegates shall then proceed to confirm the recommendation(s) of the delegation by a 2/3 vote by those present and voting. Likewise, if the delegation recommends no persons, the annual conference shall vote to accept that recommendation by the same 2/3 vote.
3. If the opening ballot fails to obtain the necessary 2/3 majority to confirm the delegation's recommendation(s), additional nominations from the floor shall then be in order, provided.
  - a. The ordained elder(s) in full connection being nominated from the floor shall have given consent prior to the making of the nomination and will at the time the nomination is made present a nominating petition to the secretary of the annual conference with the names and signatures of ten persons, laity or clergy, who are members of the Annual Conference.
  - b. At least five hundred copies of a biographical profile and statement for such nominees will be available and distributed to annual conference delegates at the time the nomination is made.
  - c. A minimum of four hours shall elapse, after all nominations have been received from the floor, before a ballot is taken.
4. The annual conference shall then proceed to endorse a nominee (or nominees) by ballot as follows: all nominees shall be listed on the ballot, and a ballot taken. Any person(s) receiving a 2/3 vote would move forward as the endorsed Episcopal nominee(s) of the Eastern Pennsylvania Conference; provided that annual conference delegates may not vote on any ballot for more candidates than the number of open Episcopal seats anticipated at the ensuing Northeastern Jurisdictional Conference.
5. After five such ballots have been taken, a motion to discontinue balloting shall then be in order, requiring a simple majority. Any persons who have received the requisite 2/3 majority shall be considered the endorsed Episcopal nominee(s) of the Eastern Pennsylvania Conference. If no person has obtained the required 2/3 majority, then no person shall be considered to have been endorsed by the Eastern Pennsylvania Conference.
6. The Jurisdictional delegation shall not be bound by any action of the delegation or the annual conference regarding confirmed and/or endorsed nominees when the Jurisdictional delegates cast their votes at Jurisdictional Conference (p 405.1).

**Article XVIII - Petitions to General Conference**

For any General Conference resolution or proposed disciplinary change, the required vote to approve such resolutions shall require a 3/4 majority of votes cast. These resolutions will be placed at the beginning of the Conference Sessions.

**Article XVIX – Amendments**

These Rules and Regulations may be amended at any regular session of the Conference provided six hours shall elapse after the first reading before action is taken. A majority vote shall be necessary to adopt. Amendment may be made at a Special Session provided the proposed amendment is incorporated in the call.

**Article XX**

The Conference Secretary as editor of the Journal shall be authorized to make editorial changes to paragraph numbers to reflect the language of the current Book of Discipline. The Secretary will be further authorized to change the years listed in Article XVI as appropriate for subsequent general conference.

## **A PATH TOWARDS WHOLENESS**

A Church for All People Serving All People with Justice & Equity  
**2024 Report to the Eastern PA Annual Conference from the Economic Justice Team**

**In 2022, Eastern PA Annual Conference passed legislation “*A Path Towards Wholeness.*”** *A Path Towards Wholeness* is an urgent calling to our Conference to adopt a comprehensive strategy in order that all congregations and communities may experience wholeness. We understand that only through a just and equitable church will wholeness be possible for all congregations. Racial economic justice means building economic/financial systems and processes that enable all people to live more equitably in all areas of life. This requires us to address the inherited system inequities within our congregations and the resulting disadvantage of churches of color.

***A Path Towards Wholeness*** continues this work to create ***a more just, inclusive and equitable church.*** We seek to act **NOW** by creating:

- **N**ew ministries and revitalized ministries with churches of color;
- **O**pportunities for advancement with churches of color and clergy of color in leadership and ministry; and
- **W**itnesses in every local congregation who will work to dismantle racism in our churches and communities

1. **N**ew ministries and revitalized ministries with churches of color:

**Transformational Measures and Actions:**

- Provide funding and other resources, including but not limited to equitable salary and benefits, technology, training and consultants that will strengthen and increase the vitality of 10 existing congregations of color by Dec. 31, 2027 (Assigned to CCFA & Extended Cabinet)
- Develop 4 new faith communities of color, including at least 1 new Black faith community, by Dec. 31, 2027 by using new technologies and innovative strategies by Dec. 31, 2027 (Assigned to Extended Cabinet & CDT)
- Develop 10 Hope Centers serving racial/ethnic communities with a focus on locally based missions that intentionally connect, engage, and partner with their communities for sustainable transformation. Include Black & Indigenous Persons of Color (BIPOC) and community leaders and representatives to assess community needs and design plans to strengthen and resource identified needs. Foster relationships with local businesses and organizations in order to operate in an asset-based development model. Train congregations and community leaders through the Ministry Center in cultural awareness and to assist congregations to serve the people in their communities. (Assigned to Extended Cabinet, CDT & Urban Commission)

2. **O**pportunities for advancement with churches of color and clergy of color in leadership and ministry:

**Transformational Measures and Actions:**

- \$300,000 Investment in 2023; \$300,000 Investment in 2024, with a conference goal of 1.5M investment by Dec. 31, 2027, in clergy of color and churches of color through equitable salary; reduced apportionments and targeted development funding.
  - o (Assigned to CCFA; Cabinet; CDT & Urban Ministries)
- Using Eastern PA median household income, apportion (Connectional Ministries Fund - CMF) all EPA churches using the following metrics:
  - o Communities with median household income \$35,000-40,000 – apportion at 70% of current figures.
  - o Communities with median household income \$30,000-34,999 – apportion at 65% of current figures.

- o Communities with median household income \$25,000-29,999 – apportion at 60% of current figures.
- o Communities with median household income \$20,000-24,999 – apportion at 55% of current figures.
- o Communities with median household income below \$20,000 – apportion at 50% of current figures.

With concern for gentrification, we are using the median household income related to that church's specific race or ethnicity.

Those who believe they should be considered for a greater reduction may petition the Cabinet. (Assigned to CCFA & Cabinet)

- At least 50% of EPA agency chairpersons/co-chairs are People of Color by June 2027 (currently 41%) (Assigned to EPA Conference Committee on Leadership)
- Increase the total number of African American/Black; Hispanic/Latino & Korean clergy serving in EPA by 20% by 2027 (13 new recruitment) (Assigned to Board of Ordained Ministry and Cabinet)
- Development of 10 clergy of color transformational leaders measured by increase from ¼-½; ½ - ¾ and ¾-Full-time positions by Dec. 31, 2027. (Assigned to Cabinet)
- Ensuring accountability to equal pay for equal work by conducting regular administrative compensation reviews and consistent adherence to policies. (Assigned to Human Resources)

3. **Witnesses** in 90 local congregation who are culturally competent to lead EPA and its congregations to dismantle racism and will work to dismantle racism in our churches and communities:

**Transformational Measures and Actions:**

- Thirty (30) trained EPA facilitators who are actively engaged with 90 congregations that are developing a Dismantling Racism Plan in their local context (Assigned to DCM/Commission on Religion and Race)
- Create an anti-racism audit to be used in pilot local churches as part of the charge conference process by June 2023 and all local churches by June 2027. (Assigned to the Healing the Wounds of Racism Core Team)
- Provide intercultural competence and implicit bias training materials for leaders and congregations by June 2023 (Assigned to CORR; CR/CC Support Team of Companions & Trainers)

As adopted by EPA Annual Conference in 2022, the identified measures and actions shall be the priority of the Annual Conference for the next five years and modified as needed to adapt to the changing needs of the conference in order to create a more just, inclusive and equitable church. Each year, the Path towards Wholeness Team, along with the EPA executive staff, shall report to the Annual Conference the progress on the objective as follows.

The below information represents Eastern Pa Annual Conference updates from Jan. 1, 2023-Dec. 31, 2023:

- EPA CORR and COSROW added an implicit bias review to all Annual Conference legislation and reports for Annual Conference 2024
- Human Resources is reviewing current salaries, adding a cost-of-living increase in 2024 and merit increases in 2025; Human Resources continue to monitor equity in hiring practices
- The cabinet has reviewed both their recruitment and appointment process to ensure equity and consistency. For the first time in 2023, we engaged in international interviews as part of our recruitment

strategy. 4 Korean clergy and 2 Filipino clergy were appointed to EPA in 2023.

Recommendations:

- Grant Process:
  - o Review of the grant process indicated that churches of color primarily applied for and received equitable salary grants to support salary and often did not apply for program grants.
  - o Continued revision of the grant process is needed so that all churches of color are aware of program grants in addition to equitable salary and have access to grant opportunities along with support for grant writing. A member of the superintending team should be assigned to support grant writing and/or mid-year evaluation support when requested.
  - o Grant applications should be sent directly to all churches of color.
- Intentional Recruitment of African American Clergy
  - o Funding for African American clergy in seminary/local Pastor school should be prioritized as part of our BOOM local Pastor/scholarship program
  - o Recruitment strategies should be expanded to colleges; racial/ethnic demographics should be analyzed in colleges/seminaries so that we can intentionally focus on recruitment of African American clergy
  - o Internships for young adults and college students should be marketed both internally and externally
  - o Discipleship is a process, and we need to be highlighting a call to ministry for children, youth, young adults and adults.
  - o Cohort confirmation classes may become incubators of future leaders and should receive grant funding to support a BIPOC confirmation camp, youth group experiences and connectional opportunities
- While we have made some progress on new church starts and revitalized churches of color, intentional work needs to be done now in revitalization of churches of color, particularly in urban contexts.
  - o Analysis of church buildings and new ways of using space in urban contexts needs to be conducted
  - o Coaching/Training in how to develop Urban Fresh Expressions should be provided to clergy and laity. Continued cohort experiences with lead urban clergy across the US will be important to learn new methods and share risk-taking strategies.
  - o Funding to support clergy development from part-time to full-time, and staffing support, especially in urban contexts, is necessary to continue to develop revitalization plans
  - o Training and support for laity is essential. Urban modules of Christ Servant Minister & Certified Lay Minister should be considered.
  - o DCOMs and BOOMs need to be equipped to identify gifts in revitalization, church planting and urban ministry

## **COMMISSION ON THE STATUS AND ROLE OF WOMEN**

### **Commission on the Status and Role of Women (COSROW) Report to the 2024 Annual Conference**

Mission: To have women, children, and men equally and fairly represented and involved on all levels of the Church generally. To have women equally represented in clergy and leadership positions of the church. To have women equally represented in laity positions of the church.

COSROW currently has five members, all women, on the committee. All are equally involved in every part of the committee. Everyone has an opinion and all are heard. We would like more representation; we only have one member from the North District, and all other members are from the East District.

Our four areas of focus are in tune with General CSRW:

- Sexual Ethics – Provide resources for how to respond to and prevent sexual misconduct in the United Methodist Church through education, policies, and support.
- Monitoring – To monitor the annual conference, for inclusiveness and report this information to the East Conference of Pennsylvania.
- Education – To educate on inclusiveness, expansive language and women's issues in support of both the Church and the world.
- Leadership – To nurture clergy and lay leaders in the church, both women and men, to recognize every person – as full and equal parts of God's human family.

Since becoming Chair of this committee in May 2022, we have focused on education regarding various women's issues. We presented some educational programs via zoom in 2022 and 2023.

We presented at the East District Tools for Ministry in 2023, and also presented at the North District Tools for Ministry in 2023, where we spoke about women's issues in the church and gave handouts of various publications from GSRW.

We will be involved in monitoring the 2024 Annual Conference, and will increase our presence in the Conference overall.

# COMMISSION ON RELIGION AND RACE

## Annual Report to the Eastern PA Conference of the United Methodist Church Commission on Religion and Race

### Vision: (*Revised in 2023*)

*The Commission on Religion and Race of EPA/UMC is committed to fostering transformational anti-racism work, which encourages and supports systemic change as we recognize diversity, live into institutional equity, strive for inclusion and belonging, foster intercultural competency and cooperation, and engage in straightforward Christian conversation.*

*We endeavor to provide practical resources and support to leaders throughout the church to help them engage and embrace the cultural diversity present in our congregations and communities.*

### Mission:

*To challenge, equip and enable full and equal participation of the racial ethnic constituency in EPA/UMC. The mission will be fulfilled by:*

- Ensuring inclusiveness as we make disciples of Jesus Christ for the transformation of the world.
- Supporting leaders who are committed to the overall goals of the General Commission on Religion and Race.
- Giving voice to the issues and concerns of racial ethnic people within the bounds of EPA/UMC.
- Developing and/or distributing resource materials related to issues of racism, diversity, inclusivity and institutional equity.
- Participating as an active stakeholder in the implementation of the NE Jurisdiction Call to Action.
- Monitoring all levels of the church for equity, and advocating for justice where inequity is found.

### Expectations for Members of this Commission:

- Attend all scheduled monthly meetings - either by video, phone or in person. A maximum of 3 unexcused sessions will be granted (discussion will occur concerning your commitment). If you are unable to fulfill your regular engagement with this commission your participation will be discontinued and a replacement made.
- Reply promptly to all email and text requests for a response - especially those identified as **URGENT!**
- Participate in preparing and sharing a devotion for at least one CORR meeting.
- Represent CORR at other Conference and Church related events and gatherings – especially with groups, churches, Districts, task forces, and connectional ministries and events.

### 2023 Accomplishments/Met Goals

It goes without saying that we faced a myriad of challenges and changes seemingly taking place all at once that brought changes and challenges to our Conference, our Commission and our leaders. As we stated during one of our Monitoring Reports to Annual Conference in May of 2023, *most of us don't have an issue with change, we understand that change is the norm, yet the pace of the changes was mindboggling and troubling: it was breeding ground for misinformation, disinformation and rumors, so we stressed the need for transparency to the Bishop and the Conference: the good, the bad, and the ugly: we have no other choice- we can't lose trust in each other and on the Conference.* We heard this often- loud and clear before, during and following our Annual Conference. The final report was shared with the Bishop and Conference Sessions as well.

### Winter 2023

2/11

EPA/GNJ Leadership Academy Planning Session. Working session to

develop a comprehensive curriculum to support Pathways. It was noted that there was nothing in the plan to address the grief, anxiety and loss in congregations as the disaffiliation process continues.

2/25 Building Bridges Training, Part 1- @ Cedarville UMC

**Spring 2023**

3/22 CRCC Pastors met with Bishop Schol and the Cabinet for Brunch at St Matthews UMC in Valley Forge.

3/25 Building Bridges Training, Part 2- March 25 via Zoom

4/27 CORR and other EPA Representatives participated in the *Affiliation Retreat to End Racism* at Carson Simpson Farm. This retreat was led by Eric Drew from GNJ.

4/29 Building Bridges Training, Part 3, @ Coventryville UMC  
EPA Annual Conference- we had a team of monitors with ears and eyes on the Conference- before, during and afterwards. Reports were presented as scheduled.

A CRCC workshop was offered at the West District Tools for Ministry on Biblical Foundations for Ministry Across Differences. Co-Facilitators were Beverly Andrews & Alicia Juliá-Stanley.

6/3 CRCC Annual CR/CC Ministries Intro Workshop with GNJ. Used Zoom format.

6/9-10 BIPOC Clergy Retreat at Innabah. All participants shared they didn't realize how much they needed this sacred healing time and space, but received it with gratitude!

**Fall 2023**

Economic Justice Council presented Budget Legislation to the Special Session of the Annual Conference, this was specific to Economic Justice, concerning the work on Apportionments.  
There were reductions in CMF of 20-30%, and these reductions will be expanded to *all billings and all apportionments for 2025 budget. This is a significant shift (Dawn) and a major step towards equity- where the rubber meets the road. We must remember that minimum salary directly affects retirement income: many of our pastors have shared their situation with CORR members, so we must endeavor to find ways to fill that gap.*

**October**

Co-Sponsored the CDT Book Study for Jemar Tisby's, *The Color of Compromise*. Retired Bishop Al Johnson led the discussion

sessions. Well attended.

CORR prepared and sent a letter to Bishop and HR asking for consideration of Hispanic/Latino candidates for key staff positions, to reflect the diversity of our communities- and share decision power.

**Ongoing**

**Representation in the Connectional Table**

**Youth/Young Adult Ministries @Drexel Ministry is feeding hungry students! Not just feeding their spirits, but also feeding their bellies! Many college students can't afford to pay for their meals- so they go hungry!**

**Planning of video teaching sessions for Lay Academy for both EPA and GNJ** (including theme selection, presenters, scrip, identify additional available teaching resources to enhance the session)

## **CONGREGATIONAL DEVELOPMENT TEAM (CDT)**

### **Congregational Development Team**

#### **Report to the 2024 Annual Conference**

The United Methodist Church has four “Areas of Focus” for mission and ministry. They are:

- Developing Principled Christian Leaders
- Creating New Places for New People
- Engaging in Ministry with the Poor
- Improving Global Health

The work of the Congregational Development Team involves the first two of those areas: Developing Principled Christian Leaders and Creating New Places for New People (although the churches and individuals we partner with may be working with the other two areas at times). This work is done through the awarding of grants to enable individual EPC congregations in their work in their communities and through conference wide educational and training program offerings.

Over the last year, the CDT has approached this work in the following ways:

We sponsored 4 conference-wide book studies over Zoom to increase the understanding and skills of the clergy and laity in our churches, utilizing the authors of those books to lead the studies whenever possible. They were:

Tempered Resilience: How Leaders are Formed in the Crucible of Change, Tod Bolsinger

Generosity, Stewardship, and Abundance: A Transformational Guide to Church Finance, Lovett Weems and Ann Michel

Both/And: Maximizing Hybrid Worship Experience, Jason Moore

The Color of Compromise: The Truth about the American Church’s Complicity in Racism, Jemar Tisby (led by Bishop Al Johnson)

We oversaw the Denman Awards, with the purpose of not only recognizing where individual persons have shown leadership in evangelism, but also providing a model for others to follow.

We participated in a joint task force made up of members of CDT and the Urban Commission to partner with churches seeking to develop Wholeness Centers.

We participated in the new conference wide unified grant process.

## LANCASTER THEOLOGICAL SEMINARY

### Our Mission

Lancaster Theological Seminary's mission is to educate and nurture leaders to join in God's redemptive and liberating work so that all creation may flourish.

### Our Collaboration

In March 2021, the Boards of Trustees of Lancaster Theological Seminary, Moravian Theological Seminary, and Moravian University discussed the possibility of partnership. Our institutional connection has expanded over the past three years as Lancaster and Moravian have begun to work together, envisioning a future deeply rooted in our individual histories and shaped by our shared commitments.

### Our Commitments

Central to this partnership was identifying the core commitments that shape our work in curriculum development, teaching, worship, and common life:

- We honor the heritage of both Moravian and Lancaster seminaries, including the distinctive ways in which each school expresses ecumenical and interfaith diversity.
- We aspire to build learning communities in which every person experiences agency and belonging.
- We affirm that diversity of all kinds benefits our common learning and personal formation.
- We strive to build a community life marked by love of God and neighbor, expressed in life that is respectful of all races and nationalities, anti-racist, open and affirming toward LGBTQIA+ persons, and accessible to all.
- We promote deep engagement with Christian traditions and other spiritual heritages, with openness to diverse expressions and emerging perspectives. We value critical reflection on self, society, church, and faith.
- We promote a community that involves the whole person: understanding, practicing, and being.

We continue to work through the remaining stages of the regulatory and accreditation processes of the consolidation, processes that will wrap up in the summer of 2024. Meanwhile, the joint faculty of Lancaster Seminary and Moravian Seminary has crafted a common Master of Divinity curriculum that will span both seminaries beginning in the fall of 2024. It is one of several exciting degree and certificate programs we offer.

### Master of Divinity (MDiv 78 credits)

Become a spiritual leader for your community and the world. Deepen your understanding of your faith and the faith of others. Get first-hand experience in spiritual leadership. Prepare to serve and lead in various religious, spiritual, and nonprofit careers. Our MDiv meets many denominations' requirements for ordination as well as requirements for doctoral-level studies.

### Master of Ministry (MMin 48 credits)

Seeking deeper theological reflection on the practice of ministry but don't require a Master of Divinity degree? Our program is for new or continued ministry, grounded in the traditional disciplines of biblical studies, theology, history, ethics, and integrated with skills needed for leadership, individual and community formation, and spiritual care.

- Certificate in Biblical Studies
- Certificate in Formative Spirituality
- Certificate in Spiritual Direction – two years
- Certificate in Spiritual Direction Intensive – one year

### **Tuition Sharing Program**

Lancaster Theological Seminary has our students at heart. We are greatly concerned by student debt for seminary, so the Tuition Sharing Program was instituted. It is designed so that students will attend seminary tuition free. In this program we invite denominations/ congregations to invest in student's education by paying up to 1/2 of the tuition and LTS pays likewise up to the other half. To date it has been mostly our UMC students and their conferences that have taken advantage of this scholarship program with 50/50 sharing.

The United Methodist Church, and the various conferences and congregations have been wonderful partners in this seminary journey of preparing faith leaders to join in God's liberative and redemptive work so that all creation may flourish.

## **LATINO COMMISSION**

Throughout 2023, the Latino Commission has intentionally assessed the performance of our churches. The primary purpose has been to understand the needs, challenges, and necessary resources to further our vision of becoming vital churches. This approach involves developing leaders capable of transforming our communities, shaping believers into disciples, multiplying disciples, and engaging our youth to take on more active roles in their congregations. Additionally, efforts have been made to identify the gifts and abilities within the local church and to recognize those who are responding to the call to ministry.

With sorrow, we witnessed the departure of Nuevo Nacimiento Church, and one Local Pastor and one Lay Missionary through its disaffiliation from the Methodist Church, we entrust their lives to God's guidance. Nevertheless, in the Lord's vineyard, there is always room for each life, and we rejoice in celebrating that the remaining members who chose not to disaffiliate found a home in Bethany Church in Lebanon. They were welcomed with open arms and hearts. They are fully committed to developing their talents within the congregation while actively engaging in the neighborhood. They aim to understand the dreams and challenges of the community, ultimately striving to reach them for the Lord.

The year 2023 was a continuation of watering the seeds planted in 2022. Our focus has been on further strengthening local churches. We celebrate the blessing of receiving a grant from the National Plan in conjunction with the Equitable Pastor Compensation Committee, which has made it possible to support financially some of our churches. The purpose is to alleviate the economic burden of providing the pastor's salary, allowing them to focus on church growth, community outreach, and establishing a financial plan to become self-sufficient churches.

- Tools for Ministry: Emphasis on The Wesleyan Tradition and Structure of the Methodist Church, including Vision, Mission, structure, and connectionalism. This session attracted approximately 24 lay members and a few pastors.
- Church Vitality: Despite some churches experiencing member losses due to misinformation about disaffiliation, efforts are underway to cultivate and train new leaders who can fill vacant positions. Discipleship remains a top priority within the churches.
- Community Outreach, organized and purposeful, involves the development of projects such as English classes, basic computer classes, a food and clothing bank, and sports initiatives for children. Additionally, there was a significant event planned for our youth.
- Spiritual formation through discipleship, the practice of acts of grace such as vigils, congregational fasting, and prayer times are ongoing activities in local churches. This year, the focus during our Holy Convocation was unity through prayer, with an attendance of over 55 individuals.
- The Latino Camp, as is customary, was a great success with a consistently high attendance of 50 campers. The theme "God Beyond Measure" led the children to a deeper understanding of who God is, His greatness, His love, and His purpose for them.
- The Pastor's Retreat was a time of prayer, fellowship with group dynamics, and sharing our challenges and achievements. We celebrated the retirement of Rev. Elena Ortiz, acknowledging her invaluable contributions to the Commission and the Conference.
- Youth Force Event: On November 11, we host at Casa del Pueblo over 45 enthusiastic young individuals. The gathering aimed to foster fellowship, establish connections, and fortify bonds through two insightful workshops focused on unleashing the leadership potential within each participant.
- Concluding with our Christmas Celebration and Assembly, we emphasized a call to unity and fellowship, preparing ourselves for the days ahead. We affirmed those who will serve the Commission for another year and welcomed our new Co-Chairs, Alicia Juliá-Stanley and Marcos Rios.

Several projects are in progress, and we trust to make positive strides throughout 2024.

- We are organizing and strengthening our youth, encouraging them to consider the call to ministry as a sacred and worthy opportunity.
- We will collaborate with the Leadership Academy to translate courses already developed in English and present them in Spanish. Additionally, we will work on creating essential courses in Spanish to strengthen our churches.
- We are collaborating with the National Plan for the development of new Lay Missionaries and establishing a common strategy with Great New Jersey (GNJ) .
- Training workshops will be conducted to strengthen the laity.

None of what has been achieved or is yet to be accomplished can be carried out without the selfless service of each member of the Commission and the support of the Conference.

In Christ,

Lisa DePaz,

Coordinator for Eastern Pennsylvania Conference (EPA) Latino Ministries.

# LEADERSHIP ACADEMY PREACHING INSTITUTE (LAPI)

## *Conference Report for EPA & GNJ 2024*

### **Background**

In September 2023, Lilly Endowment approved 81 grants to organizations across the United States through its Compelling Preaching Initiative. The aim of the initiative is to help Christian pastors strengthen their preaching so they can better inspire, encourage, and guide people to live their faith more fully. The Greater New Jersey Annual Conference, in collaboration with the Eastern Pennsylvania Annual Conference, applied for and received a \$1.25 million grant for this purpose, 2024–2027.

### **Mission**

Through our Leadership Academy, the United Methodists of Eastern Pennsylvania and Greater New Jersey strive to grow transformational leaders who are leading congregations and ministries to make disciples of Jesus Christ and grow vital mission congregations for the transformation of the world. Supported by the Compelling Preaching Initiative Grant, the **Leadership Academy Preaching Institute (LAPI)** seeks to empower ordained clergy, commissioned clergy, local pastors, lay preachers, and congregational leaders to cultivate compelling preaching that leads to congregational vitality.

### **Project Summary**

Compelling preaching has been a hallmark of the Methodist tradition throughout its history. In times marked by widespread economic hardship, ongoing health threats, and a society aching for moral and spiritual guidance, the broadly accessible preaching of figures like John Wesley, George Whitefield, Richard Allen, William Otterbein, Jacob Albright, Harry Hosier, Francis Asbury, Jarena Lee, Sally Thompson, and Phoebe Palmer sparked widespread, transnational spiritual awakening that traversed the borders of class, race, gender, and theological difference. Today's world is no less in need of spiritual awakening, and the UMC has a profound opportunity to speak into the current world's ache for a word of hope through a renewal of our longstanding commitment to compelling preaching.

The UMC is at a critical inflection point in its history. As the largest Mainline denomination in the United States, it remains a major influence in the American religious landscape today. It is also a connectional body that bears the scars of decades of membership decline. This culminated in a schismatic rending that has produced far more national headlines about the denomination's internal conflicts than headlines about its continually transformative work of making disciples of Jesus Christ all over the world. The Eastern Pennsylvania & Greater New Jersey Annual Conferences ("EPA&GNJ") recognize the urgent need to live into our Wesleyan legacy of homiletical zeal and connectional innovation by equipping passionate preachers to deliver messages of hope to a watching and waiting world.

Through the Compelling Preaching Initiative grant, EPA&GNJ plan to expand upon the strengths of our existent Leadership Academy by adding a robust preaching component to our continuing education program. The Leadership Academy Preaching Institute ("LAPI") is a hybrid continuing education program designed to cultivate compelling preaching that leads to congregational vitality.

The Preaching Institute will offer (1) a hybrid 10-month intensive certificate program through which preachers chosen as LAPI Fellows will focus on honing their craft alongside exceptional preachers, instructors, and intergenerational cohorts; (2) congregational coaching for the development of collaborative preaching practices and effective feedback loops for preachers; and (3) short-term online courses, for both lay listeners and preachers, that will empower the cultivation of contextual practices of proclamation and holy listening.

### **Goals**

1. The 10-month certificate program will be offered three times from 2025 through 2027.
2. Over the course of those three years, total engagement goals in the program include:
  - 250 LAPI Fellows, including clergy and lay preachers.
  - 1000 laity from 250 congregations participating in Collaborative Preaching Workgroups and online

LAPI courses.

- 25 trained clergy facilitators/coaches from EPA&GNJ.
- An additional 125 laity leaders engaging in online courses offered through LAPI.
- An additional 125 ordained, commissioned, licensed, and lay preachers engaging in online courses offered through LAPI.

**Anticipated Outcomes**

Preachers and SPRC members, key church leaders, and clergy colleagues (Listeners) will be empowered and equipped in the following ways:

- Preachers will cultivate practices and develop skills that enable them to engage congregations, both in-person and online, in compelling ways that lead to measurable congregational vitality.
- Preachers will become more adept at delivering sermons that effectively reach more diverse listening communities, addressing gender bias and including cross-generational and cross-cultural/cross-racial Listeners.
- Preachers will view the craft of preaching not as having a goal of “arrival,” but one that requires ongoing reflection and lifelong learning, as they adapt their practice to various contexts, seasons of ministry, and the demands of a hurting world in need of the gospel.
- Preachers will learn how to incorporate the practice of listening and watching sermons from other preachers (as well as their own) to develop their own skills and strategies in the pulpit.
- Listeners will cultivate practices and develop skills that enable them to provide timely, honest, thoughtful, and insightful feedback, leading to more effective preaching.
- Preachers and Listeners will have a clearer understanding of the role of preaching in the life of the church and its direct impact on congregational vitality.
- Preachers and Listeners will learn how to work together to develop preaching that is relevant to their specific context, speaks to the needs of their community, and provides a true reflection of the all-welcoming reign of God.

**Get Involved!**

During 2024, the Leadership Academy Preaching Institute will gather data through focus groups and surveys, to assess needs within both conferences. In June 2024, applications for the LAPI Certificate in Compelling Preaching program will be open. Selected participants will be notified in September, and the program will launch in February 2025.

We look forward to directing and coordinating this multi-year initiative within EPA & GNJ and cultivating a renewed ethos of faithful and compelling preaching within United Methodism.

# ORDER OF DEACONESSSES

## Report of the Order of Deaconess/Home Missioner (DHM) Eastern Pennsylvania Annual Conference, May 2024 Celebrating 135 Years of Love, Justice & Service

### **Our movement<sup>1</sup>**

The earliest known usage of the term deaconess comes from Paul's letter to the Romans, when he wrote: "I commend to you our sister Phoebe, a deaconess of the church at Cenchreae, that you may receive her in the Lord as befits the saints, and help her in whatever she may require from you, for she has been a helper of many and of myself as well" (Romans 16:1-2). The Methodist deaconess movement in the United States began when Lucy Rider Meyer and her husband started the first deaconess training school in Chicago in 1885. In 1888, the Office of Deaconess was officially recognized by the General Conference of the Methodist Episcopal Church, and the office has remained active ever since. Methodist deaconesses in the late 19th and early 20th centuries are credited with starting schools and hospitals in communities where they did not previously exist, and the need for such ministries was great. Deaconesses often worked under harsh conditions and in cutting-edge ministries of social service on behalf of women, children and youth. They were courageous and set the path for many institutions in social service around the country today. Deaconesses and Home Missioners continue this legacy of serving in cutting edge ministries of love, justice and service today. We serve in a variety of ministry settings including health/wellness, law, education, advocacy and social service.

At the General Conference in 1988, when the category of home missionary was eliminated in The United Methodist Church, there was no place for laity who identify as men to live out a recognized calling to lifetime service. This led to the establishment of the home missionary category of service, the equivalent to deaconesses at the 2004 General Conference. Legislation was passed at General Conference 2016 to make the Office of Deaconess and Home Missioner an official order within The United Methodist Church. The Order of Deaconess and Home Missioner is one of three orders of ministry in The United Methodist Church serving alongside the orders of Elder and Deacon and is the only order for laity. Deaconesses and Home Missioners feel called by God to a full-time vocation in service with those who are marginalized and in need in the world today.

"Deaconesses and Home Missioners function through diverse forms of service directed toward the world to make Jesus Christ known in the fullness of God's ministry and mission, which mandate followers to:

- a) Alleviate suffering
- b) Eradicate causes of injustice and all that robs life of dignity and worth
- c) Facilitate the development of full human potential
- d) Share in the building global community through the church universal."<sup>2</sup>

### **Our Ministries Vary. Our Call to Service Binds Us.**

The Eastern Pennsylvania Conference has 6 active Deaconesses serving under appointment and 1 Deaconess in retired relationship. We serve in a variety of ministry settings including health/wellness, law, education, advocacy and social service. Our ministries vary but our call to love, justice and service binds us as a covenant community.

*"I serve as a nurse with Bayada Pediatrics in Lancaster, Pennsylvania." I provide nursing care at home and in school for children with developmental and intellectual disabilities who also have complex medical needs. By providing this care, it is then possible for the child to attend school and/or for mom and dad or caregivers to have a break from constant caregiving. I love my job and I love providing comfort, dignity, and love to each*

*"I serve as the Executive Director of the Center-Philadelphia at Arch Street UMC in Philadelphia. The Center serves our unhoused/unsheltered neighbors as a daytime drop-in center offering health/wellness, healthy meals, hygiene, case management and housing assessments. In 2024 we offered more than 30,000 separate services and distributed more than 21,000 items from our clothing closet. We advocate for systemic changes at the city, state and federal level for policies that make justice a reality in our community and beyond. Deaconess Darlene DiDomineck, East District*

The United Methodist Deaconess movement is a founding member of the worldwide ecumenical diaconal movement called DIAKONIA. DIAKONIA offers an international and ecumenical community of diaconal friendship, connecting us in diversity and commonality. DIAKONIA broadens our worldview and deepens our sense of diaconal vocation. DIAKONIA reminds the church of God's call to service, justice, compassion, and peace for creation, and assists us in living out our ministries in the world with vision and hope. Diaconia is organized into three regions. In the summer of 2023 the ecumenical diaconate gathered in Minneapolis for our quadrennial regional gathering of the Diaconia of the Americas and the Caribbean (DOTAC).

In November of 2024 we will gather as an order through our association (The National Association of Deaconesses, Home Missioners and Home Missionaries - NADHM) at the historic Scarritt Bennett Center in Nashville to learn, dream, worship and advocate together. **The order of Deaconess and Home Missioners meets virtually weekly for spiritual support, held 6 discernment events, facilitated intersectional justice education training events, met for advent and lenten studies and consecrated 16 new Deaconesses and Home Missioners while recognizing 6 transferring Deaconesses from the Philippines.**

### **Is this the Call for you?**

Is this a Call for you? If so, there is an opportunity to be a part of a supportive community in relationship with The United Methodist Church as a deaconess or home missionary. Discernment Events are held at various times throughout the year. The Deaconess/Home Missioner Discernment event is an opportunity to explore God's call to vocational ministry. **If this calling is for you or someone you know, we want to hear from you!**

## ORDER OF DEACONS

Eastern Pennsylvania Conference, The United Methodist Church

Submitted by Darryl W. Stephens, chair

The Order of Deacons has been busy over the past year! We convened a virtual fellowship and prayer among deacons and candidates, November 4, 2023, and held a retreat for deacons and candidates at Gretna Glen Camp and Retreat Center, Lebanon, PA, April 20, 2024. We also celebrate that five deacons were invited to participate in worship at the special session of annual conference on September 9, 2023. The Rev. Joanne Miles served as co-celebrant alongside Bishop John Schol. In addition, members of the Order participated in several ecumenical and denominational events:

- “Mondays in May” virtual seminar series, Diakonia of the Americas and Caribbean (DOTAC), May 1–29, 2023.
- 2023 DOTAC Assembly: “Gather at the River,” August 14-18, Minneapolis, MN.
- UMC Deacons Fall Gathering, “Exploring Our Four-Fold Call: Justice,” September 20–22, 2023, Washington, DC.

To promote visibility and understanding of the ministry of deacons, we created the following resources:

“Living into Baptism through Diakonia,” Eastern PA Conference, UMC, September 16, 2023. <https://www.epaumc.org/news/living-into-baptism-through-diakonia/>.

“The Diaconate Call & Bivocational Ministry with Darryl Stephens,” Uncovered Dish Christian Leadership Podcast, September 13, 2023. <https://soundcloud.com/uncoverreddish/ep-411>.

The ministry of the diaconate is unique to each person. These are some blessings and joys of ministry by deacons of the Eastern Pennsylvania Conference in their own words:

“It was a joy to coordinate and serve our community as we demonstrated our care for their furry family members by hosting a Blessing of the Animals event.” —Rev. Jane McCarthy

“Serving as a re-purposed deacon in 2023, I served with the EPA CR/CC Trainers’ team and listed on South District Pulpit Supply list. In the community, I serve with Black Women of Chester County in Action with the Racial Trauma: Resiliency & Recovery team and #Our Voice Should Be Heard—Civic Empowerment team.”

—Rev. Dr. Deborah Tanksley-Brown

“I’ve had the joy of teaching on the United Methodist’s Social Principles several times this year which has initiated deep, rich, and meaningful conversations about how we engage our culture with our faith.”

—Rev. Eddie Cameron

“Although retired, I am blessed to continue serving by leading worship and preaching at my former appointment.”

—Rev. Stephanie Brown Wilson

“In my role as director of Civic & Community Engagement at William & Mary, our team completed a Year of Transformation, adapting our approaches to community partnerships to move beyond transactional to

more transformational, and created new mission, vision, values, and other guiding principles in our work with students—and are already seeing fruits of these changes.”

—Rev. Melody Porter

“As an Instructional Support Teacher at a public cyber school, God continues to put students and families in my path that need a ministry of presence and to feel God’s peace in a setting where I cannot speak God’s name.”

—Rev. Tiffany Manning

“What a joy to speak about *diakonia* in the United States alongside my wife, Deaconess Myka Kennedy Stephens. We taught at the diaconal studies institute of the University of Heidelberg in June.”

—Rev. Dr. Darryl W. Stephens

In addition to my role as chair of the Order of Deacons, I have been collaborating with ecumenical partners from around the world to create a new resource. The book *Diaconal Studies: Lived Theology for the Church in North America*, co-edited by Darryl W. Stephens and Craig L. Nesson, will be published by Regnum Books International in 2024. This project is supported by grants from the E. Rhodes and Leona B. Carpenter Foundation and the Oxford Centre for Mission Studies.

## **PRISON MINISTRY AND RESTORATIVE JUSTICE**

This year, the Prison Ministry and Restorative Justice Team led several programs to educate congregants and to be in ministry with those who are incarcerated.

- Healing Communities Training – This training was provided, for the first time, as part of the GNJ Leadership Academy. Six individuals, representing both EPA and GNJ Conferences participated in the training to assist congregations in supporting individuals who have been impacted by the criminal justice system.
- The Toiletry Bowl – a success – thanks to the many who participated! Bars of soap (**1070**), tubes of toothpaste (**538**), deodorant sticks (**550**) and tubes of hand cream (**284**) were delivered to the Philadelphia Prison System’s Head Chaplain for distribution to those entering incarceration. On the day of delivery, a small team of individuals representing EPA and GNJ were able to assemble and distribute bags of these needed items to a group of incarcerated individuals in the intake section of one of Philadelphia’s correctional facilities.
- Christmas Cards for People in Prison – **5688** cards with encouraging hand written messages were delivered to a total of 8 correctional facilities for distribution to the incarcerated as a sign of God’s love and care. This program is greatly appreciated by both Chaplains and the incarcerated individuals who receive the cards – some of whom do not receive cards from anyone else. Thanks to all who participated in this program, as well as the unused cards below!
- Unused Commercial Christmas Cards – **5690** cards were collected and delivered to the Chaplains at 2 correctional facilities for distribution so that the incarcerated people in their care could send cards and messages to their loved ones. Your contributions helped this important ministry of helping to maintain connections with supportive family and friends on the outside.

In addition, 15 *Life Recovery Bibles* were provided to the Philadelphia Prison System, and a congregation was assisted in making a connection with Lehigh County Correctional Facility for donation of *Life Recovery Bibles*. Two congregations were assisted in making a connection with Montgomery County Correctional Facility for donation of copies of *Experiencing Grief*, by H. Norman Wright, to assist incarcerated individuals who had received notification of the death of a loved one.

Respectfully Submitted,

## **SAFE SANCTUARY COMMITTEE**

### **Report of the Safe Sanctuary Committee 2024**

Safe Sanctuaries made strides and accomplishments in the year 2023. We met several times in order to revise our Resolution to the 2023 Annual Conference. In addition, we submitted and had approved a new addition to Safe Sanctuaries: Vulnerable and Older Adults, resolution.

Our team worked very well together, and we have added 3 additional members since 2022. I believe our team of both clergy and laity work very well together, and each member contributes to our efforts to keep our children, youth, and older adults safe in our churches.

We have also been doing in-person training at Tools for Ministry sessions which had been offered in 2023 for the combined South and East districts session and is being offered this year for all three sessions covering all districts. Our Zoom trainings which we have had 4 since 2022, have also been very successful with 100-150 participating in the training. Training is upcoming once again June of 2024 and has been a 3-hour time slot due to the additional resolution. We get many chat questions which we answer right away or provide answers after checking with legal or other members of the committee if necessary. Everyone seems engaged during the PowerPoint training which breaks often to answer many questions.

In May we will offer the training on ZOOM in Spanish for the first time. This will be offered semi-annually or annually as need is discovered.

In 2024, the Safe Sanctuaries committee will be meeting to look into our Computer Use Policy Resolution, which probably requires some updating as Zoom is used frequently now, and additional technology is available in some of our churches, so needs addressing.

Beginning 1/1/24 Rev. Jacqueline D. Daniszewski is serving as the Safe Sanctuaries Coordinator, a new position with EPA. Her job will be to review and certify each church's Safe Sanctuaries policies so when submitting paperwork for charge conference time, we can be sure all our churches are complying.

It is the honor of each member of the team to be involved, helpful and bring to the group any needs as they arise and help all of our churches, clergy, and laity in the goal of keeping our sanctuaries safe for all attendees. We thank you for this committee and all the great support we have from our EPA leadership.

## UNITED THEOLOGICAL SEMINARY

DAYTON, OH

For more than 150 years, United Theological Seminary has prepared men and women to serve as faithful and fruitful Christian leaders who make disciples of Jesus Christ. In the 2022-2023 academic year, the seminary served 547 students, representing 36 states, 20 countries, and 43 denominations, with 38% of students identifying as United Methodist. United celebrates the student body makeup that is 43% African American, 27% White, 18% international, 9% Hispanic, and 2% Asian or Pacific Islander.\* During the 2022-2023 academic year, 120 graduates completed their programs.

### Houses of Study

United's academic programs include seven Houses of Study for denominational, church renewal, and/or language- and culture-based ministry, including online Spanish and Korean houses of study. These houses of study have enrolled over 120 new master's students in the United States and around the world.

### Bishop Bruce Ough Innovation Center

In 2023, the Bishop Bruce Ough Innovation Center, directed by Rev. Sue Nilson Kibbey, engaged more than 5,000 participants through 64 resourcing events and activities. The Center partnered with the Black Methodists for Church Renewal Laity Advocacy Committee to conduct the 2023 Laity Leadership Institution. The Center also launched a *Dynamite Prayer* movement, based on the guidebook *Dynamite Prayer: A 28 Day Experiment* (Invite Resources, 2022) by Rev. Kibbey and Rev. Dr. Rosario Picardo. Multiple United Methodist conferences and more than 90 congregations across denominations committed to be part of a Dynamite Prayer Wave and received resourcing on the practice of "breakthrough prayer."

### New Faces at United

Over the past year, the seminary welcomed several new members to the United community. Bishop James Swanson, most recently bishop of the Mississippi Conference of The United Methodist Church, was installed as United Methodist Bishop-in-Residence. Dr. Pauline Paris Buisch and Rev. Dr. Xavier L. Johnson joined the faculty as Assistant Professor of Old Testament and Assistant Professor of Preaching and Black Church Studies, respectively, and Dr. Eliseo Mejia came on board as the Academic Oversight Officer for the Hispanic House of Study.

### Reducing Student Debt

Finances shouldn't stand in the way of a seminary education. That's why United has launched the Fresh Wind: Where the Spirit Takes Flight campaign to add \$10 million to the scholarship endowment, which will dramatically increase the seminary's capacity to provide scholarships to students for many years to come. As of January 2024, the seminary was more than 70% toward the \$10 million goal.

# **GAMMON THEOLOGICAL SEMINARY**

## **2024 REPORT**

Gammon Theological Seminary is the Interdenominational Theological Center's United Methodist constituent member in Atlanta, Georgia. The Interdenominational Theological Center (ITC) is a Christian Africentric ecumenical consortium of seminaries and fellowships that educate students to commit to practicing justice and peace through a liberating and transforming spirituality to become leaders in the church and local/global communities. Gammon was founded in 1883, bearing the name of the Rev. Elijah H. Gammon, a generous clergyman, businessman, and philanthropist. Rev. Elijah H. Gammon invested and endowed the founding of Gammon Seminary in partnership with Bishop Henry Warren and the Freedman's Aid Society. Gammon has educated Black Clergy for almost 140 years, with graduates serving every level of the church, including Bishops, Superintendents, General church leaders, Conference staff, and Clergy in every jurisdiction. Gammon/ITC offers the following degree programs: the Master of Divinity, the Master of Arts in Religion and Education, and the Doctor of Ministry. The support given to The United Methodist Ministerial Education Fund by United Methodist Conferences continues to enable Gammon students to be grounded in the Wesleyan tradition of theological education.

Our 17th President/Dean, Rev. Dr. Candace M Lewis, and the Gammon staff team continue to lead innovatively in chartering a "Brand New Day" for Gammon's recruitment, retention, research and resources, fund development, and scholarship endowments in her first two years of service.

### **Our new initiatives and celebrations this year, 2023 – 2024, at Gammon, include:**

- In May 2023, Gammon held our 1st Annual Student Scholarship Fundraiser Golf Tournament, receiving \$70,000 in donations to assist students with their tuition, which also helped Gammon build more relationships and partnerships.
- In June 2023, The Rev. Walter H. McKelvey Endowed Scholarship Fund was launched by Dr. Loretta F. McKelvey (wife of the late Rev. McKelvey) and Dr. Walter Kimbrough with a \$50,000.00 matching gift in partnership with the South Carolina United Methodist Foundation.
- In June 2023, The Florida Conference raised and donated over \$ 60,000.00 to the Rev. Geraldine McClellan Endowed Scholarship Fund, which is now fully endowed by the Florida United Methodist Foundation.
- In July 2023 and December 2023, Gammon hosted the Ebony Exploration Event for 75 young adults under 35, increasing participation and forming strategic partnerships with external organizations to enhance the program's reach and impact.
- In December 2023, we celebrated our 140th Founders Day Event/Pastors and Leaders Conference, with over two hundred persons attending workshops (in person and virtual) and our Scholarship Gala Dinner, hosted at IMPACT Church in Atlanta, GA.

The greatest challenge facing Gammon Seminary is the rising cost of theological education and the significant debt our students incur as they answer their call to full-time ministry. Therefore, Gammon is committed to raising a million dollars in the next two years to offer full-tuition scholarships to students called and committed to full-time ministry in the United Methodist Church. We are grateful to this Annual Conference for your support of theological education and your commitment to ensuring pastoral leadership is theologically trained to lead us forward in the Wesleyan tradition.

**Respectfully submitted,**

**Rev. Dr. Candace M. Lewis, President-Dean**

This ministry is an unofficial Approved Agency of EPC, providing spiritual direction, retreats, and seminars for over 30 years. Financial donations are used for scholarships to companion churches, groups, and individuals desiring to deepen their relationship with God in Jesus Christ and overcome racism, poverty, and injustice which are destructive to relationships with God, others, and self. During the last 3 years with COVID, more clergy and laity are seeking spiritual direction to nourish their personal relationship with God, so they may be fuller vessels for others during these ongoing difficult times. Members of the conference clergy and laity make up the board of directors.

The Wesley Foundation of the City of Philadelphia serves the Drexel University campus and community and directly serves students through the Open Door Christian Community student organization, serving alongside students, faculty, and staff to meet physical and spiritual needs on campus and in the community. Because many college students face food insecurity, a free weekly healthy hot meal is provided to anyone on campus who is hungry. The 34 weekly meals are served in a variety of locations on campus to ensure student access and to build community among students, especially the international students. Students are invited to participate in community service by providing clothing and hygiene supplies to disadvantaged community members. Faith formation is offered through Worship, Wandering and Wondering, and Open Minded. Students are empowered through internships to run many of the ministries beyond the hours the chaplain is on campus. In 2024, a new conversation series will explore social justice from a faith perspective.

**Note:** Advance Special status allows fundraising letters to be sent to churches of EPC but does not guarantee that funding will be provided. Church treasurers are advised to remit contributions through the monthly remittance. Funds will then be forwarded to the approved Conference Advance Special.

Upon receipt of such notice, the Chair of S/PPRC and/or the Pastor shall immediately notify the District Superintendent and congregation of the impending arrearage. Failure to document salary or benefit arrearages may result in a loss of compensation.

Upon receipt of notice of a pending arrearage, the Chair of S/PPRC shall meet with the Pastor, Lay Leader, and Chairs of Finance, Trustees, and the Church Council to discuss the financial situation and seek remedies to prevent an arrearage from occurring. Consistent with *The Book of Discipline* ¶624, such remedies cannot include a reduction in the Pastor's compensation until the beginning of the next Conference year.

If after consultation among these leaders it becomes apparent that the church may be facing a long-term financial crisis, the Chair of S/PPRC shall notify in writing the Pastor, congregation and District Superintendent to consider potential solutions including but not limited to developing a payment plan so that the pastor receives full payment of regularly scheduled salary, housing allowance installment, pension payment and health insurance payment are made by the end of the fiscal and/or appointment year. The District Superintendent may refer this to another appropriate resource person to work with the church towards resolution of the situation.

If the local church is already receiving a subsidy grant, the District Superintendent or designee will determine if all subsidy grant funds allocated to the church were used to pay the pastor's salary.

It is the responsibility of the pastor to provide evidence of an arrearage by providing documentation such as: Treasurer's Reports, Charge Conference reports, check stubs, etc.

The statute of limitations for any salary arrearage is one year from the date of the initial arrearage. However, once an appointment ends the Pastor no longer has claim on the local church for compensation funds (¶342.4).

# MOU COLLABORATION

RESOLUTION #2024 - 07

A Memorandum of Understanding Relating to EPA&GNJ Collaborative Partnership

**Presented by** Lenora Thompson, EPA Connectional Table Chair and Iraidia Ruiz De Porras, GNJ Connectional Table Chair

We honor that throughout our history our Methodist connection has been nimble in responding to the changing conditions around it, expanding and changing patterns of ministry in times of growth, contracting and reorganizing in times of decline in order to effectively meet the missional needs in the present. This flexibility has been a key to our missional success. We further recognize that due to the factors around disaffiliation and declining membership in general that this is a time for reorganizing and for embracing new and creative forms of ministry collaboration to keep our focus on moving our mission forward. We also acknowledge that any change, but especially change that occurs rapidly, may create feelings of anxiety, fear, grief and increased sense of stress. The information and strategies framed in this MOU are to help us begin to map pathways to a vibrant future in a challenging time. We believe that collaboration between EPA&GNJ is already helping us be nimble in responding to our changing environment and we hope that this protocol will become an effective tool for helping us navigate the changes we expect to face in the near future and enable us to move our mission forward with hope and vitality as we embrace new Episcopal leadership and a potentially revised denominational structure.

**WHEREAS**, EPA and GNJ are collaborating together in ministry,

**THEREFORE BE IT RESOLVED** that Eastern PA and Greater New Jersey conferences, agencies and staff use the following MOU to guide decision-making, budgeting and mission and ministry.

## Background

A Memorandum of Understanding (MOU) is an agreement between two or more organizations that governs their collaborative efforts. The Memorandum outlined below is between the Eastern Pennsylvania Annual Conference (EPA) and the Greater New Jersey Annual Conference (GNJ) about how decisions will be made about collaborative mission and ministry done jointly by the two conferences in the areas of ministry, administration and financing for joint projects.

## Why Collaborate

We believe we are called as the body of Christ and Wesleyans to serve in connection with one another and live as a community of believers who represent Christ to one another and the world. We are formed as God's people to serve the congregations, communities, and world collaboratively whenever possible to maximize resources and efforts for the mission. The collaboration will assist each conference to thrive and grow in recruiting and developing transformational leaders to make disciples of Jesus Christ and grow vital congregations for the transformation of the world.

## How and When Was the Collaborative Effort Started

This collaborative effort began when the Northeastern Jurisdiction (NEJ) who elects and assigns bishops in 2022 assigned EPA&GNJ the same bishop. These new relationships were formed among seven of the ten conferences in the NEJ<sup>1</sup>. EPA&GNJ and the other five conferences who also were in new relationships were encouraged to explore and develop affiliations or collaborative efforts. This was done in preparation for what is anticipated to be even fewer bishops throughout the denomination and in the NEJ. Presently there are seven bishops serving in the NEJ and in 2024 the General Conference will decide the total number of bishops around the world which may see a total of 5-7 bishops in the NEJ requiring all 10 NEJ conferences to be in collaborative relationships.

If there is a further reduction of bishops in the NEJ, the NEJ Conference also scheduled to meet in 2024 will determine the conferences that will work together under one bishop.

Regardless of the number of bishops and the alignment of conferences, due to the pandemic and disaffiliation, things will be different in The United Methodist Church and for EPA&GNJ.

God is doing a new thing!  
Now it springs up; do you not perceive it?  
God is making a way in the wilderness  
and streams in the desert. -Isaiah 43:19

### **Who and How Was the MOU Prepared**

This MOU was developed and prepared by a joint task force of EPA&GNJ involving 15 elected and staff leaders from each conference and was reviewed and approved by CFA and the Connectional Table of both conferences. It involved a survey of both conferences, Zoom and in person feedback sessions, and the affected agencies of both conferences working together.

### **This MOU seeks to:**

- A. Identify the principles that will guide the ongoing collaboration between EPA and GNJ and
- B. Summarize the current state of our efforts at collaboration after 18 months of effort.
- C. Describe the ongoing evolution of the collaboration.

While the principles spelled out in the MOU guiding our efforts at collaboration will stay constant, the specifics of the collaboration will evolve over time making the MOU a living document.

### **A. Principles that will guide the ongoing collaboration between EPA & GNJ:**

When decisions are made with respect to collaboration in the areas of mission, ministry, administration, and finances we will ask ourselves the following questions in order to better guide our decision-making:

Will collaboration allow the mission, ministries, and goals of EPA & GNJ to be achieved more effectively together than individually?

Will by collaboration, the impact of our personnel, property and financial resources be utilized more effectively to achieve our individual missions and potentially even reduce costs for each conference?

Will the long-term capacity and sustainability of each conference be enhanced? At a minimum preserved?

Will the values of United Methodism and the values of the two conferences be honored and preserved? (See Appendix 1 for details on our values).

Will the collaboration assist each conference to thrive and grow in recruiting and developing transformational leaders to make disciples of Jesus Christ and grow vital congregations for the transformation of the world?

### **B. Collaborative Ministries, Staffing & Finances:**

#### **1. What ministries of EPA&GNJ will we carry out together initially?**

The present collaborative ministries of EPA&GNJ are listed in Appendix 2 for information. These ministries were identified by the EPA and GNJ agencies working together to determine what could be done better together.

Collaborative ministries will change from time to time when needs, circumstances and finances change. The agencies that oversee the particular ministries are responsible for the ongoing monitoring and evaluation of the effectiveness of the ministries to achieve the mission and goals of EPA&GNJ. For further clarity and information, in Appendix 2 each ministry area lists the agencies responsible by *The Book of Discipline* for the different ministries. The responsible agency of each conference shall be consulted and approve any of the ministries to be eliminated or added to the collaboration work of EPA&GNJ.

The Connectional Table for programmatic ministries, the Council of Finance and Administration (CFA) for finance and administration ministries, and the Cabinet for appointments and oversight of clergy and lay leadership and congregational ministries of each conference shall each be updated by the respective agencies and provide ongoing guidance and feedback.

**2. What and how will staff be deployed?**

Each annual conference shall approve its budget and within those budgets is compensation for staff. While staff may work collaboratively or on collaborative EPA&GNJ ministries, EPA staff will be compensated through the EPA payroll and GNJ staff will be compensated through the GNJ payroll. Reimbursement from one conference to another conference is addressed under finances.

For informational purposes, the present staff working together or on collaborative ministries are listed in Appendix 2. This will change from time to time with the approval of each conference's Human Resources agency in consultation with the extended cabinet representatives and CFA of each conference.

**3. How will financial decisions be made and administrated?**

The principle for financial decisions is that no conference will profit at the expense of the other. Likewise, all savings will be shared equitably between the conferences as befits the church of Christ. Our goal is to support and engage missionally together in the spirit of Connectionalism.

Programmatic and Administrative costs will be shared based on the ratio of congregations in each conference. The Chief Financial Officer (CFO)/Treasurers and Director of Connectional Ministry (DCMs) will jointly make this decision and when in question will consult with the CFA chairpersons of both EPA and GNJ.

Staffing costs will be reimbursed based on the added cost of collaborating staff whose costs were explicitly agreed to be shared by the two conferences. These expenses correspond to incremental costs of collaboration incurred by the two conferences and do not include staff already hired by the individual conferences whose services they have freely decided to share with the other conference. For more details, see the Added Cost Table in Appendix 3.

In order to monitor the full extent of the collaboration and the value received by both conferences by collaborating, all staff positions compensated through apportioned/billed funds will be evaluated each year, and the percentage of each person's job spent on work for the other conference determined and aggregated. For more details on this calculation see the informational table below and the staffing chart for further information in Appendix 3.

C. Ongoing evolution of the collaboration:

***1. Communication:***

Collaborating ministries, projects and services will be communicated through the collaborating or individual communication vehicles of both EPA&GNJ. EPA&GNJ will have access to one another's communication vehicles.

***2. When and how will the effectiveness of the collaboration be evaluated?***

A yearly report will be made to each annual conference session and quarterly reports will be provided to the appropriate governance bodies for the area it oversees. These reports will include progress, challenges, next steps, and budgeting.

The MOU itself will be reviewed and updated each year by each participating CFA and Connectional Table. Each CFA shall report any changes to the collaborative work to their annual conference session. If a CFA believes it is not in the best interest to continue in the collaboration, they shall recommend to the annual conference session discontinuance and the annual conference shall vote to continue or discontinue the relationship.

If the NEJ realigns the Episcopal Areas so that EPA&GNJ do not share a bishop the MOU Taskforces will reconvene with the episcopal leadership of the two conferences to discuss if and how EPA&GNJ will continue to collaborate. Should EPA&GNJ continue to share a new episcopal appointment, the Chairpersons of the Taskforce and/or Connectional Table will meet with the new bishop and the chairs of CFA, the CFO's, the DCM's, the Deans of the Cabinet and other appropriate leaders to discuss the MOU and next steps for the collaboration.

### ***3. Participation in the Collaboration:***

If other annual conferences want to share in one or more of the collaborative initiatives, how will this be reviewed, and decisions made for the inclusion of other annual conferences?

Additional annual conferences may join the collaborative partnership by vote of the current CFAs and Connectional Tables and a vote by the joining CFA, Connectional Table and annual conference session.

**For further information**, governance and management decision-making is further described in Appendix 3.

**Appendix 3**

The MOU team developed three models that could be used to share costs of collaboration between the two conferences.

- Model 1 – Is the “All Collaborative Staff” method that is accounting focused and allocates the cost of ALL staff involved in collaborative work to the two conferences;
- Model 2 – is a subset of the “All Collaborative Staff” method and only allocates the cost of Staff working 100% on collaborative work at the current time;
- Model 3 – is called the “Added Cost” method and takes a different approach. It views the two conferences as mission partners and only allocates explicit incremental costs incurred on account of collaboration. So, if staff are already employed by one conference and are able to provide collaborative service to the other conference, this service is viewed as a sharing of a gift rather than a cost to be allocated.

The CFAs of GNJ and EPA independently reviewed the above different methods for assessing the cost and reimbursements for staff involved in the collaboration.

The EPA CFA voted to adopt the Model 3 (*“Added Cost” method*).

The GNJ CFA voted that Model 1 (*“All Collaborative Staff” method*) be adopted and model 3 (*“Added Cost” method*) be used for payment purposes; this would be re-evaluated every three years.

*The Informational Table* evaluates every staff position and the percentage of the staff role dedicated to the collaboration and that percentage of staff compensation be shared by both conferences.

*The Added Cost Table* evaluates the increased costs to a conference as EPA and GNJ collaborate, and a conference is reimbursed for any cost increase it incurs because of the collaboration. This model also evaluates every staff position and assesses increased compensation because of the collaboration.

<sup>1</sup> The amount EPA to reimburse GNJ.

<sup>2</sup> The amount EPA currently is paying GNJ.

<sup>3</sup> In some cases, open positions were not hired and assumed under the collaboration. For example, GNJ had an open graphic/web designer open but rather than hiring a new person, the collaboration is using the EPA designer. EPA is not hiring a database manager or a staff person to provide this work. This is a savings to GNJ and EPA. There are positions like this in each conference.

<sup>4</sup>The EPA Payment to GNJ line plus the cost to hire staff w/o collaboration.

The following formula will be applied.

1. Conference A staffing cost increase

2. Minus Conference B staffing cost increase.
3. Net increase to be paid to the other conference.

The CFO/Treasurers each year shall prepare both tables and each year the CFAs of EPA and GNJ will review, approve and add to each conference proposed budget to be approved by each annual conference.

**Decision-Making**

There are two types of decisions, governance and management, that must be made to effectively carry out the collaborating mission and ministry.

1. **Governance Decisions** – the bodies that provide oversight. Both EPA&GNJ have oversight bodies; these oversight bodies include the annual conference sessions and the agencies authorized by The Book of Discipline to oversee administrative and programmatic ministries. These groups have responsibility for the following areas.
  - a. Strategic direction that includes but is not limited to the mission, broad goals and key program strategies. (Annual Conferences)
  - b. Administrative policies. (CFA for finance and administration, Board of Pension and Benefits for benefits, Board of Trustees for property, and Episcopacy Committee for episcopal office and residence)
  - c. Receiving and evaluating reports and providing feedback to ensure progress toward the desired programmatic outcomes. (program agencies)
  - d. The budget. (prepared by CFA and approved by annual conference)
  - e. Election of officers and members. (Nominations Committee and election by Annual Conference)

Whenever there is a governance decision concerning a collaborating ministry or service, it must be approved by the appropriate governance body in both EPA&GNJ.

**Management Decisions** – the day-to-day decisions and carrying out the strategic direction, policies and budget. Management is primarily carried out by paid and volunteer staff.

The staff strategize, plan and carry out collaborating ministry and services through the following teams. These teams existed prior to collaboration and met on these regular cycles. They now meet together as one team.

- Cabinet – the district superintendents and the bishop meet twice a month and weekly during the appointment season.
- Extended Cabinet – the cabinet and executive staff. Both EPA&GNJ extended cabinet meet individually and once together every month.
- Extended leadership – executive staff and management staff meet once a month to report about progress on projects and ministries.

## **2025 BUDGET**

### **RESOLUTION #2024 - 08**

#### **Relating to 2025 Budget and Fund Legislation**

**Presented by Irene Dickinson, President Council on Finance and Administration**

**And Jo Fielding, CFO/Treasurer**

**Whereas** the council on finance and administration (CFA) is charged in *The Book of Discipline* with the following responsibilities:

1. Paragraph 613.1 - To recommend to the annual conference for its action and determination budgets of anticipated income and proposed expenditures for all funds that provide for the annual conference clergy support, annual conference administrative expenses, and annual conference benevolence and program causes;
2. Paragraph 613.5 - To develop policies governing the investment of conference funds (except for pension funds as provided in paragraph 1508), whether in debt or equity, short-term instruments, with the aim of maximizing funds available for mission in a manner **consistent with the preservation of capital**, the **policies relative to socially responsible investing**. A statement of such policies shall be printed in the conference journal at least once in each quadrennium;
3. Paragraph 613.8 - To recommend to the annual conference for its action, procedures for dealing responsibly for situations in which budgeted funds, as approved by the annual conference, are inadequate to meet emerging missional needs or unforeseen circumstances;
4. Paragraph 613.12 - To work in cooperation with other annual conference agencies for the design and implementation of a plan by which the annual conference may designate the conference treasury as a central treasury for funds designated for any or all conference agencies participating in conference funds;
5. Paragraph 614.1 (d) - After consultation with the conference board of pensions, the council shall report to the annual conference the amounts computed by that agency as necessary to meet the needs for pensions and benefits programs of the conference. It shall also consult with the conference agencies and officers to be included in the administrative budget regarding the estimated budgets of their expenses and base its conference administration budget recommendations on information thus received; and

**Whereas** a comprehensive budget of all clergy support, benevolence, program and administration is to be recommended by CFA for approval by the annual conference; and

**Whereas** the aligning of the EPA budget to advance the strategic direction, mission, goals and strategies of EPA is good stewardship and in the best interest of growing vital mission congregations; and

**Whereas** EPA must assess shared services and administrative fees to fund its expenses; and

**Whereas** the composite rate for health care billing was developed to support congregations in lower income communities and has created an increasing complex system that over time has increased the burdened on a smaller and smaller amount of churches to pay a greater share of health care billings, and that the original intent of the composite rate was to address billings in low-income communities which the Journey of Hope economic justice plan now addresses; and

**Whereas** the 2024 budget required modifications of \$898,991 understated income because of updated information and in the process of developing the 2025 budget we fully aligned 2024 budget with the 2025 budget so that the information is accurate in the full budget and schedules.

**Therefore, be it resolved** that the Eastern Pennsylvania Annual Conference adopt the 2024 revised budget figures and the 2025 Budget that includes the following:

11. Assess up to an 8% administrative fee for shared services and up to 1% administrative fee for restricted funds and trusts to pay for services EPA provides to agencies that includes but is not limited to EPA staff support, legal support, administration, technology, office space and all other services that must be provided to maintain the programs and operations of the specific ministry/activity and of EPA.
12. Provide qualifying congregations identified according to the Journey of Hope equity legislation that shared ministry apportionments, general church apportionments and billings be assessed according to the community income guidelines as approved in the 2022 annual conference.
13. Provide a monthly remittance statement to congregations that include the following.
14. The total apportionment to the congregation for EPA shared ministry.
15. The total apportionment to the congregation on behalf of the general church.

Direct billings to the congregation from EPA, which includes but is not limited to, blended rate for active healthcare and incremental contributions for self-elected benefits (health, dental, vision, and health reimbursement accounts) for active pastors/lay employees, workers compensation, property insurance and back payments for past billings.

Historically, total church giving to the General Church funds has averaged 82-85%. As a commitment to Social Justice, and Racial Equity EPA shall ensure the two of the five funds General Conference Funds (Black College Fund and Africa University) are paid to the General Church at 100% if there is a surplus after year-end financial close. The approximate cost is \$26,000 based on current giving rates.

The following budget is submitted to accomplish the strategic direction, mission, goals, and strategies of EPA.

## **CONSERVATION EASEMENT AT CAMP INNABAH**

Resolution #2024 - 09

Relating to the Conservation Easement at Camp Innabah

**Submitted by** the EPA Board of Camp and Retreat Ministries, EPA Council on Finance and Administration and EPA Board of Trustees

**WHEREAS**, our Biblical mandate (Gen. 1:26-31) and *The Book of Discipline* (160) call us to be faithful stewards of God's creation; and,

**WHEREAS**, a conservation easement seeks to protect God's creation and supports the mission of EPA Camp & Retreat Centers as places set apart, transforming lives, and exists to provide welcoming spaces immersed in natural surroundings for all to experience the Spirit of God and love of Jesus, and it does this by limiting the potential for commercial or residential development on the identified 126 acres of the 172 acres of Camp Innabah in perpetuity; and,

**WHEREAS**, the EPA Camp & Retreat Ministries Board seeks to be faithful stewards of resources and a conservation easement will meet all past payroll liability for Camp Innabah and provide future funding for EPA Camp & Retreat Ministries via the earnings from the restricted easement funds as set forth in the EPA fund policy; and,

**WHEREAS**, the conservation easement is proposed for the 126-acre portion of Camp Innabah, and the remaining 46 acres of the camp will remain without the restrictions of the easement; and,

**WHEREAS**, the easement would be held by the French and Pickering Creeks Conservation Trust (FPCCT), and ownership of all land would remain deeded to the Eastern Pennsylvania Conference of the United Methodist Church (EPAUMC); and,

**WHEREAS**, the EPAUMC is able to sell the land and the easement transfers to the new owner; and,

**WHEREAS**, the EPAUMC, upon approval of the conservation easement, has been awarded grants as follows: \$252,000 from East Vincent Township; \$500,000 from the Pennsylvania State DCNR; \$640,000 from Chester County, for a total of \$1,392,000 with the possibility of an addition \$442,000 from Chester County which would bring the total to \$1,834,000

**WHEREAS**, the \$1,392,000 to \$1,834,000 would be invested according to the EPAUMC funds policy; and,

**WHEREAS**, the EPAUMC Camp and Retreat Board, Board of Trustees, and Council on Finance and Administration have reviewed and approved the Conservation Easement;

**BE IT, THEREFORE, RESOLVED** that the Eastern Pennsylvania Conference of the United Methodist Church approve the Camp and Retreat Board and the Board of Trustees moving forward in executing the Conservation Easement on 126 acres of Camp Innabah, and that the Camp and Retreat Board and the Board of Trustees work with the CONAM team of GNJ/EPA to provide educational and cultural awareness as a commitment to fulfilling our land acknowledgement at every annual conference.

**Eastern PA Camp & Retreat Ministries Board Report on Granting a Conservation Easement at Camp Innabah**

*"The earth is the LORD's and all that is in it, the world, and those who live in it..."*  
(Psalm 24:1; NRSV)

**Background:**

In 2019 the Eastern PA Camp and Retreat Ministry Board (CRMB) was asked by Conference Leadership to develop a plan to pay back \$392,000 in payroll liability that was incurred by Camp Innabah between 2010 and 2017. Various plans were evaluated, including land sale. The below plan supports the mission of camp and retreat ministries, establishing a plan for future sustainability and cares for the past payroll liability for Camp Innabah. Our United Methodist *Book of Discipline* (160) calls us to faithful stewardship of God's creation and supports the guiding principles of a conservation easement.

**I. What is a Conservation Easement and Where would it be located:**

A conservation easement is a legal agreement made voluntarily between a landowner and a land trust or government agency to protect a piece of land for conservation purposes. When a conservation easement is granted, some land uses are limited in perpetuity. Eastern PA Conference (EPA) would retain ownership and control of the land. EPA will receive compensation for the easement, as outlined in section VI. Some conservation restrictions would be placed on the land using a legal easement. If the land is ever sold by EPA, the conservation easement would remain in force for the new owner.

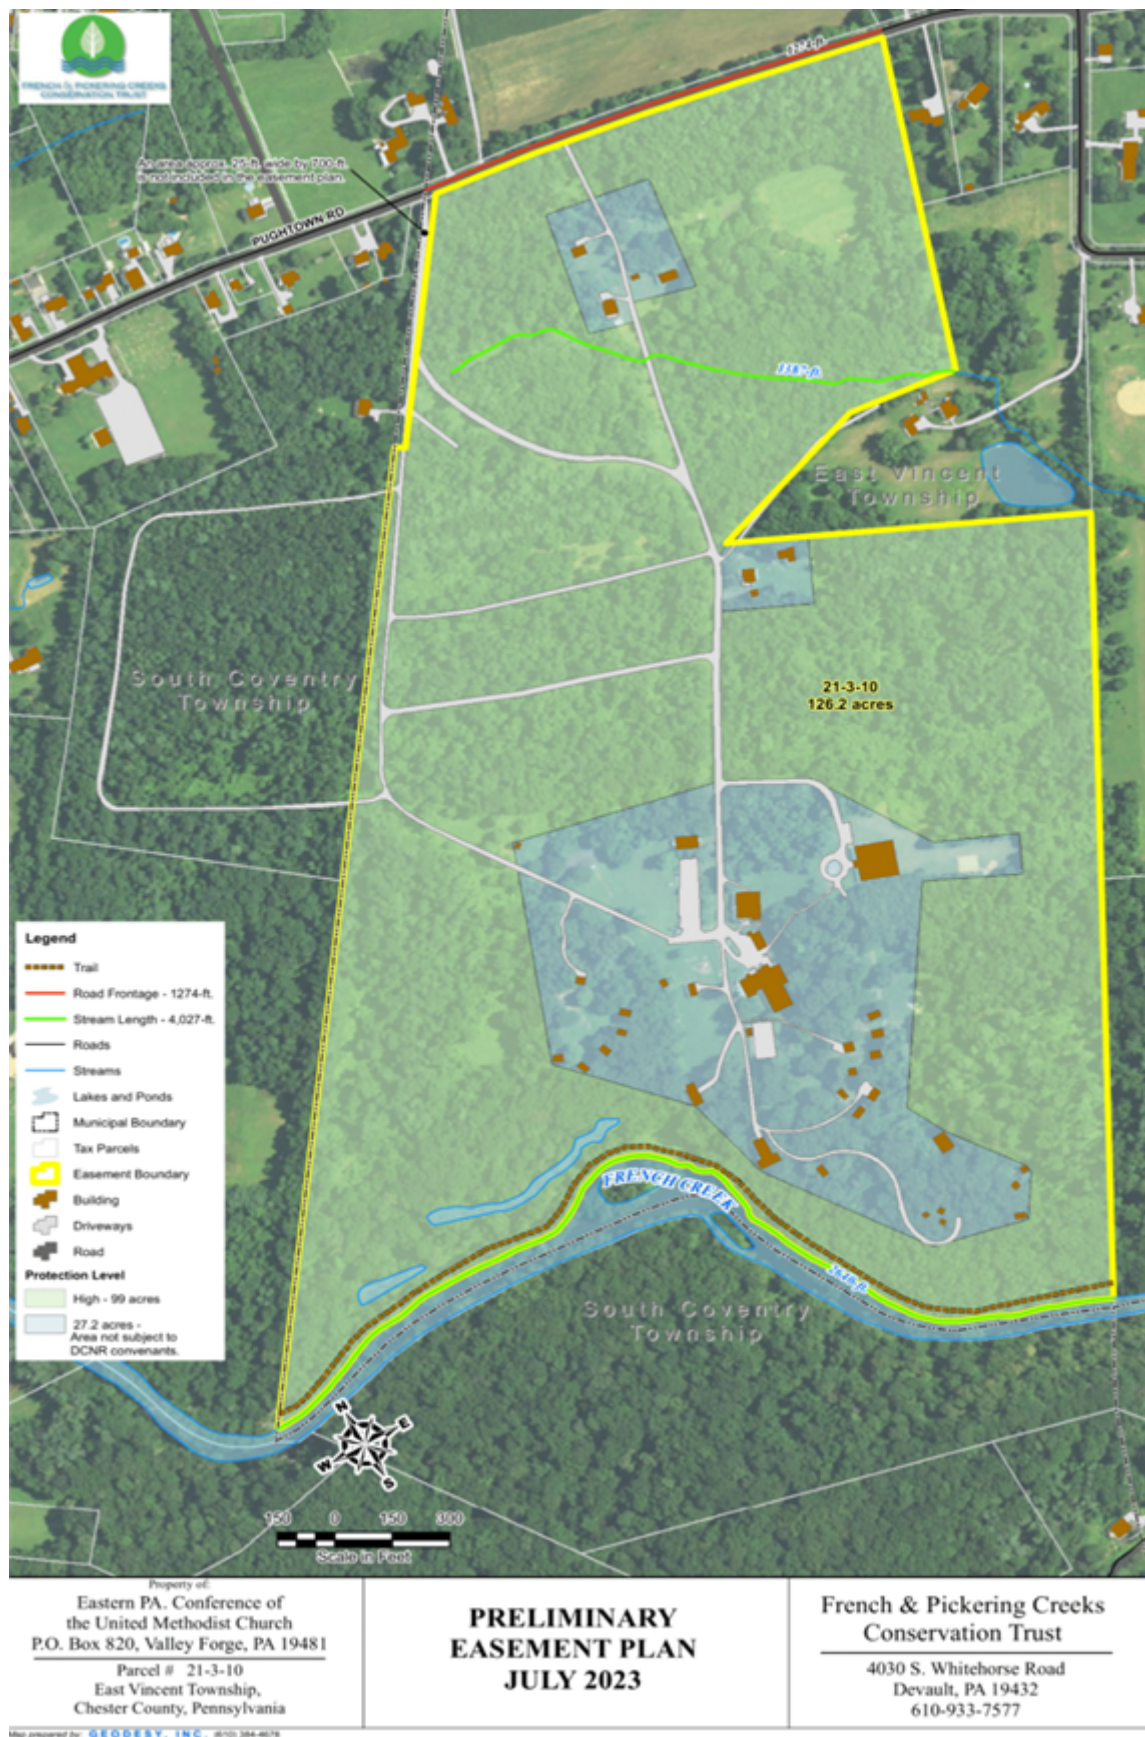

The conservation easement is proposed for the 126 acres of the 172 acres of Camp Innabah; the 126 acres is located within the yellow border on figure 1. The camp has an additional adjacent 20 acres that borders on the west. This is located within South Coventry Township and is not part of the conservation easement. There is an additional 26 acres in South Coventry Township located south of French Creek and this land is also not included in the conservation easement. For reference, the entrance to the camp from Pughtown Road is at the top center of the parcel shown on Figure 1. The main camp buildings are shown in the center of the Figure 1.

**II. French and Pickering Creeks Conservation Trust:**

The CRM Board approached French and Pickering Creeks Conservation Trust (FPCCT) in the summer of 2021 to inquire about a conservation easement. FPCCT is a local Chester County land trust started by Sam and Eleanor Morris, who were long time neighbors/friends of Camp Innabah. French Creek runs through Camp Innabah and French Creek is classified as an EV, exceptional value stream. The CRM has entered into a contract with FPCCT to prepare the draft documents and to search for grant money to reimburse Camp Innabah for the conservation easement. The CRM paid for a certified land appraisal which determined land and conservation easement values.

**Figure 1. Map of Camp Innabah:**

**III. Easement Limitations/Restrictions on the Highest Protection Acreage:**

This area is shaded light green on Figure 1 and generally covers the most heavily wooded land within the 126-acre main camp parcel. The primary objective of the conservation easement situated within the most environmentally sensitive region is to preserve and enrich the natural habitat. This entails prohibiting any future construction or development within this designated area. However, maintenance, repair, and replacement of existing infrastructure are permissible. Furthermore, a wide range of outdoor recreational activities such as walking, fishing, hiking, camping, bird watching, nature exploration, worship experiences, arts, and crafts are permitted. Additionally, recreational camping and incidental uses by campers, educational endeavors, and scientific research activities are also allowed. Logging activities are subject to restrictions, while the maintenance of trees within the forest is permitted, including the removal of up to 10 cords of wood annually. Importantly, the deliberate introduction of invasive vegetation is not to be actively introduced.

**IV. Easement Limitations/Restrictions on the Minimal Protection Acreage:**

These areas are shaded light blue on Figure 1 and generally includes the camp land with the majority of the existing buildings. The primary objective of the conservation easement that falls within the minimal protection area is to accommodate, subject to moderate constraints, a wide variety of activities/uses, where they will not be detrimental to the achievement of other Conservation Objectives. The easement limitation/restrictions are similar in many aspects with the exception that future development would be allowed to include 40,000 square feet of new buildings could be constructed including one additional full time residential unit. Again, maintenance, repair, replacement of existing buildings, roads, and facilities within this area are allowed.

**V. Overarching Easement Elements:**

The easement is a legal document that would be recorded in the Courthouse. The Easement would be held by the French and Pickering Creeks Conservation Trust (FPCCT). FPCCT will perform a yearly on-site inspection of the easement. EPA is able to sell the land and the easement would transfer to the new owner. The land within the conservation easement cannot be subdivided to minimize the easement. The language from the 1985 recorded agreement between Sam/Eleanor Morris (FPCCT) and Camp Innabah will be carried over into the easement; the 1985 agreement grants the rights for a future trail to be developed along French Creek. Our United Methodist *Book of Discipline* (160) calls us to faithful stewardship of God's creation and supports the guiding principles of a conservation easement. No easement is proposed for the remaining 20- and 26-acre parcels and these parcels would remain without any restrictions or limitations.

Aerial Photo of Camp Innabah:

Building areas would be designated as the “minimal protection” area.

The camp perimeter wooded areas would be designated as “highest protection” areas.

**VI. Camp Innabah Land Value:**

The following values were determined by a 2021 appraisal commissioned by the CRM board.

Appraised value of the 126 acres of Camp Innabah	\$3,790,000
Loss of value due to granting of a conservation easement	\$2,150,000
Remaining land value after granting conservation easement	\$1,640,000

French and Pickering Creeks Conservation Trust (FPCCT) has applied for Township, County and State government grants in the amount of \$2,150,000 to reimburse the Camp for granting of a conservation easement on the 126 acres.

**Grant Money Set aside for this Easement:**

To date we have been awarded grants as follows:

- \$252,000 from East Vincent Township.
- \$500,000 from the Pennsylvania State DCNR: The request was for \$843,973.
- \$640,000 from Chester County..... plus "consideration to increase" that by \$442,000 in additional funds.
- \$1,392,000 total funds in hand

**Investment Plan for the Conservation Easement Grant Money:**

The funds received will be invested in accordance with the Eastern PA funds policy. A conservation easement will not only fulfill all outstanding payroll liabilities for Camp Innabah but also ensure future financial support for Camp & Retreat Ministries through the earnings generated from the earmarked easement funds. These funds will be utilized for various purposes, including but not limited to ongoing camp development, infrastructure improvements, and scholarships.

# CONTINUING JOURNEY TOWARD HEALING AND WHOLENESS WITH INDIGENOUS PEOPLE

## RESOLUTION #2024 - 11

RESOLUTION to the 2024 ANNUAL CONFERENCE SESSION

Support of voting rights as part of our Continuing the Journey Toward Healing and Wholeness with Indigenous Peoples established by the Act of Repentance.

**Presented by** the EPA Conference Committee on Native American Ministries (CoNAM);

Presenter: Verna Colliver

**WHEREAS**, In 1992 The General Conference called for an Act of Repentance that “truly honors what Indigenous [Peoples] feel about how they have been wronged and where restitution and forgiveness might come from and what it will look like and entail,” and more recently in 2012 held an Act of Repentance Service at General Conference challenging every Annual Conference and local congregation to implement actions demonstrating a genuine attitude of repentance (Resolution 3321, Book of Resolutions p. 326) and that The Eastern Pennsylvania Annual Conference responded to that challenge with an Act of Repentance and Healing Relationships with Indigenous Persons in 2016.

**WHEREAS**, many Native Americans in the United Methodist Church supported this action with confidence and expectation that these Acts of Repentance would amount to more than a moment of remembrance and recognition of wrongs done.

**WHEREAS**, The Eastern Pennsylvania Annual Conference has demonstrated a commitment to continue the process of healing with a list of action steps including a vow to, “Support General Church initiatives related to land and treaty rights, support for tribal sovereignty and cultural preservation; better health care and education for Native people and the safety of Native and Indigenous women.” (Opening Worship including an Act of Repentance & Holy Communion, 2016)

**WHEREAS**, The United Methodist Church affirms the right to vote in our Social Principles and asserts the “right of historically underrepresented racial and ethnic persons ... to nondiscrimination in voting” including “access to public accommodations.” (See Social Principles of The United Methodist Church 2017-2020, ¶162A)

**WHEREAS**, The Commonwealth of Pennsylvania has a history from its origination of setting the standard of discriminatory systems and inequitable policies towards Indigenous Peoples through illegal land acquisition, forced relocation, forced assimilation, and murder through actions such as the ‘Walking Purchase’ by the sons of William Penn, the Massacre of the Conestoga for which no one was ever held accountable, and the creation of the first federally funded off reservation boarding school at Carlisle from which they benefited greatly.

<https://carlisleindian.dickinson.edu/>

<https://carlisleindian.dickinson.edu/topics/outing-patrons>

**WHEREAS**, The Commonwealth of Pennsylvania passed Senate Bill No. 1636 in the General Assembly Of Pennsylvania Session of 1994 implementing the “Pennsylvania Native American Recognition Act” in order to raise awareness of Indigenous Peoples in the commonwealth, identify inequities, and, “to establish a formal procedure to recognize Native American groups indigenous to Pennsylvania and certify Native American organizations” (p. 2) only to allow the act to lapse December 31, 1997.

**WHEREAS**, citizenship was granted to Native Americans in 1924, obtaining access to the ballot box over the last 100 years continues to be a struggle for Native American citizens with the substantial weakening of The Voting Rights Act of 1965 by a ruling in 2013 allowing barriers to voting, especially for Native Americans, through ID requirements that do not recognize Tribal ID, access to polling places, nontraditional mailing addresses, lack of broadband internet service, inadequate language assistance, among others.

**WHEREAS**, The Native American Voting Rights Coalition in collaboration with the Native American Rights Fund

(NARF) published a detailed 176-page analysis titled, “Obstacles at Every Turn,” which documented the racial discrimination and hostilities faced by Native Americans when casting their ballots, including the continued intimidation of voters due to fear of being accused of fraud stating that, “identification laws are seen as ‘a solution in search of a problem . . . imposed without a shred of real evidence that there has been voter fraud.’” (p. 76) These concerns have also been taken up by mainstream advocates such as The American Bar Association and The League of Women Voters.

**WHEREAS**, President Biden signed Executive Order 14019 “Promoting Access to Voting” in March 2021, creating an Interagency Steering Group on Native American Voting Rights, to research the barriers Native peoples face in achieving full access to participate in United States elections, and to recommend ways to mitigate or eliminate these barriers.

**WHEREAS**, The United Methodist Social Principles state, “The strength of a political system depends upon the full and willing participation of its citizens. The church should continually exert a strong ethical influence upon the state, supporting policies and programs deemed to be just and opposing policies and programs that are unjust.” (Social Principles of The United Methodist Church 2017-2020, ¶164B)

**THEREFORE, BE IT RESOLVED** we call upon the churches of the Eastern Pennsylvania Conference of The United Methodist Church to join with the Council of Bishops who took a “bold stand against voter suppression,” in 2020 and again in 2022 in their belief that “...the right of every citizen to vote in the United States is under attack...” calling “...the people of The United Methodist Church to use their influence in their states, legislative districts, and local precincts to enable voter registration and to encourage elected officials to provide the resources necessary to support the fullest participation in elections.” (A Call for Equal Voting Rights, Jan 2022)

**THEREFORE, BE IT FINALLY RESOLVED**, that churches and individuals in The Eastern Pennsylvania Conference of The United Methodist Church join with The United Methodist Church & Society by taking action on the Freedom to Vote Act (S.2747) and the John Lewis Voting Rights Advancement Act (S.4) by contacting your senators directly or through the website at <https://www.umcjustice.org/what-you-can-do/advocacy/take-action/voting-rights>.

### **Rationale:**

The voting rights legislation advocated for in this resolution directly addresses the lives of Native Peoples across the Nation.

Our federal legislators representing Pennsylvania in The United States Congress, have a moral responsibility to represent the Native Peoples on Federal reservations. And as United Methodists with a longstanding commitment to voting rights, we have a responsibility to secure voting rights for all people.

The voting acts mentioned in this resolution are in the best interests of many of our citizens including Indigenous Peoples. The Freedom to Vote Act (S.2747) will set basic federal guidelines that ensure voters are given ample time and means to exercise their right to vote. It will encourage civic participation and promote transparency in our electoral process.

The John Lewis Voting Rights Advancement Act (S.4) is a vital piece of legislation that protects the civil liberties and civil rights of citizens who have been historically discriminated against by unjust voting laws. The bill will expand preclearance to all states that have a record of discrimination, and it is also designed to protect poll workers and their families from harassment.

## Memorials

**Charles Bartoletti 4/13/1931 - 8/8/2023**

We are sad to share that Charles passed away in Doylestown, PA on August 8, 2023 at the age of 92 following a short illness. He walked his almost daily 2 miles the day before he entered the ER! Scott, Anne and Debbie with husband Dale and three grandchildren and two spouses were at his bedside.

We miss him already, always inspired by his zest for staying relevant in times of culture change. He never stopped learning and certainly never stopped thinking about how to make our world a better place for all. He missed Louise terribly (she passed in January of this year) and spoke of her often in his last days in the hospital.

He met his first great grandchildren in June (triplets!) and attended three weddings of his grandchildren and two other engagement parties in recent years.

We celebrate his long, vigorous life and all the love that he shared with all of us as well as with all of his churches served throughout his career.

We will always remember his love for his church work, his constant quest for learning, his art, music and carving projects, his love for the Adirondack Mountains and his deep love for his family.

In love and celebration,

Debbie, Scott, Anne, nine grandchildren and three great-grandchildren

**Robert S Booker 11/24/1946 - 1/2/2024**

**Nancy M. Buttmer 10/17/1937 - 8/15/2023**

Mrs. Nancy Morford Buttmer, born in 1937 in Spencer, WVa. to Ruby Whiting (homemaker) and Ivan Morford (businessman), passed away on August 15th, 2023. She had been living in Plainfield, NJ under the long-term care of her daughter, Cathy Cole-Diouf. Nancy had suffered from dementia for many years, and it was only due to Cathy's tireless efforts that she was able to remain in the quiet comfort of at-home care.

Growing up in rural WVa, Nancy always had an easy, relaxed manner about her. She used to pride herself on her steadiness and unflappability. Despite the relaxed demeanor, Nancy was an accomplished musician, playing flute, piano and organ. Most impressive, though, was her soprano voice which she shared with the world through church service singing and in madrigal groups she participated in over the years.

After graduating from Marshall University in 1959 with a degree in home economics and education, she married fellow student Robert C. Cole, and then resided in Winston Salem, NC. There she gave birth first to Cathy, in 1960, and then to a son, Alan, in 1964. The family then moved to Bethlehem in 1965 where Robert took a job with Lehigh University, and then later earned a PhD in English. In Bethlehem, besides raising the two children, Nancy was active with the local PTA and the Green Circle Program that worked to promote racial justice and equality. It was in Bethlehem that she also started her career as a preschool teacher, volunteering at Bethlehem's Wesley United Methodist Church. Nancy would prove herself to be an excellent preschool teacher and, in time, a capable administrator of preschools, as well. Nancy loved working with children, and spent countless hours preparing daily lessons and activities for her students. In fact, this was a labor of love and Nancy was known to quip that most of the interesting people she knew were under age 6.

After divorcing Robert Cole in 1972, Nancy married Rev. John T “Jack” Buttimer in 1973, and they moved to Drexel Hill where Jack took a church with the United Methodists. There, Nancy continued her work with children, while also singing in the choir and helping to raise her step-son, Jeff Buttimer. In 1979, Nancy and Jack moved the family to Newton, PA where they were to stay for 13 years, developing a strong congregation at the Newtown United Methodist church. Continuing in the tradition of periodically moving from congregation to congregation, the couple then moved to West Lawn, PA, (near Reading) where they again established a thriving Methodist community. In both settings, Nancy showed her skill and dedication in setting up and running nursery schools. The couple’s final church-related move was to Plattsburgh, NY where both Nancy and Jack sought to experience more nature and less traffic — they also began sailing on Lake Champlain which had been a life-long dream. When Jack retired in 2001, they moved to Westport, NY and settled into comfortable country living, focusing on gardening, hiking, and sailing in the summer, and snow shoeing and snow shoveling (!) in the winter. Nancy continued with her singing, and was a regular member of the community chorale group, while also volunteering with the local literacy program — something she had begun back in her days in Bethlehem, PA.

The people who knew Nancy would often marvel at her steady and unaffected manner, and the way she was such a careful and considerate listener. Besides being gifted with a kind of natural wisdom about life, Nancy’s life-long commitment to reading literature —and her beloved New Yorker subscription — meant she was well aware of life’s complexities. Many found her to be a spiritual person, but without the churchy affect and with a strong commitment to feminist values— she was life-long member of the American Association of University Women.

Even when stricken by dementia — in the wake of a serious case of Lyme disease — Nancy remained a kind, thoughtful, and even funny companion. Those who knew her in her final phases marveled that a person could be so stricken by a disease and yet remain resolutely polite, surprisingly upbeat, and deeply appreciative of the care she received. We will miss her very much.

She is survived by a son, Dr. Alan Cole and his wife Jennifer Tsen of Westport, NY; a daughter, Cathryn Cole and her husband, Babacar Diouf, of Plainfield, NJ; a step-son, Jeffrey Buttimer, and his companion Gloria Hicks, of Plano, Texas; and a step-daughter, Deborah Buttimer, of Morrisville, PA. She also has four grandchildren, Omar and Alsan Diouf, and Alysén and Jeremy Gunzelman. She was preceded in death by her husband, John T. “Jack” Buttimer, who passed away in 2016.

**Barbara E. Carlson 11/5/1921 - 1/21/2024**

Barbara Ellen Carlson, 102 years old, of Doylestown, PA passed away peacefully in her home on January 21, 2024. She was born in Newton, Kansas on November 5, 1921, to John V. and Alda Zook of Oskaloosa, Iowa.

A memorial service for friends and family to honor her memory will be held on March 23rd at 11:00 a.m. at Rolling Hills Methodist Church in Pipersville, PA.

Barbara Carlson lived her life to the fullest. She was a mother, teacher, and a supportive minister’s wife. She began her teaching career in a one room schoolhouse in Kansas. After her daughters were in school, she created and taught a class for children with learning disabilities who did not have a placement in the public school. During this time she completed her Bachelors, earned a Masters in Special Education and then taught in Bristol Township School District for many years.

Barbara Carlson was a strong, determined, and dedicated woman whose life was an example of how to live one’s faith. In her role as a minister’s wife, she supported her husband by playing the piano and organ for services and directed and accompanied the choirs at church. When her late husband Rowland L. Carlson retired, they established Discovery Service Projects together. It is an organization to create opportunities for volunteers to activate their faith by working alongside people who fell on hard times or participate in various ways to build and support churches and communities in developing countries.

**Mary A. Brown Duff 1/26/1921 – 4/5/2024**

Rev. Dr. Mary A. Brown Duff was born January 26, 1921 in Abingdon Virginia to the late Laury and Martha Walker Brown. She passed away April 5, 2024 at Markley Rehab & Healthcare Center in Norristown PA. She was 103. She was the youngest of eight siblings.

Mary would talk about her brothers and how playful she was growing up. She remembered a Pastor whose favorite song was, "Jesus Loves Me" and it was sung every Sunday. The song would bring tears to the Pastor's eyes. And Mary would poke her brother's and say, "See, he's going to cry". It turns out that became her song as well.

Mary grew up and was educated in the Abingdon Virginia area. She matriculated at Bluefield State University in Bluefield WV, where she received her Bachelor of Arts Degree in Education.

Mary met and married her late husband, Arthur Duff. From this union Bettye Evangeline Christine Duff Winder was born. Mary became a stalwart single mother when she and Arthur divorced. She placed Bettye in activities ranging from playing the piano to participating in the local debutante ball.

Mary had a profound impact on her daughter Bettye and later her grandchildren, Jamila and Randy II. She set the bar high for them as she was a major influence to them in pursuing higher education. Mary began teaching in Abingdon VA, then migrated to Philadelphia PA. She spent most of her career teaching 9th grade English at Mayer Sulzberger Junior High School. She was an educator within The Philadelphia School District for close to four decades. She was very popular among students and teachers, staff, administrators, and parents. For her no-nonsense attitude she was given the moniker, "Rough, Tough Mary Duff". Of note, in 1972, she was nominated and won State Teacher of The Year.

Mary was granted an honorary doctorate in humanities in May of 1985 from her Alma Mater, Bluefield State University. Upon retirement, Mary furthered her education, earning a Masters in Divinity from Eastern Baptist Theological Seminary in 1999. While there, Greek was a particular challenge, but she excelled, nonetheless.

Mary had a deep and personal relationship with The Lord that began with her accepting Christ at an early age. She loved God fervently and was a disciple of Jesus Christ. To that end, she served Him faithfully in various capacities including Director of Christian Education, Deacon, Elder, and Pastor. The churches where she worshipped and gave of her time,

talent and treasury were, Wharton-Wesley United Methodist Church, Ardmore United Methodist Church, United Methodist Church of Bala Cynwyd, and Calvary United Methodist Church in Philadelphia PA.

At 104 years old, she passed away peacefully at Markley Rehabilitation and Healthcare Center in Norristown PA where caregivers were honored to care for this Centurian resident.

Mary Elizabeth "Betty" Marlow (nee Strom) passed peacefully on Friday, February 23, one week after her 97th birthday, at the John Clarke Retirement Center in Middletown, RI. Betty had an amazing life. She grew up on a tobacco farm in Quincy, FL, before leaving to attend Wesleyan College in Macon, GA. In 1947, she spent the summer at the YMCA / YWCA President's School in New York City, where she met her life-long partner, the late Bill Marlow. Independently, they each made the decision to travel to India the following year as Methodist missionaries, where they taught (in different cities) for the next three years. Dating throughout the separation, they became engaged in India and married in 1952, shortly after their return to the States.

Eventually, they settled in Reading, PA, where they raised three wonderful children, and Betty worked as an educator, training early childhood teachers and teaching adults to read. She was very active in her church, the former Central Park UMC, and worked with a group of women who became dear friends, planning many years worth of Sunday School programming, in addition to volunteering in the soup kitchen and clothing center.

Throughout their almost 70 years together, she and Bill were true partners. In addition to her own career as an educator, Betty was a partner in Bill's ministry through Yale Divinity School, churches in Carlisle, PA and many years caring for students and faculty at Albright College. Both were active in civil rights and political activism in Reading, and Betty served on the Board of Elections.

Her greatest joys were being with family and creating environments for both plants and people to grow. She was welcoming to everyone she met and generously offered her home, hospitality, and countless Christmas cookies. She loved gardening, and shared plant cuttings with many friends. She was known for reviving plants that were "not quite dead enough." Betty and Bill loved to travel, and their trips to Israel, India, China, and Thailand were legendary.

They relocated to Rhode Island in 2017 to be near family. She will be remembered for her warm smile, the gratitude with which she lived each day, and her frustration at certain politicians as she watched MSNBC at bone-crushing volumes. She is survived by her children, E. Lynn Marlow (Ronna Davis), Karen Marlow McDaid (John McDaid), and W. Scott Marlow,

### **CLERGY RETIREMENT SECURITY PROGRAM (CRSP)**

#### **Defined Benefit (DB) and Defined Contribution (DC)**

#### **Program overview:**

The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The program is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which had previously replaced the Pre-82 Plan for service rendered prior to January 1, 1982.

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to The United Methodist Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by the annual conferences.

#### **Current funding plan information:**

The Clergy Retirement Security Program (CRSP DB) annuities total liability as of January 1, 2023, is \$(2,419,203,927), while total plan assets are \$2,956,861,167, resulting in a current plan funded ratio of 122%. The Eastern Pennsylvania Conference portion of the liability is 1.5563% and the 2025 contribution is \$978,870. The conference anticipates that the amount will be funded by Active Pension Deposit Acct, Direct Billing. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The Eastern Pennsylvania Conference has elected to cover clergy serving 50%+ under CRSP effective January 1, 2025.

Effective January 1, 2014, the CRSP DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy can earn up to an additional 1% CRSP DC contribution by contributing at least 1% of their plan compensation to UMPIP; therefore, if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3% to CRSP DC. The 2025 CRSP DC contribution is anticipated to be \$503,460 and will be funded by Direct Billing.

**PRE-82 PLAN (PRE-82)**

**Plan overview:**

Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. If a clergyperson retires within the Conference (and does not terminate), the minimum benefit payable is based on two factors:

- 1) Years of service with pension credit-approved by each conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and *The book of Discipline*.
- 2) The conference pension rate (past service rate)-the dollar amount chosen by the conference as the amount payable for each approved year of service with pension credit (may change from year to year).

The number of years of service with pension credit is multiplied by the pension rate, and the product is the minimum annual benefit payable to those clergy eligible for Pre-82 Plan benefits. In certain situations, the benefit received from the Pre-82 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-82 Plan. At the time that a participant retires, the DBSM account is converted to a life based benefit and, at that point, the clergy's benefit is the greater of the PSR or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated; but the DBSM-based benefit does not change.

**Current funding plan information:**

The 2025 PSR recommended to the Eastern Pennsylvania Conference will be \$532, representing a 2% increase from the 2024 rate. The conference expects future annual increases to be approximately 2.00%.

The contingent annuitant percentage is recommended to remain at the 70% level.
