

2024 CHURCH CONFERENCE PAPERWORK CHECKLIST

Below is a listing of all reports due for church conferences. This includes the date the report becomes available in Arena, the date the report is due, and the leadership position typically responsible for completing each report. **It is the pastor's responsibility to ensure that ALL paperwork is completed fully and submitted by each deadline.**

Arena is the online reporting database where reports are submitted by clergy and church leaders. Accessing Arena requires a username and password that is specific to each individual logging in. Different leadership roles grant access to different reports depending on the report you are responsible for completing.

The following leaders received an email directly from Arena with their personal login information: clergy, church council chair, trustees president, SPRC chair, lay leader, treasurer, finance chair, and church administrator. We understand not all of these positions have reporting responsibilities, but we have provided access to these individuals as church duties are often shared by multiple people. Please check your spam/junk folder if you do not see the email in your inbox.
