Mission u is a transformative educational program that encompasses both Bible-based curricula and events that is open to all who are interested in learning together for the transformation of the world. Interested in deepening your faith in community? Gaining experience interpreting Scripture? Working toward healing for yourself, your community, and all of creation? Mission u is for you!

Welcome Home explores how we can know God as an intimate friend who welcomes us. Abiding in God's safety, and dwelling in God's provision, allows us to open our hearts to a fuller embrace of the power and presence of God so that we may find our home in God. Participants are invited to dig deeper into what it means to live in the kin-dom of God and how this helps us to develop practices for building and existing in healthier communities. Author Neomi Fletcher leads participants through a journey that starts with examining home and redefining what it means in light of Scripture's repeated invitations to dwell with God as individuals, community members, and persons of faith. Fletcher has a passion for social justice and works to advocate for young people. She is pastor of Haven Chapel UMC in Denison, Texas, and an early childhood policy advocate for Children at Risk.

The text for the course is "Come Home" by Neomi Fletcher. It must be purchased in advance on the United Women in Faith [e-store](#) for \$10.00. Place one order for multiple study books to decrease shipping costs.
