

#STILLINMISSION

Despite the pandemic, United Methodist missionaries remain deeply engaged in work around the world. Normally, a number of them “itinerate” each year to visit the churches and individuals that support them in ministry. COVID-19 has put a stop to most travel but that doesn’t mean the missionaries aren’t available to meet virtually! Each month, we invite four missionaries to be in conversation with laity and clergy throughout the church to share the joys and challenges they’ve experienced. You can join them on Zoom on the day and time noted below. (Registration is required.)
