Conference Committee on Nominations and Leadership

Annual Conference Report

2026 CONFERENCE AGENCIES WITH MEMBERSHIP

Report from the Conference Committee on Nominations and Leadership of the EPA Annual Conference

Each of these agencies will have a designation as to how members are nominated prior to being elected by the Annual Conference. This slate includes those groups that must be elected by the Annual Conference, which is the responsibility of the Conference Committee on Nominations and Leadership as well as all agencies whose membership must be approved by the Annual Conference whether they are nominated by the Bishop or their own membership. All new nominees or people in transition will be presented in bold print. For each agency, its purpose, membership requirements, nomination process, and the times they currently have meetings are included.

Quadrennium of Service: (First), (Second), (Interim)

This is the EPA method of tracking service and rotating leaders and members unless specifically noted. (Interim Service: This designation is for anyone who fills a vacancy or enters during a quadrennium. If one enters into the first or second year of the quadrennium that quadrennium is considered their first. If one enters into the third or fourth year of the quadrennium it is not considered their first as their first would start at the beginning of the next quadrennium. Next Quadrennium begins July 1, 2028.

Years of Service:

Some of the agencies are in the Book of Discipline and are tracked with years of service. For those groups, years of service is the method of tracking service and rotating leaders and members.

Agency Member Designation:

(C) Clergy, (LW) Laywoman, (LM) Layman, (NC) Non-Conference, (OL – on Loan)

*In addition as per **A Path Towards Wholeness Legislation (R. 2022-07)**, inclusivity in terms of self-identified racial, ethnic, disability, and age are tracked internally by each group.*

If you have any questions or concerns with any of the agencies listed or their members, please contact the:
