The Ryan White Part A Planning Council (RWPC) participates in community health planning to prioritize services and allocate Ryan White Part A funding, in an effort to improve care for people with HIV disease in Philadelphia, Southern New Jersey and PA Suburbs. The planning body is appointed or established by the Chief Elected Official (CEO) or designee of the CEO of an EMA. It is the basic function of the planning body to assess needs, establish a plan for the delivery of HIV care in the

EMA, and establish priorities for the use of Ryan White HIV/AIDS Program Part A funds. To do this, the Council performs a great deal of work throughout the year to assess needs, evaluate financial and program activities, and participate in planning that is coordinated with other local and state entities. The term Part A refers to a specific section of the CARE Act legislation. Services covered under Part A span a wide range, from medications and primary medical care to food and other basic assistance. The Ryan White CARE Act, which was enacted by Congress to ensure the quality and availability of care for people infected with HIV, fills in funding gaps for services when all other funding has been exhausted. This Planning Council serves the Philadelphia Eligible Metropolitan Area (Philadelphia; Bucks, Chester, Delaware, and Montgomery counties in Pennsylvania; and Burlington, Camden, Gloucester, and Salem counties in New Jersey).

The HI-V (Five) group was created to give individuals living with HIV/AIDS from the six-county AIDSNET region a voice in the planning and funding of HIV/AIDS care and prevention services. This group, through bi-monthly meetings and other activities, provides input to the AIDSNET Board of Directors about how to best fulfill the AIDSNET mission. Currently, the group is planning the 2009 HI-V Annual Consumer Summit.

If you are a person living with HIV/AIDS and are interested in participating in HI-V (Five), please call Victoria McKinzey-Gonzalez at 610-882-1119 or [Email](#) her. Please remember that you must reside in one of the six counties we serve to participate.
