

## Directions

**Write a brief, encouraging note on each card and sign FIRST NAME ONLY – include no personal identifying information.**

**DO NOT USE glitter, stickers, foil, markers, crayons, or colored pencils**

Do not include a gender greeting, such as “dear brother/sister in Christ”

Cards may go to either men or women. Some may be posted to share with everyone in a housing unit. Consider if message is appropriate: Sentiment, humor, and reminders of life outside can “fall flat” to those feeling isolated from friends and loved ones during holidays.
