

Peter D. Weaver Congo Partnership

You made a difference! You can make a difference in the future!

God calls us to care for others and we thank you for caring for the people of Congo through your special gift in honor of Bishop Peggy Johnson. Your Peter D. Weaver Congo Partnership continues to be a beacon of hope for the people of the Democratic Republic of

Congo and our Partnership projects are needed more than ever as we seek to provide for the physical, emotional, intellectual, and spiritual needs of our Congolese sisters and brothers. God takes your prayers and gifts and multiplies them so we can support our Congolese partners in this time of great need.

A 2-minute 2020 Congo Partnership Projects video update is now available. Click on the logo and download the video for use in your online worship or at church or paste the following link in your Web browser:

To help you promote some special projects and provide information about various costs for these projects, we have prepared the document: **Funding Options for Local Churches/Individuals to Support Various Partnership Projects** along with ways you can contribute.

Visit our Web site: www.Congo-Mission.org for persons to contact if you need additional information. *You can make a difference and save lives.* We covet your prayers for the people of Congo and for the work of the Congo partnership. *Lusaka Efula* - thank you very much from the people of central Congo!
